- Accounting (BMAC)MasterThe Robert H. Smith School of BusinessProfessional
- Additive Manufacturing (PMAM)MasterA. James Clark School of EngineeringProfessional
- Additive Manufacturing (Z115)Certificate (non-degree)A. James Clark School of Engineering
- Administration, Supervision & Curriculum (Z900)Certificate (non-degree)College of Education
- Aerospace Engineering (ENAE)DoctoralMasterA. James Clark School of EngineeringResearch
- Aerospace Engineering (PMAE)MasterA. James Clark School of EngineeringProfessional
- Aerospace Engineering (Z053)Certificate (non-degree)A. James Clark School of Engineering
- African American Studies (Z096)College of Arts and HumanitiesCertificate (non-degree)
- Agricultural and Resource Economics (AREC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Air Quality Science and Technology (Z047)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- American Studies (AMST)DoctoralMasterCollege of Arts and HumanitiesResearch
- Animal Sciences (ANSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Anthropology (ANTH)DoctoralMasterCollege of Behavioral and Social SciencesResearch
- Applied Anthropology and Historic Preservation (AAHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Applied Counseling and Human Services (Z069)Certificate (non-degree)College of Education
- Applied Economics (off-campus) (MPEC)MasterCollege of Behavioral and Social SciencesOff-siteProfessional
- Applied Economics (on-campus) (MPEM)MasterCollege of Behavioral and Social SciencesProfessional
- Applied Entomology (MPAE)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Applied Mathematics & Statistics, and Scientific Computation (AMSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Architecture (ARCH)MasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Community Planning (ARCP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Historic Preservation (ARHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Real Estate Development (ARDV)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Art History and Archaeology (ARTH)DoctoralMasterCollege of Arts and HumanitiesResearch
- Art Studio (ARTT)MasterCollege of Arts and HumanitiesResearch
- Astronomy (ASTR)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Atmospheric & Oceanic Science (Z046)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- Atmospheric and Oceanic Science (AOSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Atmospheric and Oceanic Science Technology (MPAO)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Beekeeping (Z088)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- Behavioral and Community Health (BCHL)DoctoralSchool of Public HealthResearch
- Behavioral and Community Health (MBCH)MasterSchool of Public HealthProfessional
- Bilingual Speech-Language Pathology (Z125)Certificate (non-degree)College of Behavioral and Social Sciences
- Biochemistry (BCHM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Bioengineering (BIOE)DoctoralMasterA. James Clark School of EngineeringResearch
- Bioengineering (online) (MEBI)MasterA. James Clark School of EngineeringProfessionalFully online
- Bioengineering (online) (Z083)Certificate (non-degree)A. James Clark School of EngineeringFully online
- Bioengineering (PMBI)MasterA. James Clark School of EngineeringProfessional
- Bioengineering (Z054)Certificate (non-degree)A. James Clark School of Engineering
- Biological Resources Engineering (ENBE)DoctoralMasterA. James Clark School of EngineeringResearch
- Biological Sciences (BISI)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Biophysics (BIPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Biostatistics (BIOS)MasterSchool of Public HealthProfessional
• Business Administration (BMBA)MasterThe Robert H. Smith School of BusinessProfessional
• Business Administration (Executive) (CMBA)MasterThe Robert H. Smith School of BusinessProfessional
• Business Administration (Executive) (EMBA)MasterThe Robert H. Smith School of BusinessProfessional
• Business Administration (online) (OMBA)MasterThe Robert H. Smith School of BusinessProfessionalFully online
• Business Administration and Accounting (BAAC)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Finance (BAFN)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Information Systems (BAIS)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Marketing Analytics (BAMA)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Administration and Nursing (BNRS)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessionalOff-siteProfessional
• Business Administration and Public Policy (BMPO)Dual DegreeMasterThe Robert H. Smith School of BusinessSchool of Public PolicyProfessional
• Business Administration and Real Estate Development (MBRE)Dual DegreeMasterSchool of Architecture, Planning and PreservationThe Robert H. Smith School of BusinessProfessional
• Business Administration and Social Work (BMSW)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessionalOff-siteProfessional
• Business Administration and Supply Chain Management (BASC)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional
• Business Analytics (BMAN)MasterThe Robert H. Smith School of BusinessProfessional
• Business and Management (BMSB)MasterThe Robert H. Smith School of BusinessProfessional
• Business and Management (BPHD)DoctoralThe Robert H. Smith School of BusinessResearch
• Business Management and Law (LMBA)Dual DegreeMasterThe Robert H. Smith School of BusinessOff-siteProfessional
• Chemical and Biomolecular Engineering (PMCH)MasterA. James Clark School of EngineeringProfessional
• Chemical and Biomolecular Engineering (Z055)Certificate (non-degree)A. James Clark School of Engineering
• Chemical and Life Sciences (CLFS)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
• Chemical Engineering (ENCH)DoctoralMasterA. James Clark School of EngineeringResearch
• Chemical Physics (CHPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Chemistry (CHEM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Civil and Environmental Engineering (ENCE)DoctoralMasterA. James Clark School of EngineeringResearch
• Civil and Environmental Engineering (PMCE)MasterA. James Clark School of EngineeringProfessional
• Civil and Environmental Engineering (Z056)Certificate (non-degree)A. James Clark School of Engineering
• Classics (CLAS)MasterCollege of Arts and HumanitiesResearch
• Clinical Audiology (CAUD)DoctoralDual DegreeCollege of Behavioral and Social SciencesResearchProfessional
• Clinical Psychological Science (MPPS)MasterCollege of Behavioral and Social SciencesProfessional
• Communication (COMM)DoctoralMasterCollege of Arts and HumanitiesResearch
• Communication Management (Z045)College of Arts and HumanitiesCertificate (non-degree)
• Community Counseling (COCM)DoctoralMasterCollege of EducationResearch
• Community Planning (CMPL)MasterSchool of Architecture, Planning and PreservationProfessional
• Community Planning and Historic Preservation (CPHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
• Community Planning and Law (LCPL)Dual DegreeMasterSchool of Architecture, Planning and PreservationOff-siteProfessional
• Comparative Literature (CMLT)DoctoralCollege of Arts and HumanitiesResearch
• Computational Harmonic Analysis (Z023)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Computational Methods in Atmospheric & Oceanic Science (Z048)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Computer Networking (Z117)Certificate (non-degree)A. James Clark School of Engineering
• Computer Science (CMSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Consecutive Interpreting (Z080)College of Arts and HumanitiesCertificate (non-degree)
• Corporate Innovation (MPCI)MasterA. James Clark School of EngineeringProfessional
• Counseling & Personnel Services (Z901)Certificate (non-degree)College of Education
• Counseling Psychology (COPP)DoctoralMaster of EducationResearch
• Couple and Family Therapy (FCFT)MasterSchool of Public HealthResearch
• Creative Writing (CRWR)MasterCollege of Arts and HumanitiesResearch
• Criminology and Criminal Justice (CJCH)MasterCollege of Behavioral and Social SciencesProfessional
• Criminology and Criminal Justice (CRIM)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Critical Theory (Z017)College of Arts and HumanitiesCertificate (non-degree)
• Cultural and Heritage Resource Management (MPCH)MasterCollege of Behavioral and Social SciencesProfessional
• Cultural and Heritage Resource Management (Z121)Certificate (non-degree)College of Behavioral and Social Sciences
• Curation and Management of Digital Assets (online) (Z093)Certificate (non-degree)College of Information Studies, Maryland’s iSchool
• Curriculum and Instruction (EDCI)MasterCollege of EducationResearchProfessional
• Curriculum and Instruction (Z902)Certificate (non-degree)College of Education
• Cybersecurity (online) (MEEC)MasterA. James Clark School of EngineeringProfessionalFully online
• Cybersecurity Engineering (online) (Z092)MasterA. James Clark School of EngineeringFully online
• Cybersecurity Engineering (PMEE)MasterA. James Clark School of EngineeringProfessional
• Cybersecurity Engineering (Z073)Certificate (non-degree)A. James Clark School of Engineering
• Cybersecurity Leadership (Z077)Certificate (non-degree)The Robert H. Smith School of Business
• Dance (DANC)MasterCollege of Arts and HumanitiesResearch
• Data Science (Z104)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Digital Studies (Z110)College of Arts and HumanitiesCertificate (non-degree)
• Ecological Economics (Z009)Certificate (non-degree)College of Behavioral and Social Sciences
• Economic Analysis (off-campus) (Z074)Certificate (non-degree)College of Behavioral and Social Sciences
• Economic Analysis (on-campus) (Z098)Certificate (non-degree)College of Behavioral and Social Sciences
• Economics (ECON)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Ecosystems Restoration (Z041)Certificate (non-degree)College of Agriculture and Natural Resources
• Electrical and Computer Engineering (ENEE)MasterA. James Clark School of EngineeringResearch
• Electrical and Computer Engineering (PMEE)MasterA. James Clark School of EngineeringProfessional
• Electrical and Computer Engineering (Z057)Certificate (non-degree)A. James Clark School of Engineering
• Electronic Packaging (online) (Z111)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Electronic Packaging (Z112)Certificate (non-degree)A. James Clark School of Engineering
• Elementary & Middle School Science Education (Z051)Certificate (non-degree)College of Education
• Energy Systems Engineering (Z107)Certificate (non-degree)A. James Clark School of Engineering
• Energy Systems Engineering (Z066)Certificate (non-degree)A. James Clark School of Engineering
• Energy Systems Engineering (online) (MEEE)MasterA. James Clark School of EngineeringProfessionalFully online
• Energy Systems Engineering (online) (Z082)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Energy Systems Engineering (PMSU)MasterA. James Clark School of EngineeringProfessional
• Energy Systems Engineering (Z066)Certificate (non-degree)A. James Clark School of Engineering
• Energy Systems Management and Policy (Z107)Certificate (non-degree)A. James Clark School of Engineering
• Engineering and Public Policy (MEPP)MasterA. James Clark School of EngineeringSchool of Public PolicyProfessional
• English Language and Literature (ENGL)DoctoralMasterCollege of Arts and HumanitiesResearch
• Entomology (ENTM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Environmental Engineering (PMEN)MasterA. James Clark School of EngineeringProfessional
• Environmental Engineering (Z058)Certificate (non-degree)A. James Clark School of Engineering
• Environmental Health Sciences (ENVH) DoctoralMaster School of Public HealthResearch
• Environmental Health Sciences (MIEH) Master School of Public HealthProfessional
• Environmental Policy (EPOL) Certificate (non-degree) School of Public Policy
• Environmental Policy (2008) Certificate (non-degree) School of Public Policy
• Environmental Science and Technology (ENST) DoctoralMaster College of Agriculture and Natural Resources Research
• Epidemiology (EPDM) Master School of Public Health Professional
• Epidemiology (EPID) Doctoral School of Public Health Research
• Ethnomusicology (MUET) Doctoral Master College of Arts and Humanities Research
• Executive Public Policy (EXPM) Master School of Public Policy Professional
• Family Science (FMSC) Doctoral Master School of Public Health Research
• Finance (BMFN) Master The Robert H. Smith School of Business Professional
• Financial Risk Management (Z122) Certificate (non-degree) The Robert H. Smith School of Business
• Fire Protection Engineering (ENFP) Master A. James Clark School of Engineering Research
• Fire Protection Engineering (online) (ENGF) Master A. James Clark School of Engineering Fully online
• Fire Protection Engineering (online) (Z049) Certificate (non-degree) A. James Clark School of Engineering Fully online
• Fire Protection Engineering (PMFP) Master A. James Clark School of Engineering Professional
• Fire Protection Engineering (Z059) Certificate (non-degree) A. James Clark School of Engineering
• Food Safety Risk Assessment (Z027) Certificate (non-degree) College of Agriculture and Natural Resources
• French Studies (FRIT) Master College of Arts and Humanities Research
• Geographical Sciences (GEOG) Doctoral Master College of Behavioral and Social Sciences Research
• Geology (GEOL) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
• Geospatial Information Science (MPGC) Master College of Behavioral and Social Sciences Professional
• Geospatial Information Sciences (MPGS) Master College of Behavioral and Social Sciences Professional
• Geospatial Information Sciences (Z035) Certificate (non-degree) College of Behavioral and Social Sciences
• Geospatial Intelligence (MPGI) Master College of Behavioral and Social Sciences Professional
• Geospatial Intelligence (Z109) Certificate (non-degree) College of Behavioral and Social Sciences
• German Literature and Language (GERS) Doctoral Master College of Arts and Humanities Research
• Gerontology (doctoral level) (Z101) Certificate (non-degree) School of Public Health
• Gerontology (master's level) (Z100) Certificate (non-degree) School of Public Health
• Global Health (Z070) Certificate (non-degree) School of Public Health
• Government & The Private Economy (Z002) Certificate (non-degree) School of Public Policy
• Government and Politics (GVPT) Doctoral Master College of Behavioral and Social Sciences Research
• Health Administration (HLSA) Master School of Public Health Professional
• Health Equity (HLEQ) Master School of Public Health Professional
• Health Policy Analysis and Evaluation (HPAE) Master School of Public Health Professional
• Health Services (PHHS) Doctoral School of Public Health Research
• Hearing and Speech Sciences (HESP) Doctoral Master College of Behavioral and Social Sciences Research Professional
• Higher Education (HIED) Doctoral Master College of Education Research
• Historic Preservation (HISP) Master School of Architecture, Planning and Preservation Professional
• Historic Preservation (Z005) School of Architecture, Planning and Preservation Certificate (non-degree)
• Historic Preservation and Real Estate Development (HPDV) Dual Degree School of Architecture, Planning and Preservation Professional
• History (HIST) Doctoral Master College of Arts and Humanities Research
• History and Library & Information Science (HILS) Dual Degree College of Arts and Humanities College of Information Studies, Maryland's iSchool Research Professional
• Housing, Finance & Development (Z007) Certificate (non-degree) School of Public Policy
• Human Development (EDHD) Doctoral Master College of Education Research
• Human Development Education (Z903) Certificate (non-degree) College of Education
• Human-Computer Interaction (HCIM)MasterCollege of Information Studies, Maryland’s iSchoolResearch
• Industrial/Organizational Psychology (MPIO)MasterCollege of Behavioral and Social SciencesProfessional
• Information Assurance Management (Z026)Certificate (non-degree)School of Public Policy
• Information Management (INFM)MasterCollege of Information Studies, Maryland’s iSchoolProfessional
• Information Management (MIMO)MasterCollege of Information Studies, Maryland’s iSchoolProfessional
• Information Studies (INFS)DoctoralCollege of Information Studies, Maryland’s iSchoolProfessionalFully online
• Information Systems (BMIS)MasterThe Robert H. Smith School of BusinessProfessional
• Integrated Pest Management (Z089)Certificate (non-degree)College of Agriculture and Natural ResourcesCollege of Computer, Mathematical, and Natural Sciences
• Intelligence Analysis (Z2021)Certificate (non-degree)School of Public Policy
• Intermediate Survey Methodology (Z011)Certificate (non-degree)College of Behavioral and Social Sciences
• International Education Policy (HIEP)DoctoralMasterCollege of EducationResearch
• Interpreting (MPIN)MasterCollege of Arts and HumanitiesProfessional
• Jewish Studies (JWST)MasterCollege of Arts and HumanitiesResearch
• Jewish Studies (Z2018)College of Arts and HumanitiesCertificate (non-degree)
• Journalism (JOMJ)MasterThe Philip Merrill College of JournalismProfessional
• Journalism (JOST)DoctoralResearch
• Journalism (JOUR)MasterThe Philip Merrill College of JournalismResearch
• Justice Leadership (MPJL)MasterCollege of Behavioral and Social SciencesProfessional
• Kinesiology (KNES)DoctoralMasterSchool of Public HealthResearch
• Landscape Architecture (LARC)MasterCollege of Agriculture and Natural ResourcesProfessional
• Landscape Architecture and Community Planning (LACP)Dual DegreeMasterSchool of Architecture, Planning and PreservationCollege of Agriculture and Natural ResourcesProfessional
• Leadership Education & Development (MPLD)MasterCollege of EducationProfessional
• Leading and Managing Healthcare Transformation (Z2124)Certificate (non-degree)The Robert H. Smith School of Business
• Library and Information Science (LBSC)MasterCollege of Information Studies, Maryland’s iSchoolProfessional
• Library and Information Science (online) (LBSD)MasterCollege of Information Studies, Maryland’s iSchoolProfessionalFully online
• Linguistics (LING)DoctoralMasterCollege of Arts and HumanitiesResearch
• Literacy Coaching (Z038)College of Arts and HumanitiesCertificate (non-degree)
• Marine, Estuarine, and Environmental Sciences (MEES)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Marketing Analytics (BMMA)MasterThe Robert H. Smith School of BusinessProfessional
• Materials Science and Engineering (ENMA)DoctoralMasterA. James Clark School of EngineeringResearch
• Materials Science and Engineering (PMMS)MasterA. James Clark School of EngineeringProfessional
• Materials Science and Engineering (Z060)Certificate (non-degree)A. James Clark School of Engineering
• Maternal and Child Health (MCHS)DoctoralSchool of Public HealthResearch
• Mathematical Statistics (STAT)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Mathematics (MATH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Mathematics of Advanced Industrial Technology (MAIT)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
• Mathematics of Advanced Industrial Technology (Z2022)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Measurement, Statistics and Evaluation (EDMS)DoctoralMasterCollege of EducationResearch
• Mechanical Engineering (ENME)DoctoralMasterA. James Clark School of EngineeringResearch
• Mechanical Engineering (PMME)MasterA. James Clark School of EngineeringResearch
• Mechanical Engineering (Z061)Certificate (non-degree)A. James Clark School of Engineering
• Methods of Public Analysis (Z2001)Certificate (non-degree)School of Public Policy
• Modern French Studies (FRMS)DoctoralCollege of Arts and HumanitiesResearch
• MSDE Administrator I Certification (Z052)Certificate (non-degree)College of Education
• Multimedia Journalism (Z071)Certificate (non-degree)The Philip Merrill College of Journalism
• Museum Scholarship & Material Culture (Z016)College of Arts and HumanitiesCertificate (non-degree)
• Music (MUSA)DoctoralMasterCollege of Arts and HumanitiesResearch
• Music (MUSC)DoctoralMasterCollege of Arts and HumanitiesResearch
• Music Education (MUED)MasterCollege of Arts and HumanitiesResearch
• National Security Studies (Z003)Certificate (non-degree)School of Public Policy
• Neuroscience and Cognitive Sciences (Z037)Certificate (non-degree)College of Behavioral and Social Sciences
• Neurosciences and Cognitive Science (NACS)DoctoralMasterCollege of Behavioral and Social Sciences
• Nonprofit Management and Leadership (Z116)Certificate (non-degree)School of Public Policy
• Nuclear Engineering (ENNU)DoctoralMasterA. James Clark School of Engineering
• Nuclear Engineering (online) (MEPM)MasterA. James Clark School of EngineeringProfessionalFully online
• Nuclear Engineering (online) (Z050)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Nuclear Engineering (PMNU)MasterA. James Clark School of EngineeringProfessional
• Nuclear Engineering (Z062)Certificate (non-degree)A. James Clark School of Engineering
• Nutrition and Food Science (NFSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
• Organic and Sustainable Agriculture (Z090)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Performance (MFAP)MasterCollege of Arts and HumanitiesResearch
• Philosophy (PHIL)DoctoralMasterCollege of Arts and HumanitiesResearch
• Physical Activity (PHAC)MasterSchool of Public HealthProfessional
• Physics (PHYS)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Plant Science (PLSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
• Policy Studies (EDPS)MasterCollege of EducationResearch
• Policy Studies (POSI)DoctoralSchool of Public PolicyResearch
• Population Studies (Z036)Certificate (non-degree)College of Behavioral and Social Sciences
• Principles of Public Health (Z076)Certificate (non-degree)School of Public Health
• Professional Communication for Enhanced English Fluency (online) (Z105)College of Arts and HumanitiesCertificate (non-degree)Fully online
• Professional Communication for Enhanced English Fluency (online) (Z106)College of Arts and HumanitiesCertificate (non-degree)
• Project Management (online) (MEPM)MasterA. James Clark School of EngineeringProfessionalFully online
• Project Management (online) (Z040)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Project Management (PMPM)MasterA. James Clark School of EngineeringProfessional
• Project Management (Z063)Certificate (non-degree)A. James Clark School of Engineering
• Psychology (PSYC)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Public Administration (MPPA)MasterSchool of Public PolicyProfessional
• Public Financial Management (Z094)Certificate (non-degree)School of Public Policy

• Public Sector Finance & Acquisition (Z033)Certificate (non-degree)School of Public Policy
• Quantitative Finance (BMQF)MasterThe Robert H. Smith School of BusinessProfessional
• Radar Signal Processing (Z031)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Real Estate Development (MPRE)MasterSchool of Architecture, Planning and PreservationProfessional
• Real Estate Development (RDEV)MasterSchool of Architecture, Planning and PreservationProfessional
• Real Estate Development (Z029)Certificate (non-degree)A. James Clark School of Engineering
• Regulatory Science and Engineering (Z087)Certificate (non-degree)A. James Clark School of Engineering
• Reliability Engineering (ENRE)DoctoralMaster A. James Clark School of Engineering
• Reliability Engineering (online) (MERE)Master A. James Clark School of EngineeringProfessionalFully online
• Reliability Engineering (online) (Z042)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Reliability Engineering (PMRE)Master A. James Clark School of EngineeringProfessional
• Reliability Engineering (Z064)Certificate (non-degree)A. James Clark School of Engineering
• Risk, Compliance, and the Law (Z108)Certificate (non-degree)College of Behavioral and Social Sciences
• Robotics (PMRO)Master A. James Clark School of EngineeringProfessional
• Robotics Engineering (Z084)Certificate (non-degree)A. James Clark School of Engineering
• School Counseling (COSC)Master College of Education Professional
• School Librarianship (Z114)Certificate (non-degree)College of Information Studies, Maryland’s iSchool
• School Psychology (COSP)DoctoralMaster College of Education Research
• School System Leadership (EDUC)Doctoral College of Education Professional
• Scientific Computation (Z014)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Second Language Acquisition (SLMA)Master College of Arts and Humanities Research
• Second Language Acquisition (SLPH)Doctoral College of Arts and Humanities Research
• Second Language Acquisition (Z081)Certificate (non-degree)A. James Clark School of Engineering
• Sociology (SOCY)DoctoralMaster College of Behavioral and Social Sciences Research
• Software Engineering (PMES)Master A. James Clark School of Engineering Professional
• Software Engineering (Z065)Certificate (non-degree)A. James Clark School of Engineering
• Spanish Language and Literature (SPAP)DoctoralMaster College of Arts and Humanities Research
• Special Education (EDSP)DoctoralMaster College of Education Research Professional
• Special Education (Z905)Certificate (non-degree)College of Education
• Special Education for General Education Teachers in Inclusive Classrooms (Z123)Certificate (non-degree)College of Education Fully online
• Speech Language Pathology (SPLA)Master College of Behavioral and Social Sciences Research
• Student Affairs (HISA)Doctoral Master College of Education Research
• Supply Chain Management (BMSC)Master The Robert H. Smith School of Business Professional
• Survey and Data Science (online) (MPDS)College of Behavioral and Social Sciences Professional Fully online
• Survey Methodology (SURV)Doctoral Master College of Behavioral and Social Sciences Research
• Survey Statistics (Z010)Certificate (non-degree)College of Behavioral and Social Sciences
• Sustainable Development and Conservation Biology (CONS)Master College of Computer, Mathematical, and Natural Sciences Research
• Systems Engineering (ENSE)Master A. James Clark School of Engineering Research
• Systems Engineering (PMSE)Master A. James Clark School of Engineering Professional
• Systems Engineering (Z067)Certificate (non-degree)A. James Clark School of Engineering
• Teaching and Learning, Policy and Leadership (TLPL)Doctoral College of Education Research
• Teaching English to Speakers of Other Languages (Z099)Certificate (non-degree)College of Education
• Technology Entrepreneurship (MPTE)Master A. James Clark School of Engineering Professional
• Technology Ventures and Innovation (Z068)Certificate (non-degree)A. James Clark School of Engineering
• Telecommunications (ENTS)Master A. James Clark School of Engineering Research
• Terrorism Analysis (Z039)Certificate (non-degree)College of Behavioral and Social Sciences
• Theatre and Performance Studies (THPF)Doctoral Master College of Arts and Humanities Research
• Theatre Design (MFAT)Master College of Arts and Humanities Research
• Toxicology (TOXI)Doctoral Master School of Public Health Research
• Translation (MPTR)MasterCollege of Arts and HumanitiesProfessional

• Translation (Z079)College of Arts and HumanitiesCertificate (non-degree)

• Transportation Policy and Planning (Z030)School of Architecture, Planning and PreservationCertificate (non-degree)

• Transportation Systems (online) (METS)Master A. James Clark School of EngineeringProfessionalFully online

• Transportation Systems (online) (Z102)Certificate (non-degree)A. James Clark School of EngineeringFully online

• Urban Agriculture (Z091)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences

• Urban and Regional Planning and Design (URPD)DoctoralSchool of Architecture, Planning and PreservationResearch

• Urban Design (Z012)School of Architecture, Planning and PreservationCertificate (non-degree)

• Veterinary Medical Sciences (VMSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch

• Veterinary Medicine (VMED)DoctoralCollege of Agriculture and Natural ResourcesProfessional

• Wireless Communications (Z120)Certificate (non-degree)A. James Clark School of Engineering

• Women’s Studies (WMST)DoctoralMasterCollege of Arts and HumanitiesResearch

• Women’s Studies (Z006)College of Arts and HumanitiesCertificate (non-degree)

• World Languages Education (Z095)Certificate (non-degree)College of Education
