GRADUATE PROGRAMS

No results found, please try again. Reset selections.

- Accounting (BMAC)MasterThe Robert H. Smith School of BusinessProfessional
- Additive Manufacturing (PMAM)MasterA. James Clark School of EngineeringProfessional
- Additive Manufacturing (Z115)Certificate (non-degree)A. James Clark School of Engineering
- Administration, Supervision & Curriculum (Z900)Certificate (non-degree)College of Education
- Aerospace Engineering (ENAE)DoctoralMasterA. James Clark School of EngineeringResearch
- Aerospace Engineering (PMAE)MasterA. James Clark School of EngineeringProfessional
- Aerospace Engineering (Z053)Certificate (non-degree)A. James Clark School of Engineering
- African American Studies (Z096)College of Arts and HumanitiesCertificate (non-degree)
- Agricultural and Resource Economics (AREC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Air Quality Science and Technology (Z047)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- American Studies (AMST)DoctoralMasterCollege of Arts and HumanitiesResearch
- Animal Sciences (ANSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Anthropology (ANTH)DoctoralMasterCollege of Behavioral and Social SciencesResearch
- Applied Anthropology and Historic Preservation (AAHP)DoctoralDual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Applied Counseling and Human Services (Z069)Certificate (non-degree)College of Education
- Applied Economics (off-campus) (MPEC)MasterCollege of Behavioral and Social SciencesOff-siteProfessional
- Applied Economics (on-campus) (MPEM)MasterCollege of Behavioral and Social SciencesProfessional
- Applied Entomology (MPAE)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Applied Mathematics & Statistics, and Scientific Computation (AMSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Architecture (ARCH)MasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Community Planning (ARCP)DoctoralDual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Historic Preservation (ARHP)DoctoralDual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Real Estate Development (ARDV)DoctoralDual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Art History and Archaeology (ARTH)DoctoralMasterCollege of Arts and HumanitiesResearch
- Art Studio (ARTT)MasterCollege of Arts and HumanitiesResearch
- Astronomy (ASTR)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Atmospheric & Oceanic Science (Z046)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- Atmospheric and Oceanic Science (AOSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Atmospheric and Oceanic Science Technology (MPAO)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Beekeeping (Z088)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- Behavioral and Community Health (BCHL)DoctoralSchool of Public HealthResearch
- Behavioral and Community Health (MBCH)MasterCollege of Public HealthProfessional
- Biochemistry (BCHM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Bioengineering (BIOE)DoctoralMasterA. James Clark School of EngineeringResearch
- Bioengineering (online) (MEBI)MasterA. James Clark School of EngineeringProfessionalFully online
- Bioengineering (online) (Z083)Certificate (non-degree)A. James Clark School of EngineeringFully online
- Bioengineering (PMBI)MasterA. James Clark School of EngineeringProfessional
- Bioengineering (Z054)Certificate (non-degree)A. James Clark School of Engineering
- Biological Resources Engineering (ENBE)DoctoralMasterA. James Clark School of EngineeringResearch
- Biological Sciences (BISI)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Biophysics (BIPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Biostatistics (BIOS)MasterSchool of Public HealthProfessional
• Business Administration (B MBA)MasterThe Robert H. Smith School of BusinessProfessional
• Business Administration (Executive) (CMBA)MasterThe Robert H. Smith School of BusinessProfessional
• Business Administration (Executive) (EMBA)MasterThe Robert H. Smith School of BusinessProfessional
• Business Administration (online) (OMBA)MasterThe Robert H. Smith School of BusinessProfessionalFully online
• Business Administration and Accounting (BAAC)DualDegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Finance (BAFN)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Information Systems (BAIS)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Marketing Analytics (BAMA)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Nursing (BNRS)Dual DegreeMasterThe Robert H. Smith School of BusinessOff-siteResearchProfessional
• Business Administration and Pharmacy (BPHR)DoctoralDual DegreeMasterThe Robert H. Smith School of BusinessOff-siteProfessional
• Business Administration and Public Policy (BMPO)Dual DegreeMasterThe Robert H. Smith School of BusinessSchool of Public PolicyProfessional
• Business Administration and Real Estate Development (MBRE)Dual DegreeMasterSchool of Architecture, Planning and PreservationThe Robert H. Smith School of BusinessProfessional
• Business Administration and Social Work (BMSW)Dual DegreeMasterThe Robert H. Smith School of BusinessOff-siteProfessional
• Business Administration and Supply Chain Management (BASC)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Analytics (BMAN)MasterThe Robert H. Smith School of BusinessProfessional
• Business and Management (BMSB)MasterThe Robert H. Smith School of BusinessProfessional
• Business and Management (BPHD)DoctoralThe Robert H. Smith School of BusinessResearch
• Business Management and Law (LMBA)Dual DegreeMasterThe Robert H. Smith School of BusinessOff-siteProfessional
• Chemical Engineering (ENCH)DoctoralMasterA. James Clark School of EngineeringResearch
• Chemical Physics (CHPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Chemistry (CHEM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Civil and Environmental Engineering (ENCE)DoctoralMasterA. James Clark School of EngineeringResearch
• Civil and Environmental Engineering (PMCE)MasterA. James Clark School of EngineeringProfessional
• Civil and Environmental Engineering (Z056)Certificate (non-degree)A. James Clark School of Engineering
• Classics (CLAS)MasterCollege of Arts and HumanitiesResearch
• Clinical Audiology (CAUD)DoctoralDual DegreeCollege of Behavioral and Social SciencesResearchProfessional
• Clinical Psychological Science (MPPS)MasterCollege of Behavioral and Social SciencesProfessional
• Communication (COMM)DoctoralMasterCollege of Arts and HumanitiesResearch
• Communication Management (Z045)College of Arts and HumanitiesCertificate (non-degree)
• Community Counseling (CCOM)DoctoralMasterCollege of EducationResearch
• Community Planning (CMPL)MasterSchool of Architecture, Planning and PreservationProfessional
• Community Planning and Historic Preservation (CPHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
• Community Planning and Law (LCPL)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
• Comparative Literature (CMLT)DoctoralCollege of Arts and HumanitiesResearch
• Computational Harmonic Analysis (Z023)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Computational Methods in Atmospheric & Oceanic Science (Z048)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Computer Networking (Z117)Certificate (non-degree)A. James Clark School of Engineering
• Computer Science (CMSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Consecutive Interpreting (Z080)College of Arts and HumanitiesCertificate (non-degree)
• Corporate Innovation (MPCI)MasterA. James Clark School of EngineeringProfessional
• Counseling & Personnel Services (Z901)Certificate (non-degree)College of Education
• Counseling Psychology (COCP)DoctoralMasterCollege of EducationResearch
• Couple and Family Therapy (FCFT)MasterSchool of Public HealthResearch
• Creative Writing (CRWR)MasterCollege of Arts and HumanitiesResearch
• Criminology and Criminal Justice (CJCH)MasterCollege of Behavioral and Social SciencesProfessional
• Criminology and Criminal Justice (CRIM)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Critical Theory (2017)College of Arts and HumanitiesCertificate (non-degree)
• Cultural and Heritage Resource Management (MPCH)MasterCollege of Behavioral and Social SciencesProfessional
• Cultural and Heritage Resource Management (Z121)Certificate (non-degree)College of Behavioral and Social Sciences
• Curation and Management of Digital Assets (online) (Z993)Certificate (non-degree)College of Information Studies, Maryland’s iSchool
• Curriculum and Instruction (EDCI)MasterCollege of EducationResearchProfessional
• Curriculum and Instruction (Z902)Certificate (non-degree)College of Education
• Cybersecurity (online) (MECY)MasterA. James Clark School of EngineeringProfessionalFully online
• Cybersecurity Engineering (online) (Z902)MasterA. James Clark School of EngineeringFully online
• Cybersecurity Engineering (PMCY)MasterA. James Clark School of EngineeringProfessional
• Cybersecurity Engineering (Z073)Certificate (non-degree)A. James Clark School of Engineering
• Cybersecurity Leadership (Z077)Certificate (non-degree)The Robert H. Smith School of Business
• Dance (DANC)MasterCollege of Arts and HumanitiesResearch
• Data Science (Z104)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Digital Studies (Z110)College of Arts and HumanitiesCertificate (non-degree)
• Ecological Economics (Z009)Certificate (non-degree)College of Behavioral and Social Sciences
• Economic Analysis (off-campus) (Z074)Certificate (non-degree)College of Behavioral and Social SciencesOff-site
• Economic Analysis (on-campus) (Z998)Certificate (non-degree)College of Behavioral and Social Sciences
• Economics (ECON)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Ecosystems Restoration (Z041)Certificate (non-degree)College of Agriculture and Natural Resources
• Electrical and Computer Engineering (ENEE)DoctoralMasterA. James Clark School of EngineeringResearch
• Electrical and Computer Engineering (PMEE)MasterA. James Clark School of EngineeringProfessional
• Electrical and Computer Engineering (Z057)Certificate (non-degree)A. James Clark School of Engineering
• Electronic Packaging (online) (Z111)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Electronic Packaging (Z112)Certificate (non-degree)A. James Clark School of Engineering
• Electronic Packaging, Post-Baccalaureate Certificate (P.B.C.)
• Elementary & Middle School Science Education (Z051)Certificate (non-degree)College of Education
• Energetic Concepts Engineering (online) (MEEC)MasterA. James Clark School of EngineeringProfessionalFully online
• Energetic Concepts Engineering (online) (Z072)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Energy Systems Engineering (online) (MEEE)MasterA. James Clark School of EngineeringProfessionalFully online
• Energy Systems Engineering (online) (Z082)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Energy Systems Engineering (PMSU)MasterA. James Clark School of EngineeringProfessional
• Energy Systems Engineering (Z066)Certificate (non-degree)A. James Clark School of Engineering
• Energy Systems Engineering, Post-Baccalaureate Certificate (P.B.C.)
• Energy Systems Engineering, Post-Baccalaureate Certificate (P.B.C.)
• Energy Systems Management and Policy (Z107)Certificate (non-degree)A. James Clark School of Engineering
• Engineering and Public Policy (MEPP)MasterA. James Clark School of EngineeringSchool of Public PolicyProfessional
• English Language and Literature (ENGL)DoctoralMasterCollege of Arts and HumanitiesResearch
• Entomology (ENTM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Environmental Engineering (PMEN)MasterA. James Clark School of EngineeringProfessional
• Environmental Engineering (Z058)Certificate (non-degree)A. James Clark School of Engineering
• Environmental Health Sciences (ENVH)DoctoralMasterSchool of Public HealthResearch
• Environmental Health Sciences (MIEH)MasterSchool of Public HealthProfessional
• Environmental Health Sciences, Doctor of Philosophy (Ph.D.)
• Environmental Health Sciences, Master of Science (M.S.)
• Environmental Policy (EPOL)Certificate (non-degree)School of Public Policy
• Environmental Policy (Z008)Certificate (non-degree)School of Public Policy
• Environmental Science and Technology (ENST)DoctoralMasterSchool of Agriculture and Natural ResourcesResearch
• Epidemiology (EPDM)MasterSchool of Public HealthProfessional
• Epidemiology (EPID)DoctoralSchool of Public HealthResearch
• Ethnomusicology (MUET)DoctoralMasterCollege of Arts and HumanitiesResearch
• Executive Public Policy (EXPM)MasterSchool of Public PolicyProfessional
• Family Science (FMSC)DoctoralMasterSchool of Public HealthResearch
• Finance (BMFN)MasterThe Robert H. Smith School of BusinessProfessional
• Fire Protection Engineering (ENFP)MasterA. James Clark School of EngineeringResearch
• Fire Protection Engineering (online) (ENGF)MasterA. James Clark School of EngineeringFully online
• Fire Protection Engineering (online) (Z049)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Fire Protection Engineering (PMFP)MasterA. James Clark School of EngineeringProfessional
• Fire Protection Engineering (Z059)Certificate (non-degree)A. James Clark School of Engineering
• Food Safety Risk Assessment (Z027)Certificate (non-degree)College of Agriculture and Natural Resources
• French Studies (FRIT)MasterCollege of Arts and HumanitiesResearch
• Geographical Sciences (GEOG)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Geology (GEOL)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Geospatial Information Science (MPGC)MasterCollege of Behavioral and Social SciencesProfessional
• Geospatial Information Sciences (MPGS)MasterCollege of Behavioral and Social SciencesProfessional
• Geospatial Information Sciences (Z035)Certificate (non-degree)College of Behavioral and Social Sciences
• Geospatial Intelligence (MPGI)MasterCollege of Behavioral and Social SciencesProfessional
• Geospatial Intelligence (Z109)Certificate (non-degree)College of Behavioral and Social Sciences
• German Literature and Language (GERS)DoctoralMasterCollege of Arts and HumanitiesResearch
• Gerontology (doctoral level) (Z101)Certificate (non-degree)School of Public Health
• Gerontology (master’s level) (Z100)Certificate (non-degree)School of Public Health
• Global Health (Z070)Certificate (non-degree)School of Public Health
• Government & The Private Economy (Z002)Certificate (non-degree)School of Public Policy
• Government and Politics (GVPT)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Health Administration (HLSA)MasterSchool of Public HealthProfessional
• Health Equity (HLEQ)MasterSchool of Public HealthProfessional
• Health Policy Analysis and Evaluation (HPAE)MasterSchool of Public HealthProfessional
• Health Services (PHHS)DoctoralSchool of Public HealthResearch
• Hearing and Speech Sciences (HESP)DoctoralMasterCollege of Behavioral and Social SciencesResearchProfessional
• Higher Education (HIED)DoctoralMasterCollege of EducationResearch
• Historic Preservation (HISP)MasterSchool of Architecture, Planning and PreservationProfessional
• Historic Preservation (Z005)School of Architecture, Planning and PreservationCertificate (non-degree)
• Historic Preservation and Real Estate Development (HPDV)Dual DegreeSchool of Architecture, Planning and PreservationProfessional
• History (HIST)DoctoralMasterCollege of Arts and HumanitiesResearch
• History and Library & Information Science (HILS)Dual DegreeCollege of Arts and HumanitiesCollege of Information Studies, Maryland’s iSchoolResearchProfessional
• Housing, Finance & Development (Z007)Certificate (non-degree)School of Public Policy
• Human Development (EDHD)DoctoralMasterCollege of EducationResearch
• Human Development Education (Z903)Certificate (non-degree)College of Education
• Human-Computer Interaction (HCIM)MasterCollege of Information Studies, Maryland’s iSchoolResearch

• Industrial/Organizational Psychology (MPIO)MasterCollege of Behavioral and Social SciencesProfessional

• Information Assurance Management (Z026)Certificate (non-degree)School of Public Policy

• Information Management (INFM)MasterCollege of Information Studies, Maryland’s iSchoolProfessional

• Information Management (online) (MIMO)MasterCollege of Information Studies, Maryland’s iSchoolProfessional

• Information Studies (INFS)DoctoralCollege of Information Studies, Maryland’s iSchoolResearch

• Information Systems (BMIS)MasterThe Robert H. Smith School of BusinessProfessional

• Integrated Pest Management (Z089)Certificate (non-degree)College of Agriculture and Natural ResourcesCollege of Computer, Mathematical, and Natural Sciences

• Intelligence Analysis (Z021)Certificate (non-degree)School of Public Policy

• Intermediate Survey Methodology (Z011)Certificate (non-degree)College of Behavioral and Social Sciences

• International Education Policy (HIEP)DoctoralMasterCollege of EducationResearch

• Interpreting (MPIN)MasterCollege of Arts and HumanitiesProfessional

• Jewish Studies (JWST)MasterCollege of Arts and HumanitiesResearch

• Jewish Studies (Z018)College of Arts and HumanitiesCertificate (non-degree)

• Journalism (JOMJ)MasterThe Philip Merrill College of JournalismProfessional

• Journalism (JOST)DoctoralResearch

• Journalism (JOUR)MasterThe Philip Merrill College of JournalismResearch

• Justice Leadership (MPJL)MasterCollege of Behavioral and Social SciencesProfessional

• Kinesiology (KNES)DoctoralMasterSchool of Public HealthResearch

• Landscape Architecture (LARC)MasterCollege of Agriculture and Natural ResourcesProfessional

• Landscape Architecture and Community Planning (LACP)Dual DegreeMasterSchool of Architecture, Planning and PreservationCollege of Agriculture and Natural ResourcesProfessional

• Leadership Education & Development (MPLD)MasterCollege of EducationProfessional

• Library and Information Science (LBSC)MasterCollege of Information Studies, Maryland’s iSchoolProfessional

• Library and Information Science (online) (LBSO)MasterCollege of Information Studies, Maryland’s iSchoolProfessionalFully online

• Linguistics (LING)DoctoralMasterCollege of Arts and HumanitiesResearch

• Literacy Coaching (Z038)College of Arts and HumanitiesCertificate (non-degree)

• Marine, Estuarine, and Environmental Sciences (MEES)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch

• Marketing Analytics (BMMA)MasterThe Robert H. Smith School of BusinessProfessional

• Materials Science and Engineering (ENMA)DoctoralMasterA. James Clark School of EngineeringResearch

• Materials Science and Engineering (PMMS)MasterA. James Clark School of EngineeringProfessional

• Materials Science and Engineering (Z060)Certificate (non-degree)A. James Clark School of Engineering

• Maternal and Child Health (MCHS)DoctoralSchool of Public HealthResearch

• Mathematical Statistics (STAT)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch

• Mathematics (MATH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch

• Mathematics of Advanced Industrial Technology (MAIT)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional

• Mathematics of Advanced Industrial Technology (Z022)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences

• Measurement, Statistics & Evaluation (Z019)Certificate (non-degree)College of Education

• Measurement, Statistics and Evaluation (EDMS)DoctoralMasterCollege of EducationResearch

• Mechanical Engineering (ENME)DoctoralMasterA. James Clark School of EngineeringResearch

• Mechanical Engineering (PMME)MasterA. James Clark School of EngineeringResearch

• Mechanical Engineering (Z061)Certificate (non-degree)A. James Clark School of Engineering

• Methods of Public Analysis (Z001)Certificate (non-degree)School of Public Policy

• Modern French Studies (FRMS)DoctoralCollege of Arts and HumanitiesResearch
• MSDE Administrator I Certification (Z052)Certificate (non-degree)College of Education
• Multimedia Journalism (Z071)Certificate (non-degree)The Philip Merrill College of Journalism
• Museum Scholarship & Material Culture (Z016)Certificate (non-degree)College of Arts and Humanities
• Music (MUSA)DoctoralMasterCollege of Arts and HumanitiesResearch
• Music (MUSC)DoctoralMasterCollege of Arts and HumanitiesResearch
• Music Education (MUED)MasterCollege of Arts and HumanitiesResearch
• National Security Studies (Z003)Certificate (non-degree)School of Public Policy
• Neuroscience and Cognitive Sciences (Z037)Certificate (non-degree)College of Behavioral and Social Sciences
• Neurosciences and Cognitive Science (NACS)DoctoralMasterCollege of Behavioral and Social Sciences
• Nonprofit Management and Leadership (Z116)Certificate (non-degree)School of Public Policy
• Nuclear Engineering (ENNU)DoctoralMasterA. James Clark School of Engineering
• Nuclear Engineering (online) (MENU)MasterA. James Clark School of EngineeringProfessional Fully online
• Nuclear Engineering (online) (Z050)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Nuclear Engineering (PMNU)MasterA. James Clark School of EngineeringProfessional
• Nuclear Engineering (Z062)Certificate (non-degree)A. James Clark School of Engineering
• Nutrition and Food Science (NFSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
• Organic and Sustainable Agriculture (Z090)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Performance (MFAP)MasterCollege of Arts and HumanitiesResearch
• Philosophy (PHIL)DoctoralMasterCollege of Arts and HumanitiesResearch
• Physical Activity (PHAC)MasterSchool of Public HealthProfessional
• Physics (PHYS)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Plant Science (PLSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
• Policy Studies (EDPS)MasterCollege of EducationResearch
• Policy Studies (POS1)DoctoralSchool of Public PolicyResearch
• Population Studies (Z036)Certificate (non-degree)College of Behavioral and Social Sciences
• Principles of Public Health (Z076)Certificate (non-degree)School of Public Health
• Professional Communication for Enhanced English Fluency (online) (Z105)Certificate (non-degree)College of Arts and HumanitiesCertificate (non-degree) Fully online
• Professional Communication for Enhanced English Fluency (Z106)Certificate (non-degree)College of Arts and HumanitiesCertificate (non-degree)
• Project Management (online) (MEPM)MasterA. James Clark School of EngineeringProfessional Fully online
• Project Management (online) (Z040)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Project Management (PMPM)MasterA. James Clark School of EngineeringProfessional
• Project Management (Z063)Certificate (non-degree)A. James Clark School of Engineering
• Psychology (PSYC)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Public Administration (MPPA)MasterSchool of Public PolicyProfessional
• Public Financial Management (Z094)Certificate (non-degree)School of Public Policy
• Public Health Informatics (Z028)Certificate (non-degree)School of Public Health
• Public Health Practice and Policy (PHPP)MasterSchool of Public HealthProfessional
• Public Management (MAMG)MasterSchool of Public PolicyProfessional
• Public Management (Z004)Certificate (non-degree)School of Public Policy
• Public Policy (MAPO)MasterSchool of Public PolicyProfessional
• Public Policy and Law (LMPO)MasterSchool of Public PolicyOff-site Professional
• Public Policy and Sustainable Development & Conservation Biology (PPCN)Dual DegreeMasterCollege of Computer, Mathematical, and Natural SciencesSchool of Public PolicyResearchProfessional
• Public Sector Finance & Acquisition (Z033)Certificate (non-degree)School of Public Policy
• Quantitative Finance (BMQF)MasterThe Robert H. Smith School of BusinessProfessional
• Radar Signal Processing (Z031)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Real Estate Development (MPRE)MasterSchool of Architecture, Planning and PreservationProfessional
• Real Estate Development (RDEV)MasterSchool of Architecture, Planning and PreservationProfessional
• Real Estate Development (Z029)School of Architecture, Planning and PreservationCertificate (non-degree)
• Regulatory Science and Engineering (Z087)Certificate (non-degree)A. James Clark School of Engineering
• Reliability Engineering (ENRE)DoctoralMasterA. James Clark School of EngineeringResearch
• Reliability Engineering (online) (MERE)MasterA. James Clark School of EngineeringProfessionalFully online
• Reliability Engineering (Z042)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Reliability Engineering (PMRE)MasterA. James Clark School of EngineeringProfessional
• Reliability Engineering (Z064)Certificate (non-degree)A. James Clark School of Engineering
• Risk, Compliance, and the Law (Z108)Certificate (non-degree)College of Behavioral and Social Sciences
• Robotics (PMRO)MasterA. James Clark School of EngineeringProfessional
• Robotics Engineering (Z084)Certificate (non-degree)A. James Clark School of Engineering
• School Counseling (COSC)MasterCollege of EducationProfessional
• School Librarianship (Z114)Certificate (non-degree)College of Information Studies, Maryland’s iSchool
• School Psychology (COSP)DoctoralMasterCollege of EducationResearch
• School System Leadership (EDUC)DoctoralCollege of EducationProfessional
• Scientific Computation (Z014)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Second Language Acquisition (SLMA)MasterCollege of Arts and HumanitiesResearch
• Second Language Acquisition (SLPH)DoctoralCollege of Arts and HumanitiesResearch
• Second Language Acquisition (Z081)College of Arts and HumanitiesCertificate (non-degree)
• Sociology (SOCY)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Software Engineering (PMES)MasterA. James Clark School of EngineeringProfessional
• Software Engineering (Z065)Certificate (non-degree)A. James Clark School of Engineering
• Spanish Language and Literature (SPAP)DoctoralMasterCollege of Arts and HumanitiesResearch
• Special Education (EDSP)DoctoralMasterCollege of EducationResearchProfessional
• Special Education (Z905)Certificate (non-degree)College of Education
• Speech Language Pathology (SPLA)MasterCollege of Behavioral and Social SciencesResearch
• Student Affairs (HISA)DoctoralMasterCollege of EducationResearch
• Supply Chain Management (BMSC)MasterThe Robert H. Smith School of BusinessProfessional
• Survey and Data Science (online) (MPDS)College of Behavioral and Social SciencesProfessionalFully online
• Survey Methodology (SURV)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Survey Statistics (Z101)Certificate (non-degree)College of Behavioral and Social Sciences
• Sustainable Development and Conservation Biology (CONS)MasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Systems Engineering (ENSE)MasterA. James Clark School of EngineeringResearch
• Systems Engineering (PMSE)MasterA. James Clark School of EngineeringProfessional
• Systems Engineering (Z067)Certificate (non-degree)A. James Clark School of Engineering
• Teaching and Learning, Policy and Leadership (TLPL)DoctoralMasterCollege of EducationResearch
• Teaching English to Speakers of Other Languages (Z099)Certificate (non-degree)College of Education
• Technology Entrepreneurship (MPTE)MasterA. James Clark School of EngineeringProfessional
• Technology Ventures and Innovation (Z068)Certificate (non-degree)A. James Clark School of Engineering
• Telecommunications (ENTS)MasterA. James Clark School of EngineeringResearch
• Terrorism Analysis (Z039)Certificate (non-degree)College of Behavioral and Social Sciences
• Theatre and Performance Studies (THPF)DoctoralMasterCollege of Arts and HumanitiesResearch
• Theatre Design (MFAT)MasterCollege of Arts and HumanitiesResearch
• Toxicology (TOXI)DoctoralMasterSchool of Public HealthResearch
• Translation (MPTR)MasterCollege of Arts and HumanitiesProfessional
• Translation (Z079)Certificate (non-degree)
• Transportation Policy and Planning (Z030) School of Architecture, Planning and Preservation Certificate (non-degree)

• Transportation Systems (online) (METS) Master A. James Clark School of Engineering Professional Fully online

• Transportation Systems (online) (Z102) Certificate (non-degree) A. James Clark School of Engineering Fully online

• Urban Agriculture (Z091) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences

• Urban and Regional Planning and Design (URPD) Doctoral School of Architecture, Planning and Preservation Research

• Urban Design (Z012) School of Architecture, Planning and Preservation Certificate (non-degree)

• Veterinary Medical Sciences (VMSC) Doctoral Master College of Agriculture and Natural Resources Research

• Veterinary Medicine (VMED) Doctoral College of Agriculture and Natural Resources Professional

• Wireless Communications (Z120) Certificate (non-degree) A. James Clark School of Engineering

• Women’s Studies (WMST) Doctoral Master College of Arts and Humanities Research

• Women’s Studies (Z006) College of Arts and Humanities Certificate (non-degree)

• World Languages Education (Z095) Certificate (non-degree) College of Education

• Youth Experience (Z113) Certificate (non-degree) College of Information Studies, Maryland’s iSchool

• //
