- Accounting (BMAC)MasterThe Robert H. Smith School of Business
  Professional
- Accounting (online) (OMAC)MasterThe Robert H. Smith School of Business
  Fully online
- Administration, Supervision & Curriculum (Z900)Certificate (non-degree)
  College of Education
- Aerospace Engineering (ENAE)DoctoralMasterA. James Clark School of
  Engineering Research
- Aerospace Engineering (PMAE)MasterA. James Clark School of
  Engineering Professional
- Aerospace Engineering (Z053)Certificate (non-degree)A. James Clark
  School of Engineering Professional
- African American Studies (Z096)Certificate (non-degree)College of
  Behavioral and Social Sciences
- Agricultural and Resource Economics (AREC)DoctoralMasterCollege
  of Agriculture and Natural Resources Research
- Air Quality Science and Technology (Z047)Certificate (non-degree)
  College of Computer, Mathematical, and Natural Sciences
- American Studies (AMST)DoctoralMasterCollege of Arts and
  Humanities Research
- Animal Sciences (ANSC)DoctoralMasterCollege of Agriculture and
  Natural Resources Research
- Anthropology (ANTH)DoctoralMasterCollege of Behavioral and Social
  Sciences Research Internship or Clinical Experience
- Applied Anthropology and Historic Preservation (AAHP)Dual
  DegreeMasterSchool of Architecture, Planning and Preservation
  Professional Internship or Clinical Experience
- Applied Counseling and Human Services (Z069)Certificate (non-degree)
  College of Education
- Applied Economics (off-campus) (ECAO)MasterCollege of Behavioral
  and Social Sciences Off-site
- Applied Economics (off-campus) (MPEC)MasterCollege of Behavioral
  and Social Sciences Off-site Professional
- Applied Economics (on-campus) (ECAM)MasterCollege of Behavioral
  and Social Sciences Professional
- Applied Economics (on-campus) (MPEM)MasterCollege of Behavioral
  and Social Sciences Professional
- Applied Economics (online) (ECAE)MasterCollege of Behavioral
  and Social Sciences Professional Fully online
- Applied Entomology (MPAE)MasterCollege of Computer, Mathematical,
  and Natural Sciences Professional Fully online
- Applied Epidemiology (online) (Z152)Certificate (non-degree)
  School of Public Health Fully online
- Applied Machine Learning (online) (SAMO)MasterCollege of
  Computer, Mathematical, and Natural Sciences Research Fully online
- Applied Machine Learning (SAML)MasterCollege of Computer,
  Mathematical, and Natural Sciences Research
- Applied Mathematics & Statistics, and Scientific Computation
  (AMSC)DoctoralMasterCollege of Computer, Mathematical, and
  Natural Sciences Research
- Applied Political Analytics (APAN)MasterCollege of Behavioral and
  Social Sciences Professional
- Architecture (ARCH)MasterSchool of Architecture, Planning and
  Preservation Research Professional
- Architecture and Community Planning (ARCP)Dual
  DegreeMasterSchool of Architecture, Planning and Preservation
  Professional Internship or Clinical Experience
- Architecture and Historic Preservation (ARHP)Dual
  DegreeMasterSchool of Architecture, Planning and Preservation
  Professional
- Architecture and Real Estate Development (ARDV)Dual
  DegreeMasterSchool of Architecture, Planning and Preservation
  Professional
- Art History and Archaeology (ARTH)DoctoralMasterCollege of Arts
  and Humanities Research
- Art Studio (ARTT)MasterCollege of Arts and Humanities Research
- Arts Entrepreneurship (Z166)College of Arts and
  Humanities Certificate (non-degree)
- Astronomy (ASTR)DoctoralMasterCollege of Computer, Mathematical,
  and Natural Sciences Research
- Atmospheric & Oceanic Science (Z046)Certificate (non-degree)
  College of Computer, Mathematical, and Natural Sciences
- Atmospheric and Oceanic Science (AOSO)DoctoralMasterCollege of
  Computer, Mathematical, and Natural Sciences Research
- Atmospheric and Oceanic Science Technology (MPAO)MasterCollege
  of Computer, Mathematical, and Natural Sciences Professional
- Beekeeping (Z088)Certificate (non-degree)College of Computer,
  Mathematical, and Natural Sciences Fully online
- Behavioral and Community Health (BCHL)DoctoralSchool of Public
  Health Research
- Behavioral and Community Health (MBCH)MasterSchool of Public
  Health Professional Master of Public Health
- Behavioral and Community Health (MBCO)MasterSchool of Public
  Health Fully online Master of Public Health
- Bilingual Speech-Language Pathology (Z125)Certificate (non-degree)
  College of Behavioral and Social Sciences
• Bilingual Speech-Language Pathology for Practitioners (online) (2167)Certificate (non-degree) College of Behavioral and Social Sciences

• Business Administration and Information Systems (BAIS)Dual DegreeMasterThe Robert H. Smith School of Business Professional

• Biochemistry (BCHM)DoctoralMasterCollege of Computer, Mathematical, and Natural Sciences Research

• Bioinformatics and Computational Biology (MPBC)MasterCollege of Computer, Mathematical, and Natural Sciences Professional

• Bioinformatics and Computational Biology (online) (SABO)MasterCollege of Computer, Mathematical, and Natural Sciences Research Fully online

• Bioinformatics and Computational Biology (SABI)MasterCollege of Computer, Mathematical, and Natural Sciences Research

• Biological Resources Engineering (ENBE)DoctoralMasterA. James Clark School of Engineering Research

• Biological Sciences (BISI)DoctoralMasterCollege of Computer, Mathematical, and Natural Sciences Research

• Biophysics (BIPH)DoctoralMasterCollege of Computer, Mathematical, and Natural Sciences Research

• Biostatistics (BIOS)MasterSchool of Public Health Professional Master of Public Health

• Business Administration (BDBA)DoctoralThe Robert H. Smith School of Business

• Business Administration (BDBA)The Robert H. Smith School of Business Professional

• Business Administration (online) (OMBA)MasterThe Robert H. Smith School of Business Professional Fully online

• Business Administration and Accounting (BAAC)Dual DegreeMasterThe Robert H. Smith School of Business Professional

• Business Administration and Business Analytics (BABA)MasterThe Robert H. Smith School of Business Professional

• Business Administration and Finance (BAFN)Dual DegreeMasterThe Robert H. Smith School of Business Professional
• Civil and Environmental Engineering (ENCE) Doctoral Master A. James Clark School of Engineering Research
• Civil and Environmental Engineering (PMCE) Master A. James Clark School of Engineering Professional
• Civil and Environmental Engineering (Z056) Certificate (non-degree) A. James Clark School of Engineering Professional
• Classics (CLAS) Master College of Arts and Humanities Research
• Climate Policy and Action (online) (Z164) Certificate (non-degree) School of Public Policy Fully online
• Climate Policy and Action (Z163) Certificate (non-degree) School of Public Policy
• Clinical Audiology (CAUD) Doctoral Dual Degree College of Behavioral and Social Sciences Research Professional Internship or Clinical Experience
• Clinical Psychological Science (MPPS) Master College of Behavioral and Social Sciences Professional
• Cloud Engineering (online) (MECL) Master A. James Clark School of Engineering Professional Fully online
• Cloud Engineering (online) (Z169) Certificate (non-degree) A. James Clark School of Engineering Professional
• Cloud Engineering (PMCL) Master A. James Clark School of Engineering Professional
• Cloud Engineering (Z168) Certificate (non-degree) A. James Clark School of Engineering
• Communication (COMM) Doctoral Master College of Arts and Humanities Research
• Communication Management (Z045) College of Arts and Humanities Certificate (non-degree)
• Community Counseling (COCM) Doctoral Master College of Education Research
• Community Planning (CMPL) Master School of Architecture, Planning and Preservation Professional Internship or Clinical Experience
• Community Planning and Behavioral/Community Health (CPMB) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
• Community Planning and Biostatistics (CPBI) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
• Community Planning and Epidemiology (CPEP) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
• Community Planning and Environmental Health Sciences (CPHES) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
• Community Planning and Health Administration (CPHA) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
• Community Planning and Health Administration (CPHA) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
• Community Planning and Health Equity (CPHLE) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
• Community Planning and Health Policy Analysis and Evaluation (CPAE) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
• Community Planning and Historic Preservation (CPHP) Dual Degree Master School of Architecture, Planning and Preservation Professional Internship or Clinical Experience
• Community Planning and Information Management (CPIM) Dual Degree Master School of Architecture, Planning and Preservation School of Information, Maryland's iSchool Professional Internship or Clinical Experience
• Community Planning and Law (LCPL) Dual Degree Master School of Architecture, Planning and Preservation School of Law Professional Internship or Clinical Experience
• Community Planning and Public Health Practice and Policy (CPPP) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
• Community Planning and Real Estate Development (CPDEV) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
• Comparative Biomedical Sciences (VMSC) Doctoral Master College of Agriculture and Natural Resources Research
• Comparative Literature (CMLT) Doctoral College of Arts and Humanities Research
• Computation and Mathematics for Biological Networks (Z132) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
• Computational Harmonic Analysis (Z023) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
• Computational Methods in Atmospheric & Oceanic Science (Z048) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
• Computer Networking (Z117) Certificate (non-degree) A. James Clark School of Engineering
• Computer Science (CMSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch

• Computing Systems (Z118)Certificate (non-degree)A. James Clark School of Engineering

• Consecutive Interpreting (Z080)College of Arts and HumanitiesCertificate (non-degree)

• Counseling & Personnel Services (Z901)Certificate (non-degree)College of Education

• Counseling Psychology (COCP)DoctoralMasterCollege of EducationResearchInternship or Clinical Experience
