- Accounting (BMAC) MasterThe Robert H. Smith School of BusinessProfessional
- Accounting (online) (OMAC) MasterThe Robert H. Smith School of BusinessFully online
- Administration, Supervision & Curriculum (Z900) Certificate (non-degree) College of Education
- Aerospace Engineering (ENAE) Doctoral MasterA. James Clark School of EngineeringResearch
- Aerospace Engineering (PMAE) MasterA. James Clark School of EngineeringProfessional
- Aerospace Engineering (Z053) Certificate (non-degree) A. James Clark School of Engineering
- African American Studies (Z096) Certificate (non-degree) College of Behavioral and Social Sciences
- Agricultural and Resource Economics (AREC) Doctoral Master College of Agriculture and Natural ResourcesResearch
- Air Quality Science and Technology (Z047) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- American Studies (AMST) Doctoral Master College of Arts and HumanitiesResearch
- Animal Sciences (ANSC) Doctoral Master College of Agriculture and Natural ResourcesResearch
- Anthropology (ANTH) Doctoral Master College of Behavioral and Social SciencesResearch Internship or Clinical Experience
- Applied Anthropology and Historic Preservation (AAHP) Dual Degree Master School of Architecture, Planning and Preservation College of Behavioral and Social SciencesProfessional Internship or Clinical Experience
- Applied Counseling and Human Services (Z069) Certificate (non-degree) College of Education
- Applied Economics (off-campus) (ECAO) Master College of Behavioral and Social Sciences Off-site
- Applied Economics (off-campus) (MPEC) Master College of Behavioral and Social Sciences Off-site Professional
- Applied Economics (on-campus) (ECAM) Master College of Behavioral and Social Sciences Professional
- Applied Economics (on-campus) (MPEM) Master College of Behavioral and Social Sciences Professional
- Applied Entomology (MPAE) Master College of Computer, Mathematical, and Natural Sciences Professional Fully online
- Applied Epidemiology (online) (Z152) Certificate (non-degree) School of Public Health Fully online
- Applied Mathematics & Statistics, and Scientific Computation (AMSC) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Applied Political Analytics (APAN) Master College of Behavioral and Social Sciences Professional
- Architecture (ARCH) Master School of Architecture, Planning and Preservation Research Professional
- Architecture and Community Planning (ARCP) Dual Degree Master School of Architecture, Planning and Preservation Professional
- Architecture and Historic Preservation (ARHP) Dual Degree Master School of Architecture, Planning and Preservation Professional
- Art History and Archaeology (ARTH) Doctoral Master College of Arts and Humanities Research
- Art Studio (ARTT) Master College of Arts and Humanities Research
- Arts Entrepreneurship (Z166) College of Arts and Humanities Certificate (non-degree)
- Astronomy (ASTR) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Atmospheric & Oceanic Science (Z046) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Atmospheric and Oceanic Science (AOSC) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Atmospheric and Oceanic Science Technology (MPAO) Master College of Computer, Mathematical, and Natural Sciences Professional
- Beekeeping (Z088) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences Fully online
- Behavioral and Community Health (BCHL) Doctoral School of Public Health Research
- Behavioral and Community Health (MBCH) Master School of Public Health Professional Master of Public Health
- Behavioral and Community Health (online) (MBCO) Master School of Public Health Fully online Master of Public Health
- Bilingual Speech-Language Pathology (Z125) Certificate (non-degree) College of Behavioral and Social Sciences
- Bilingual Speech-Language Pathology for Practitioners (Z141) Certificate (non-degree) College of Behavioral and Social Sciences
- Biochemistry (BCHM) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Bioengineering (BIOE) Doctoral Master A. James Clark School of Engineering Research
Graduate Programs

- Bioengineering (online) (MEBI)\textit{Master}\textit{A. James Clark School of Engineering} Professional Fully online
- Bioengineering (online) (Z083)\textit{Certificate (non-degree)} A. James Clark School of Engineering Fully online
- Bioengineering (Z054)\textit{Certificate (non-degree)} A. James Clark School of Engineering
- Bioinformatics and Computational Biology (MPBC)\textit{Master}\textit{College of Computer, Mathematical, and Natural Sciences} Professional
- Biological Resources Engineering (ENBE)\textit{Doctoral Master}\textit{A. James Clark School of Engineering} Research
- Biological Sciences (BISI)\textit{Doctoral Master}\textit{College of Computer, Mathematical, and Natural Sciences} Research
- Biophysics (BIPH)\textit{Doctoral Master}\textit{College of Computer, Mathematical, and Natural Sciences} Research
- Biostatistics (BIOS)\textit{Master}\textit{School of Public Health} Professional Master of Public Health
- Business Administration (BDBA)\textit{Doctoral The Robert H. Smith School of Business}
- Business Administration (BMBA)\textit{Master The Robert H. Smith School of Business} Professional
- Business Administration (online) (OMBA)\textit{Master The Robert H. Smith School of Business} Professional
- Business Administration and Accounting (BAAC)\textit{Dual Degree Master The Robert H. Smith School of Business} Professional
- Business Administration and Business Analytics (BABA)\textit{Master The Robert H. Smith School of Business} Professional
- Business Administration and Finance (BAFN)\textit{Dual Degree Master The Robert H. Smith School of Business} Professional
- Business Administration and Information Systems (BAIS)\textit{Dual Degree Master The Robert H. Smith School of Business} Professional
- Business Administration and Marketing Analytics (BAMA)\textit{Dual Degree Master The Robert H. Smith School of Business} Professional
- Business Administration and Medicine (BMED)\textit{Doctoral Dual Degree Master The Robert H. Smith School of Business} Professional
- Business Administration and Nursing (BNRS)\textit{Dual Degree The Robert H. Smith School of Business} Off-site Research Professional
- Business Administration and Pharmacy (BPHR)\textit{Doctoral Dual Degree Master The Robert H. Smith School of Business} Off-site Professional
- Business Administration and Public Policy (BMPO)\textit{Dual Degree Master The Robert H. Smith School of Business} School of Public Policy Professional
- Business Administration and Real Estate Development (MBRE)\textit{Dual Degree Master School of Architecture, Planning and Preservation} The Robert H. Smith School of Business Professional
- Business Administration and Social Work (BMSW)\textit{Dual Degree Master The Robert H. Smith School of Business} Off-site Professional
- Business Administration and Supply Chain Management (BASC)\textit{Dual Degree Master The Robert H. Smith School of Business} Professional
- Business Administration, Executive (CMBA)\textit{Master The Robert H. Smith School of Business} Professional
- Business Administration, Executive (EMBA)\textit{Master The Robert H. Smith School of Business} Professional
- Business Analytics (BMAN)\textit{Master The Robert H. Smith School of Business} Professional
- Business Analytics (online) (OMAN)\textit{Master The Robert H. Smith School of Business} Professional Fully online
- Business and Management (BPHD)\textit{Doctoral The Robert H. Smith School of Business} Research
- Business and Management and Law (LMBA)\textit{Dual Degree Master The Robert H. Smith School of Business} Off-site Professional
- Chemical and Biomolecular Engineering (PMCH)\textit{Master A. James Clark School of Engineering} Professional
- Chemical and Biomolecular Engineering (Z055)\textit{Certificate (non-degree)} A. James Clark School of Engineering
- Chemical and Life Sciences (CLFS)\textit{Master College of Computer, Mathematical, and Natural Sciences} Professional Fully online
- Chemical Engineering (ENCH)\textit{Doctoral Master A. James Clark School of Engineering} Research
- Chemical Physics (CHPH)\textit{Doctoral Master College of Computer, Mathematical, and Natural Sciences} Research
- Chemistry (CHEM)\textit{Doctoral Master College of Computer, Mathematical, and Natural Sciences} Professional
- Civil and Environmental Engineering (ENCE)\textit{Doctoral Master A. James Clark School of Engineering} Research
- Civil and Environmental Engineering (PMCE)\textit{Master A. James Clark School of Engineering} Professional
- Civil and Environmental Engineering (Z056)\textit{Certificate (non-degree)} A. James Clark School of Engineering
- Classics (CLAS)\textit{Master College of Arts and Humanities} Research
- Climate Policy and Action (online) (Z164)\textit{Certificate (non-degree)} School of Public Policy Fully online
- Climate Policy and Action (Z163)\textit{Certificate (non-degree)} School of Public Policy
- Clinical Audiology (CAUD)\textit{Doctoral Dual Degree College of Behavioral and Social Sciences} Research Professional Internship or Clinical Experience
- Clinical Psychological Science (MPPS) Master College of Behavioral and Social Sciences Professional
- Communication (COMM) Doctoral Master College of Arts and Humanities Research
- Communication Management (Z045) College of Arts and Humanities Certificate (non-degree)
- Community Counseling (CCOM) Doctoral Master College of Education Research
- Community Planning (CMPL) Master School of Architecture, Planning and Preservation Professional Internship or Clinical Experience
- Community Planning and Environmental Health Sciences (CPMB) Dual Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Biostatistics (CPBI) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Epidemiology (CPEP) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Health Administration (CPHA) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience
- Community Planning and Health Equity (CPHL) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Health Policy Analysis and Evaluation (CPAE) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Historic Preservation (CPHP) Dual Degree Master School of Architecture, Planning and Preservation Professional Internship or Clinical Experience
- Community Planning and Information Management (CPIM) Dual Degree Master School of Architecture, Planning and Preservation College of Information Studies, Maryland’s iSchool Professional Internship or Clinical Experience
- Community Planning and Law (LCPL) Dual Degree Master School of Architecture, Planning and Preservation Off-site Professional Internship or Clinical Experience
- Community Planning and Physical Activity (CPPH) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Public Health Practice and Policy (CPPP) Dual Degree Master School of Architecture, Planning and Preservation School of Public Health Professional Internship or Clinical Experience Master of Public Health
- Community Planning and Real Estate Development (CPDV) Dual Degree Master School of Architecture, Planning and Preservation Professional Internship or Clinical Experience
- Comparative Biomedical Sciences (VMSC) Doctoral Master College of Agriculture and Natural Resources Research
- Comparative Literature (CMLT) Doctoral College of Arts and Humanities Research
- Computation and Mathematics for Biological Networks (Z132) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Computational Harmonic Analysis (Z023) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Computational Methods in Atmospheric & Oceanic Science (Z048) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Computer Networking (Z117) Certificate (non-degree) A. James Clark School of Engineering
- Computer Science (CMSC) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Computing Systems (Z118) Certificate (non-degree) A. James Clark School of Engineering
- Consecutive Interpreting (Z080) College of Arts and Humanities Certificate (non-degree)
- Counseling & Personnel Services (Z901) Certificate (non-degree) College of Education
- Counseling Psychology (COCP) Doctoral Master College of Education Research Professional Internship or Clinical Experience
- Couple and Family Therapy (FCFT) Master School of Public Health Research Internship or Clinical Experience
- Creative Writing (CRWR) Master College of Arts and Humanities Research
- Criminal Justice Administration (online) (Z130) Certificate (non-degree) College of Behavioral and Social Sciences Full Online
- Criminology and Criminal Justice (CJCH) Master College of Behavioral and Social Sciences Professional
- Criminology and Criminal Justice (CRIM) Doctoral Master College of Behavioral and Social Sciences Research
- Critical Theory (Z17) College of Arts and Humanities Certificate (non-degree)
