- Accounting (BMAC) Master The Robert H. Smith School of Business Professional
- Accounting (online) (OMAC) Master The Robert H. Smith School of Business Fully online
- Administration, Supervision & Curriculum (Z900) Certificate (non-degree) College of Education
- Aerospace Engineering (ENAE) Doctoral Master A. James Clark School of Engineering Research
- Aerospace Engineering (PMAE) Master A. James Clark School of Engineering Professional
- Aerospace Engineering (Z053) Certificate (non-degree) A. James Clark School of Engineering Professional
- African American Studies (Z096) Certificate (non-degree) College of Behavioral and Social Sciences
- Agricultural and Resource Economics (AREC) Doctoral Master College of Agriculture and Natural Resources Research
- Air Quality Science and Technology (Z047) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- American Studies (AMST) Doctoral Master College of Arts and Humanities Research
- Animal Sciences (ANSC) Doctoral Master College of Agriculture and Natural Resources Research
- Anthropology (ANTH) Doctoral Master College of Behavioral and Social Sciences Research Internship or Clinical Experience
- Applied Anthropology and Historic Preservation (AAHP) Dual Degree Master School of Architecture, Planning and Preservation College of Behavioral and Social Sciences Professional Internship or Clinical Experience
- Applied Counseling and Human Services (Z069) Certificate (non-degree) College of Education
- Applied Economics (off-campus) (ECAO) Master College of Behavioral and Social Sciences Off-site
- Applied Economics (off-campus) (MPEC) Master College of Behavioral and Social Sciences Off-site Professional
- Applied Economics (on-campus) (ECAM) Master College of Behavioral and Social Sciences Professional
- Applied Economics (on-campus) (MPEM) Master College of Behavioral and Social Sciences Professional
- Applied Economics (online) (ECAE) Master College of Behavioral and Social Sciences Professional Fully online
- Applied Entomology (MPAE) Master College of Computer, Mathematical, and Natural Sciences Professional Fully online
- Applied Epidemiology (online) (Z152) Certificate (non-degree) School of Public Health Fully online
- Applied Machine Learning (online) (SAMO) Master College of Computer, Mathematical, and Natural Sciences Research Fully online
- Applied Machine Learning (SAML) Master College of Computer, Mathematical, and Natural Sciences Research
- Applied Mathematics & Statistics, and Scientific Computation (AMSC) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Applied Political Analytics (APAN) Master College of Behavioral and Social Sciences Professional
- Architecture (ARCH) Master School of Architecture, Planning and Preservation Research Professional
- Architecture and Community Planning (ARCP) Dual Degree Master School of Architecture, Planning and Preservation Professional Internship or Clinical Experience
- Architecture and Historic Preservation (ARHP) Dual Degree Master School of Architecture, Planning and Preservation Professional
- Architecture and Real Estate Development (ARDV) Dual Degree Master School of Architecture, Planning and Preservation Professional
- Art History and Archaeology (ARTH) Doctoral Master College of Arts and Humanities Research
- Art Studio (ARTT) Master College of Arts and Humanities Research
- Arts Entrepreneurship (Z166) College of Arts and Humanities Certificate (non-degree)
- Astronomy (ASTR) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Atmospheric & Oceanic Science (Z046) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Atmospheric and Oceanic Science (AOSC) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Atmospheric and Oceanic Science Technology (MPAO) Master College of Computer, Mathematical, and Natural Sciences Professional
- Beekeeping (Z088) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences Fully online
- Behavioral and Community Health (BCHL) Doctoral School of Public Health Research
- Behavioral and Community Health (MBCH) Master School of Public Health Professional Master of Public Health
- Behavioral and Community Health (online) (MBCO) Master School of Public Health Fully online Master of Public Health
- Bilingual Speech-Language Pathology (Z125) Certificate (non-degree) College of Behavioral and Social Sciences

- Bilingual Speech-Language Pathology for Practitioners (online) (Z167)Certificate (non-degree)College of Behavioral and Social Sciences
- Bilingual Speech-Language Pathology for Practitioners (Z141)Certificate (non-degree)College of Behavioral and Social Sciences
- Biochemistry (BCHM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Bioengineering (BIOE)DoctoralMasterA. James Clark School of EngineeringResearch
- Bioengineering (online) (MEBI)MasterA. James Clark School of EngineeringProfessionalFully online
- Bioengineering (online) (Z083)Certificate (non-degree)A. James Clark School of EngineeringProfessionalFully online
- Bioengineering (PMBI)MasterA. James Clark School of EngineeringProfessional
- Bioengineering (Z054)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- Bioinformatics and Computational Biology (MPBC)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Bioinformatics and Computational Biology (online) (SABO)MasterCollege of Computer, Mathematical, and Natural SciencesResearchFully online
- Bioinformatics and Computational Biology (SABI)MasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Biological Resources Engineering (ENBE)DoctoralMasterA. James Clark School of EngineeringResearch
- Biological Sciences (BISI)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Biophysics (BIPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Biostatistics (BIOS)MasterSchool of Public HealthProfessionalMaster of Public Health
- Business Administration (BDBA)DoctoralThe Robert H. Smith School of Business
- Business Administration (BMBA)MasterThe Robert H. Smith School of BusinessProfessional
- Business Administration (online) (OMBA)MasterThe Robert H. Smith School of BusinessProfessionalFully online
- Business Administration and Accounting (BAAC)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
- Business Administration and Business Analytics (BABA)MasterThe Robert H. Smith School of BusinessProfessional
- Business Administration and Finance (BAFN)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
- Business Administration and Information Systems (BAIS)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
- Business Administration and Marketing Analytics (BAMA)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
- Business Administration and Medicine (BMED)DoctoralDual DegreeMasterThe Robert H. Smith School of BusinessProfessional
- Business Administration and Nursing (BNRS)Dual DegreeThe Robert H. Smith School of BusinessOff-siteResearchProfessional
- Business Administration and Pharmacy (BPHR)DoctoralDual DegreeMasterThe Robert H. Smith School of BusinessOff-siteProfessional
- Business Administration and Public Policy (BMPO)Dual DegreeMasterThe Robert H. Smith School of BusinessSchool of Public PolicyProfessional
- Business Administration and Real Estate Development (MBRE)Dual DegreeMasterSchool of Architecture, Planning and PreservationThe Robert H. Smith School of BusinessProfessional
- Business Administration and Social Work (BMSW)Dual DegreeMasterThe Robert H. Smith School of BusinessOff-siteProfessional
- Business Administration and Supply Chain Management (BASC)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
- Business Administration, Executive (CMBA)MasterThe Robert H. Smith School of BusinessProfessional
- Business Administration, Executive (EMBA)MasterThe Robert H. Smith School of BusinessProfessional
- Business Analytics (BMAN)MasterThe Robert H. Smith School of BusinessProfessional
- Business Analytics (online) (OMAN)MasterThe Robert H. Smith School of BusinessProfessionalFully online
- Business and Management (BPHD)DoctoralThe Robert H. Smith School of BusinessResearch
- Business Management and Law (LMBA)Dual DegreeMasterThe Robert H. Smith School of BusinessOff-siteProfessional
- Chemical and Biomolecular Engineering (PMCH)MasterA. James Clark School of EngineeringProfessional
- Chemical and Biomolecular Engineering (Z055)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- Chemical and Life Sciences (CLFS)MasterCollege of Computer, Mathematical, and Natural SciencesProfessionalFully online
- Chemical Engineering (ENCH)DoctoralMasterA. James Clark School of EngineeringResearch
- Chemical Physics (CHPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Chemistry (CHEM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch

- Civil and Environmental Engineering (ENCE) Doctoral Master A. James Clark School of Engineering Research
- Civil and Environmental Engineering (PMCE) Master A. James Clark School of Engineering Professional
- Civil and Environmental Engineering (Z056) Certificate (non-degree) A. James Clark School of Engineering Professional
- Classics (CLAS) Master College of Arts and Humanities Research
- Climate Policy and Action (online) (Z164) Certificate (non-degree) School of Public Policy Fully online
- Climate Policy and Action (Z163) Certificate (non-degree) School of Public Policy
- Clinical Audiology (CAUD) Doctoral Dual Degree College of Behavioral and Social Sciences Research Professional Internship or Clinical Experience
- Clinical Psychological Science (MPPS) Master College of Behavioral and Social Sciences Professional
- Cloud Engineering (online) (MECL) Master A. James Clark School of Engineering Professional Fully online
- Cloud Engineering (online) (Z169) Certificate (non-degree) A. James Clark School of Engineering Fully online
- Cloud Engineering (PMCL) Master A. James Clark School of Engineering Professional
- Cloud Engineering (Z168) Certificate (non-degree) A. James Clark School of Engineering
- Communication (COMM) Doctoral Master College of Arts and Humanities Research
- Communication Management (Z045) College of Arts and Humanities Certificate (non-degree)
- Community Counseling (COCM) Doctoral Master College of Education Research
- Community Planning (CMPL) Master School of Architecture, Planning and Preservation Professional Internship or Clinical Experience
- Community Planning and Behavioral/Community Health (CPMB) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Biostatistics (CPBI) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Environmental Health Sciences (CPMI) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Epidemiology (CPEP) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Health Administration (CPHA) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience
- Community Planning and Health Equity (CPHL) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Health Policy Analysis and Evaluation (CPAE) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Historic Preservation (CPHP) Dual Degree Master School of Architecture, Planning and Preservation Professional Internship or Clinical Experience
- Community Planning and Information Management (CPIM) Dual Degree Master School of Architecture, Planning and Preservation College of Information, Maryland's iSchool Professional Internship or Clinical Experience
- Community Planning and Law (LCPL) Dual Degree Master School of Architecture, Planning and Preservation Off-site Professional Internship or Clinical Experience
- Community Planning and Physical Activity (CPPH) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Public Health Practice and Policy (CPPP) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Real Estate Development (CPDV) Dual Degree Master School of Architecture, Planning and Preservation Internship or Clinical Experience
- Comparative Biomedical Sciences (VMSC) Doctoral Master College of Agriculture and Natural Resources Research
- Comparative Literature (CMLT) Doctoral College of Arts and Humanities Research
- Computation and Mathematics for Biological Networks (Z132) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Computational Harmonic Analysis (Z023) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Computational Methods in Atmospheric & Oceanic Science (Z048) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Computer Networking (Z117) Certificate (non-degree) A. James Clark School of Engineering

- Computer Science (CMSC) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Computing Systems (Z118) Certificate (non-degree) A. James Clark School of Engineering
- Consecutive Interpreting (Z080) College of Arts and Humanities Certificate (non-degree)
- Counseling & Personnel Services (Z901) Certificate (non-degree) College of Education
- Counseling Psychology (COCN) Doctoral Master College of Education Research Internship or Clinical Experience
- Couple and Family Therapy (FCFT) Master School of Public Health Research Internship or Clinical Experience
- Creative Writing (CRWR) Master College of Arts and Humanities Research
- Criminal Justice Administration (online) (Z130) Certificate (non-degree) College of Behavioral and Social Sciences Fully online
- Criminology and Criminal Justice (CJCH) Master College of Behavioral and Social Sciences Professional
- Criminology and Criminal Justice (CRIM) Doctoral Master College of Behavioral and Social Sciences Research
- Critical Theory (Z017) College of Arts and Humanities Certificate (non-degree)
- Cultural and Heritage Resource Management (online) (MPCH) Master College of Behavioral and Social Sciences Professional Fully online
- Cultural and Heritage Resource Management (Z121) Certificate (non-degree) College of Behavioral and Social Sciences Fully online
- Curation and Management of Digital Assets (online) (Z093) Certificate (non-degree) College of Information, Maryland's iSchool
- Curriculum and Instruction (EDCI) Master College of Education Research Professional
- Cybersecurity Engineering (online) (MECY) Master A. James Clark School of Engineering Professional Fully online
- Cybersecurity Engineering (online) (Z092) Certificate (non-degree) A. James Clark School of Engineering Professional Fully online
- Cybersecurity Engineering (PMCY) Master A. James Clark School of Engineering Professional
- Cybersecurity Engineering (Z073) Certificate (non-degree) A. James Clark School of Engineering Professional
- Cybersecurity Leadership (Z077) Certificate (non-degree) The Robert H. Smith School of Business
- Dance (DANC) Master College of Arts and Humanities Research
- Data Journalism (online) (MPDJ) Master The Philip Merrill College of Journalism Professional Fully online
- Data Science (online) (SADO) Master College of Computer, Mathematical, and Natural Sciences Research Fully online
- Data Science (online) (Z136) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences Fully online
- Data Science (SADS) Master College of Computer, Mathematical, and Natural Sciences Research
- Data Science (Z104) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Data Science and Analytics (MPDA) Master College of Computer, Mathematical, and Natural Sciences Professional
- Data Science and Analytics (online) (MPDO) Master College of Computer, Mathematical, and Natural Sciences Fully online
- Digital Studies (Z110) College of Arts and Humanities Certificate (non-degree)
- Dual Language Education (online, Z150) Certificate (non-degree) College of Education Fully online
- Dual Language Education (Z149) Certificate (non-degree) College of Education
- Ecological Economics (Z009) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Economic Analysis (off-campus) (Z074) Certificate (non-degree) College of Behavioral and Social Sciences Off-site
- Economic Analysis (on-campus) (Z098) Certificate (non-degree) College of Behavioral and Social Sciences
- Economics (ECON) Doctoral Master College of Behavioral and Social Sciences Research
- Ecosystems Restoration (Z041) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Electrical and Computer Engineering (ENEE) Doctoral Master A. James Clark School of Engineering Research
- Electrical and Computer Engineering (PMEE) Master A. James Clark School of Engineering Professional
- Electrical and Computer Engineering (Z057) Certificate (non-degree) A. James Clark School of Engineering Professional
- Elementary & Middle School Science Education (Z051) Certificate (non-degree) College of Education
- Embedded Systems (online) (MEEM) Master A. James Clark School of Engineering Professional Fully online
- Embedded Systems (online) (Z162) Certificate (non-degree) A. James Clark School of Engineering Professional Fully online
- Embedded Systems (PMEM) Master A. James Clark School of Engineering Professional
- Embedded Systems (Z161) Certificate (non-degree) A. James Clark School of Engineering Professional

- Energy Systems Engineering (online) (MEEE)MasterA. James Clark School of EngineeringProfessionalFully online
- Energy Systems Engineering (online) (Z082)Certificate (non-degree)A. James Clark School of EngineeringProfessionalFully online
- Energy Systems Engineering (PMSU)MasterA. James Clark School of EngineeringProfessional
- Energy Systems Engineering (Z066)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- Engineering and Public Policy (MEPP)MasterA. James Clark School of EngineeringSchool of Public PolicyProfessional
- English Language and Literature (ENGL)DoctoralMasterCollege of Arts and HumanitiesResearch
