- Accounting (BMAC)MasterThe Robert H. Smith School of BusinessProfessional
- Accounting (online) (OMAC)MasterThe Robert H. Smith School of BusinessFully online
- Administration, Supervision & Curriculum (Z900)Certificate (non-degree)College of Education
- Aerospace Engineering (ENAE)DoctoralMasterA. James Clark School of EngineeringResearch
- Aerospace Engineering (PMAE)MasterA. James Clark School of EngineeringProfessional
- Aerospace Engineering (Z053)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- African American Studies (Z096)Certificate (non-degree)College of Behavioral and Social Sciences
- Agricultural and Resource Economics (AREC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Air Quality Science and Technology (Z047)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- American Studies (AMST)DoctoralMasterCollege of Arts and HumanitiesResearch
- Animal Sciences (ANSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Anthropology (ANTH)DoctoralMasterCollege of Behavioral and Social SciencesResearchInternship or Clinical Experience
- Applied Anthropology and Historic Preservation (AAHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationCollege of Behavioral and Social SciencesProfessionalInternship or Clinical Experience
- Applied Counseling and Human Services (Z069)Certificate (non-degree)College of Education
- Applied Economics (off-campus) (ECAO)MasterCollege of Behavioral and Social SciencesOff-site
- Applied Economics (off-campus) (MPEC)MasterCollege of Behavioral and Social SciencesOff-siteProfessional
- Applied Economics (on-campus) (ECAM)MasterCollege of Behavioral and Social SciencesProfessional
- Applied Economics (on-campus) (MPEM)MasterCollege of Behavioral and Social SciencesProfessional
- Applied Economics (online) (ECAE)MasterCollege of Behavioral and Social SciencesProfessionalFully online
- Applied Entomology (MPAE)MasterCollege of Computer, Mathematical, and Natural SciencesProfessionalFully online
- Applied Epidemiology (online) (Z152)Certificate (non-degree)School of Public HealthFully online
- Applied Machine Learning (online) (SAMO)MasterCollege of Computer, Mathematical, and Natural SciencesResearchFully online
- Applied Political Analytics (APAN)MasterCollege of Behavioral and Social SciencesProfessional
- Architecture (ARCH)MasterSchool of Architecture, Planning and PreservationResearchProfessional
- Architecture and Community Planning (ARCP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessionalInternship or Clinical Experience
- Architecture and Historic Preservation (ARHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Real Estate Development (ARDV)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Art History and Archaeology (ARTH)DoctoralMasterCollege of Arts and HumanitiesResearch
- Art Studio (ARTT)MasterCollege of Arts and HumanitiesResearch
- Arts Entrepreneurship (Z166)College of Arts and HumanitiesCertificate (non-degree)
- Astronomy (ASTR)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Atmospheric & Oceanic Science (Z046)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- Atmospheric and Oceanic Science (AOSO)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Atmospheric and Oceanic Science Technology (MPAO)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Beekeeping (Z088)Certificate (non-degree)College of Computer, Mathematical, and Natural SciencesFully online
- Behavioral and Community Health (BCHL)DoctoralSchool of Public HealthResearch
- Behavioral and Community Health (MBCH)MasterSchool of Public HealthProfessionalMaster of Public Health
- Behavioral and Community Health (on-campus) (MBCO)MasterSchool of Public HealthFully onlineMaster of Public Health
- Bilingual Speech-Language Pathology (Z125)Certificate (non-degree)College of Behavioral and Social Sciences
• Bilingual Speech-Language Pathology for Practitioners (online) (Z167)Certificate (non-degree)College of Behavioral and Social Sciences
• Bilingual Speech-Language Pathology for Practitioners (Z141)Certificate (non-degree)College of Behavioral and Social Sciences
• Biochemistry (BCHM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Bioengineering (BIOE)DoctoralMasterA. James Clark School of EngineeringResearch
• Bioengineering (online) (MEBI)MasterA. James Clark School of EngineeringProfessionalFully online
• Bioengineering (online) (Z083)Certificate (non-degree)A. James Clark School of EngineeringProfessionalFully online
• Bioengineering (PMBI)MasterA. James Clark School of EngineeringProfessional
• Bioengineering (Z054)Certificate (non-degree)A. James Clark School of EngineeringProfessional
• Bioinformatics and Computational Biology (MPBC)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
• Bioinformatics and Computational Biology (online) (SABO)MasterCollege of Computer, Mathematical, and Natural SciencesResearchFully online
• Bioinformatics and Computational Biology (SABI)MasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Biological Resources Engineering (ENBE)DoctoralMasterA. James Clark School of EngineeringResearch
• Biological Sciences (BISI)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Biophysics (BIPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Biostatistics (BIOS)MasterCollege of Public HealthProfessionalMaster of Public Health
• Business Administration (BDBA)DoctoralThe Robert H. Smith School of Business
• Business Administration (BMBA)MasterThe Robert H. Smith School of BusinessProfessional
• Business Administration (online) (OMBA)MasterThe Robert H. Smith School of BusinessProfessionalFully online
• Business Administration and Accounting (BAAC)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Business Analytics (BABA)MasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Finance (BAFN)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Information Systems (BAIS)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Marketing Analytics (BAMA)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Medicine (BMED)DoctoralDual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Nursing (BNRS)Dual DegreeMasterThe Robert H. Smith School of BusinessOff-site Professional
• Business Administration and Pharmacy (BPFR)DoctoralDual DegreeMasterThe Robert H. Smith School of BusinessOff-site Professional
• Business Administration and Public Policy (BMPO)Dual DegreeMasterThe Robert H. Smith School of BusinessSchool of Public PolicyProfessional
• Business Administration, Executive (CMBA)MasterThe Robert H. Smith School of BusinessProfessional
• Business Administration, Executive (EMBA)MasterThe Robert H. Smith School of BusinessProfessional
• Business Analytics (BMAN)MasterThe Robert H. Smith School of BusinessProfessional
• Business Analytics (online) (OMAN)MasterThe Robert H. Smith School of BusinessProfessionalFully online
• Business and Management (BPHD)DoctoralThe Robert H. Smith School of BusinessResearch
• Business Management and Law (LMBA)Dual DegreeMasterThe Robert H. Smith School of BusinessOff-site Professional
• Chemical and Biomolecular Engineering (PMCH)MasterA. James Clark School of EngineeringProfessional
• Chemical and Biomolecular Engineering (Z055)Certificate (non-degree)A. James Clark School of EngineeringProfessional
• Chemical and Life Sciences (CLFS)MasterCollege of Computer, Mathematical, and Natural SciencesProfessionalFully online
• Chemical Engineering (ENCH)DoctoralMasterA. James Clark School of EngineeringResearch
• Chemical Physics (CHPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Chemistry (CHEM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Civil and Environmental Engineering (ENCE) Doctoral Master A. James Clark School of Engineering Research

• Civil and Environmental Engineering (PMCE) Master A. James Clark School of Engineering Professional

• Civil and Environmental Engineering (Z056) Certificate (non-degree) A. James Clark School of Engineering Professional

• Classics (CLAS) Master College of Arts and Humanities Research

• Climate Policy and Action (online) (Z164) Certificate (non-degree) School of Public Policy Fully online

• Climate Policy and Action (Z163) Certificate (non-degree) School of Public Policy

• Clinical Audiology (CAUD) Doctoral Dual Degree College of Behavioral and Social Sciences Research Professional Internship or Clinical Experience

• Clinical Psychological Science (MPPS) Master College of Behavioral and Social Sciences Professional

• Cloud Engineering (online) (MECL) Master A. James Clark School of Engineering Professional Fully online

• Cloud Engineering (online) (Z169) Certificate (non-degree) A. James Clark School of Engineering Professional

• Cloud Engineering (PMCL) Master A. James Clark School of Engineering Professional

• Cloud Engineering (Z168) Certificate (non-degree) A. James Clark School of Engineering

• Communication (COMM) Doctoral Master College of Arts and Humanities Research

• Communication Management (Z045) College of Arts and Humanities Certificate (non-degree)

• Community Counseling (COCM) Doctoral Master College of Education Research

• Community Planning (CMPL) Master School of Architecture, Planning and Preservation Professional Internship or Clinical Experience

• Community Planning and Behavioral/Community Health (CPMB) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health

• Community Planning and Biostatistics (CPBI) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health

• Community Planning and Environmental Health Sciences (CPMI) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health

• Community Planning and Epidemiology (CPEP) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health

• Community Planning and Health Administration (CPHA) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience

• Community Planning and Health Equity (CPHL) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health

• Community Planning and Health Policy Analysis and Evaluation (CPAE) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health

• Community Planning and Historic Preservation (CPHP) Dual Degree Master School of Architecture, Planning and Preservation Professional Internship or Clinical Experience

• Community Planning and Information Management (CPIM) Dual Degree Master School of Architecture, Planning and Preservation College of Information Studies, Maryland’s iSchool Professional Internship or Clinical Experience

• Community Planning and Law (LCPL) Dual Degree Master School of Architecture, Planning and Preservation Off-site Professional Internship or Clinical Experience

• Community Planning and Physical Activity (CPPH) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health

• Community Planning and Public Health Practice and Policy (CPPPP) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health

• Community Planning and Real Estate Development (CPDV) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience

• Comparative Biomedical Sciences (VMSC) Doctoral Master College of Agriculture and Natural Resources Research

• Comparative Literature (CMLT) Doctoral College of Arts and Humanities Research

• Computation and Mathematics for Biological Networks (Z132) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences

• Computational Harmonic Analysis (Z023) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences

• Computational Methods in Atmospheric & Oceanic Science (Z048) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences

• Computer Networking (Z117) Certificate (non-degree) A. James Clark School of Engineering
• Computer Science (CMSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Computing Systems (Z118)Certificate (non-degree)A. James Clark School of Engineering
• Consecutive Interpreting (Z080)College of Arts and HumanitiesCertificate (non-degree)
• Counseling & Personnel Services (Z901)Certificate (non-degree)College of Education
• Counseling Psychology (COCP)DoctoralMasterCollege of EducationResearchInternship or Clinical Experience
• Couple and Family Therapy (FCFT)MasterSchool of Public HealthResearchInternship or Clinical Experience
• Creative Writing (CRWR)MasterCollege of Arts and HumanitiesResearch
• Criminal Justice Administration (online) (Z130)Certificate (non-degree)College of Behavioral and Social SciencesFully online
