- Accounting (BMAC)MasterThe Robert H. Smith School of BusinessProfessional
- Additive Manufacturing (PMAM)MasterA. James Clark School of EngineeringProfessional
- Additive Manufacturing (Z115)Certificate (non-degree)A. James Clark School of Engineering
- Administration, Supervision & Curriculum (Z900)Certificate (non-degree)College of Education
- Aerospace Engineering (ENAE)DoctoralMasterA. James Clark School of EngineeringResearch
- Aerospace Engineering (PMAE)MasterA. James Clark School of EngineeringProfessional
- Aerospace Engineering (Z053)Certificate (non-degree)A. James Clark School of Engineering
- African American Studies (Z096)College of Arts and HumanitiesCertificate (non-degree)
- Agricultural and Resource Economics (AREC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Air Quality Science and Technology (Z047)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- American Studies (AMST)DoctoralMasterCollege of Arts and HumanitiesResearch
- Animal Sciences (ANSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Anthropology (ANTH)DoctoralMasterCollege of Behavioral and Social SciencesResearch
- Applied Anthropology and Historic Preservation (AAHP)DoctoralMasterSchool of Architecture, Planning and PreservationCollege of Behavioral and Social SciencesProfessional
- Applied Counseling and Human Services (Z069)Certificate (non-degree)College of Education
- Applied Economics (off-campus) (MPEC)MasterCollege of Behavioral and Social SciencesProfessional
- Applied Economics (on-campus) (MPEM)MasterCollege of Behavioral and Social SciencesProfessional
- Applied Entomology (MPAE)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Applied Mathematics & Statistics, and Scientific Computation (AMSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Architecture (ARCH)MasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Community Planning (ARCP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Historic Preservation (ARHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Real Estate Development (ARDV)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Art History and Archaeology (ARTH)DoctoralMasterCollege of Arts and HumanitiesResearch
- Art Studio (ARTT)MasterCollege of Arts and HumanitiesResearch
- Astronomy (ASTR)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Atmospheric & Oceanic Science (Z046)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- Atmospheric and Oceanic Science (AOSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Atmospheric and Oceanic Science Technology (MPAO)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Beekeeping (Z088)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- Behavioral and Community Health (BCHL)DoctoralSchool of Public HealthResearch
- Behavioral and Community Health (MBCH)MasterSchool of Public HealthProfessional
- Bilingual Speech-Language Pathology (Z125)Certificate (non-degree)College of Behavioral and Social Sciences
- Biochemistry (BCHM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Bioengineering (BIOE)DoctoralMasterA. James Clark School of EngineeringResearch
- Bioengineering (online) (MEBI)MasterA. James Clark School of EngineeringProfessionalFully online
- Bioengineering (online) (Z083)Certificate (non-degree)A. James Clark School of EngineeringFully online
- Bioengineering (PMBI)MasterA. James Clark School of EngineeringProfessional
- Bioengineering (Z054)Certificate (non-degree)A. James Clark School of Engineering
- Biological Resources Engineering (ENBE)DoctoralMasterA. James Clark School of EngineeringResearch
- Biological Sciences (BISI)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Biophysics (BIPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Biostatistics (BIOS)MasterSchool of Public HealthProfessional

• Business Administration (BMBA)MasterThe Robert H. Smith School of BusinessProfessional

• Business Administration (Executive) (CMBA)MasterThe Robert H. Smith School of BusinessProfessional

• Business Administration (Executive) (EMBA)MasterThe Robert H. Smith School of BusinessProfessional

• Business Administration (online) (OMBA)MasterThe Robert H. Smith School of BusinessProfessionalFully online

• Business Administration and Accounting (BAAC)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional

• Business Administration and Finance (BAFN)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional

• Business Administration and Information Systems (BAIS)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional

• Business Administration and Marketing Analytics (BAMA)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional

• Business Administration and Nursing (BNRS)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional

• Business Administration and Public Policy (BMPO)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional

• Business Administration and Real Estate Development (MBRE)Dual DegreeMasterSchool of Architecture, Planning and PreservationThe Robert H. Smith School of BusinessProfessional

• Business Administration and Social Work (BMSW)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional

• Business Administration and Supply Chain Management (BASC)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional

• Business Analytics (BMAN)MasterThe Robert H. Smith School of BusinessProfessional

• Business Analytics (online) (OMAN)MasterThe Robert H. Smith School of BusinessProfessionalFully online

• Business and Management (BMSB)MasterThe Robert H. Smith School of BusinessProfessional

• Business and Management (BPHD)DoctoralThe Robert H. Smith School of BusinessResearch

• Business Management and Law (LMBA)Dual DegreeMasterThe Robert H. Smith School of BusinessProfessional

• Chemical and Biomolecular Engineering (PMCH)MasterA. James Clark School of EngineeringProfessional

• Chemical and Biomolecular Engineering (Z055)Certificate (non-degree)A. James Clark School of Engineering

• Chemical and Life Sciences (CLFS)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional

• Chemical Engineering (ENCH)DoctoralMasterA. James Clark School of EngineeringResearch

• Chemical Physics (CHPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch

• Chemistry (CHEM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch

• Civil and Environmental Engineering (ENCE)DoctoralMasterA. James Clark School of EngineeringResearch

• Civil and Environmental Engineering (PMCE)MasterA. James Clark School of EngineeringProfessional

• Civil and Environmental Engineering (Z056)Certificate (non-degree)A. James Clark School of Engineering

• Classics (CLAS)MasterCollege of Arts and HumanitiesResearch

• Clinical Audiology (CAUD)DoctoralDual DegreeCollege of Behavioral and Social SciencesResearchProfessional

• Clinical Psychological Science (MPPS)MasterCollege of Behavioral and Social SciencesProfessional

• Communication (COMM)DoctoralMasterCollege of Arts and HumanitiesResearch

• Communication Management (Z045)College of Arts and HumanitiesCertificate (non-degree)

• Community Counseling (COCM)DoctoralMasterCollege of EducationResearch

• Community Planning (CMPL)MasterSchool of Architecture, Planning and PreservationProfessional

• Community Planning and Historic Preservation (CPHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional

• Community Planning and Law (LCPL)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional

• Computer Networking (Z117)Certificate (non-degree)A. James Clark School of Engineering

• Computational Harmonic Analysis (Z023)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences

• Computational Methods in Atmospheric & Oceanic Science (Z048)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences

• College of Arts and HumanitiesResearch

• College of Behavioral SciencesResearch

• College of Computer, Mathematical, and Natural Sciences

• College of Computer, Mathematical, and Natural Sciences

• College of Computer, Mathematical, and Natural Sciences

• College of Computer, Mathematical, and Natural Sciences

• College of Computer, Mathematical, and Natural Sciences

• College of Computer, Mathematical, and Natural Sciences

• Environmental Engineering (Z058)Certificate (non-degree)A. James Clark School of Engineering
• Environmental Health Sciences (ENVH)DoctoralMasterSchool of Public HealthResearch
• Environmental Health Sciences (MIEH)MasterSchool of Public HealthProfessional
• Environmental Policy (EPOL)Certificate (non-degree)School of Public Policy
• Environmental Policy (Z008)Certificate (non-degree)School of Public Policy
• Environmental Science and Technology (ENST)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
• Epidemiology (EPDM)MasterSchool of Public HealthProfessional
• Epidemiology (EPID)DoctoralSchool of Public HealthResearch
• Ethnomusicology (MUET)DoctoralMasterCollege of Arts and HumanitiesResearch
• Executive Public Policy (EXPM)MasterSchool of Public PolicyProfessional
• Family Science (FMSC)DoctoralMasterSchool of Public HealthResearch
• Finance (BMFN)MasterThe Robert H. Smith School of BusinessProfessional
• Financial Risk Management (Z122)Certificate (non-degree)The Robert H. Smith School of Business
• Fire Protection Engineering (ENFP)MasterA. James Clark School of EngineeringResearch
• Fire Protection Engineering (online) (ENGF)MasterA. James Clark School of EngineeringFully online
• Fire Protection Engineering (online) (Z049)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Fire Protection Engineering (PMFP)MasterA. James Clark School of EngineeringProfessional
• Fire Protection Engineering (Z059)Certificate (non-degree)A. James Clark School of Engineering
• Food Safety Risk Assessment (Z027)Certificate (non-degree)College of Agriculture and Natural Resources
• French Studies (FRIT)MasterCollege of Arts and HumanitiesResearch
• Geographical Sciences (GEOG)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Geology (GEOL)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Geospatial Information Science (MPGC)MasterCollege of Behavioral and Social SciencesProfessional
• Geospatial Information Sciences (MPGS)MasterCollege of Behavioral and Social SciencesProfessional
• Geospatial Information Sciences (Z035)Certificate (non-degree)College of Behavioral and Social Sciences
• Geospatial Intelligence (MPGI)MasterCollege of Behavioral and Social SciencesProfessional
• Geospatial Intelligence (Z109)Certificate (non-degree)College of Behavioral and Social Sciences
• German Literature and Language (GERS)DoctoralMasterCollege of Arts and HumanitiesResearch
• Gerontology (doctoral level) (Z101)Certificate (non-degree)School of Public Health
• Gerontology (master’s level) (Z100)Certificate (non-degree)School of Public Health
• Global Health (Z070)Certificate (non-degree)School of Public Health
• Government & The Private Economy (Z002)Certificate (non-degree)School of Public Policy
• Government and Politics (GVPT)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Health Administration (HLSA)MasterSchool of Public HealthProfessional
• Health Equity (HLEQ)MasterSchool of Public HealthProfessional
• Health Policy Analysis and Evaluation (HPAE)MasterSchool of Public HealthProfessional
• Health Services (PHHS)DoctoralSchool of Public HealthResearch
• Hearing and Speech Sciences (HESP)DoctoralMasterCollege of Behavioral and Social SciencesResearchProfessional
• Higher Education (HIED)DoctoralMasterCollege of EducationResearch
• Historic Preservation (HISP)MasterSchool of Architecture, Planning and PreservationProfessional
• Historic Preservation (Z005)School of Architecture, Planning and PreservationCertificate (non-degree)
• Historic Preservation and Real Estate Development (HPDV)Dual DegreeSchool of Architecture, Planning and PreservationProfessional
• History (HIST)DoctoralMasterCollege of Arts and HumanitiesResearch
• History and Library & Information Science (HILS)Dual DegreeCollege of Arts and HumanitiesCollege of Information Studies, Maryland’s iSchoolResearchProfessional
• Housing, Finance & Development (Z007)Certificate (non-degree)School of Public Policy
• Human Development (EDHD)DoctoralMasterCollege of EducationResearch
• Human Development Education (Z903) Certificate (non-degree) College of Education
• Human-Computer Interaction (HCIM) Master College of Information Studies, Maryland’s iSchool Research
• Industrial/Organizational Psychology (MPIO) Master College of Behavioral and Social Sciences Professional
• Information Assurance Management (Z026) Certificate (non-degree) School of Public Policy
• Information Management (INFM) Master College of Information Studies, Maryland’s iSchool Professional
• Information Management (online) (MIMO) Master College of Information Studies, Maryland’s iSchool Professional Fully online
• Information Studies (INFS) Doctoral College of Information Studies, Maryland’s iSchool Research
• Information Systems (BMIS) Master The Robert H. Smith School of Business Professional
• Integrated Pest Management (Z089) Certificate (non-degree) College of Agriculture and Natural Resources College of Computer, Mathematical, and Natural Sciences
• Intelligence Analysis (Z201) Certificate (non-degree) School of Public Policy
• Intermediate Survey Methodology (Z011) Certificate (non-degree) College of Behavioral and Social Sciences
• International Education Policy (HIEP) Doctoral Master College of Education Research
• Interpreting (MPIN) Master College of Arts and Humanities Professional
• Jewish Studies (JWST) Master College of Arts and Humanities Research
• Jewish Studies (Z018) College of Arts and Humanities Certificate (non-degree)
• Journalism (JOMJ) Master The Philip Merrill College of Journalism Professional
• Journalism (JOST) Doctoral The Philip Merrill College of Journalism Research
• Journalism (JOUR) Master The Philip Merrill College of Journalism Research
• Justice Leadership (MPJL) Master College of Behavioral and Social Sciences Professional
• Kinesiology (KNES) Doctoral Master School of Public Health Research
• Landscape Architecture (LARC) Master College of Agriculture and Natural Resources Professional
• Landscape Architecture and Community Planning (LACP) Dual Degree Master School of Architecture, Planning and Preservation College of Agriculture and Natural Resources Professional
• Leadership Education & Development (MPLD) Master College of Education Professional
• Leading and Managing Healthcare Transformation (Z124) Certificate (non-degree) The Robert H. Smith School of Business
• Library and Information Science (LBSC) Master College of Information Studies, Maryland’s iSchool Professional
• Library and Information Science (online) (LBSC) Master College of Information Studies, Maryland’s iSchool Professional Fully online
• Linguistics (LING) Doctoral Master College of Arts and Humanities Research
• Literacy Coaching (Z038) College of Arts and Humanities Certificate (non-degree)
• Marine, Estuarine, and Environmental Sciences (MEES) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
• Marketing Analytics (BMMA) Master The Robert H. Smith School of Business Professional
• Materials Science and Engineering (ENMA) Doctoral Master A. James Clark School of Engineering Research
• Materials Science and Engineering (PMMS) Master A. James Clark School of Engineering Professional
• Materials Science and Engineering (Z060) Certificate (non-degree) A. James Clark School of Engineering
• Maternal and Child Health (MCHS) Doctoral School of Public Health Research
• Mathematical Statistics (STAT) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
• Mathematics (MATH) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
• Mathematics of Advanced Industrial Technology (MAIT) Master College of Computer, Mathematical, and Natural Sciences Professional
• Mathematics of Advanced Industrial Technology (Z022) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
• Measurement, Statistics & Evaluation (Z019) Certificate (non-degree) College of Education
• Measurement, Statistics and Evaluation (EDMS) Doctoral Master College of Education Research
• Mechanical Engineering (ENME) Doctoral Master A. James Clark School of Engineering Research
• Mechanical Engineering (PMME) Master A. James Clark School of Engineering Research
• Mechanical Engineering (Z061) Certificate (non-degree) A. James Clark School of Engineering
Methods of Public Analysis (Z001) Certificate (non-degree) School of Public Policy
Modern French Studies (FRMS) Doctoral College of Arts and Humanities Research
MSDE Administrator I Certification (Z052) Certificate (non-degree) College of Education
Multimedia Journalism (Z071) Certificate (non-degree) The Philip Merrill College of Journalism
Museum Scholarship & Material Culture (Z016) College of Arts and Humanities Certificate (non-degree)
Music (MUSA) Doctoral Master College of Arts and Humanities Research
Music (MUSC) Doctoral Master College of Arts and Humanities Research
Music Education (MUED) Doctoral Master College of Arts and Humanities Research
National Security Studies (Z003) Certificate (non-degree) School of Public Policy
Neuroscience and Cognitive Sciences (Z037) Certificate (non-degree) College of Behavioral and Social Sciences
Neurosciences and Cognitive Science (NACS) Doctoral Master College of Behavioral and Social Sciences
Nonprofit Management and Leadership (Z116) Certificate (non-degree) School of Public Policy
Nuclear Engineering (ENNU) Doctoral Master A. James Clark School of Engineering
Nuclear Engineering (online) (MENU) Master A. James Clark School of Engineering Professional Fully online
Nuclear Engineering (online) (Z050) Certificate (non-degree) A. James Clark School of Engineering Fully online
Nuclear Engineering (PMNU) Master A. James Clark School of Engineering Professional
Nuclear Engineering (Z062) Certificate (non-degree) A. James Clark School of Engineering
Nutrition and Food Science (NFSC) Doctoral Master College of Agriculture and Natural Resources Research
Organic and Sustainable Agriculture (Z090) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
Performance (MFAP) Master College of Arts and Humanities Research
Philosophy (PHIL) Doctoral Master College of Arts and Humanities Research
Physical Activity (PHAC) Master School of Public Health Professional
Physics (PHYS) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
Plant Science (PLSC) Doctoral Master College of Agriculture and Natural Resources Research
Policy Studies (POSI) Doctoral School of Public Policy Research
Population Studies (Z036) Certificate (non-degree) College of Behavioral and Social Sciences
Principles of Public Health (Z076) Certificate (non-degree) School of Public Health
Professional Communication for Enhanced English Fluency (online) (Z106) College of Arts and Humanities Certificate (non-degree) Fully online
Professional Communication for Enhanced English Fluency (Z105) College of Arts and Humanities Certificate (non-degree)
Project Management (online) (MEPM) Master A. James Clark School of Engineering Professional Fully online
Project Management (online) (Z040) Certificate (non-degree) A. James Clark School of Engineering Fully online
Project Management (PMPM) Master A. James Clark School of Engineering Professional
Project Management (Z063) Certificate (non-degree) A. James Clark School of Engineering
Psychology (PSYC) Doctoral Master College of Behavioral and Social Sciences Research
Public Administration (MPPA) Master School of Public Policy Professional
Public Financial Management (Z094) Certificate (non-degree) School of Public Policy
Public Health Informatics (Z028) Certificate (non-degree) School of Public Health
Public Health Practice and Policy (PHPP) Master School of Public Health Professional
Public Management (MAMG) Master School of Public Policy Professional
Public Management (Z004) Certificate (non-degree) School of Public Policy
Public Policy (MAPO) Master School of Public Policy Professional
Public Policy and Law (LMPO) Master School of Public Policy Off-site Professional
Public Policy and Sustainable Development & Conservation Biology (PPCN) Dual Degree Master College of Computer, Mathematical, and Natural Sciences School of Public Policy Research Professional
Public Sector Finance & Acquisition (Z033) Certificate (non-degree) School of Public Policy
Quantitative Finance (BMQF) Master The Robert H. Smith School of Business Professional
• Radar Signal Processing (Z031)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Real Estate Development (MPRE)MasterSchool of Architecture, Planning and PreservationProfessional
• Real Estate Development (RDEV)MasterSchool of Architecture, Planning and PreservationProfessional
• Real Estate Development (Z029)School of Architecture, Planning and PreservationCertificate (non-degree)
• Regulatory Science and Engineering (Z087)Certificate (non-degree)A. James Clark School of Engineering
• Reliability Engineering (ENRE)DoctoralMasterA. James Clark School of EngineeringResearch
• Reliability Engineering (online) (MERE)MasterA. James Clark School of EngineeringProfessionalFully online
• Reliability Engineering (online) (Z042)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Reliability Engineering (PMRE)MasterA. James Clark School of EngineeringProfessional
• Reliability Engineering (Z064)Certificate (non-degree)A. James Clark School of Engineering
• Risk, Compliance, and the Law (Z108)Certificate (non-degree)College of Behavioral and Social Sciences
• Robotics (PMRO)MasterA. James Clark School of EngineeringProfessional
• Robotics Engineering (Z084)Certificate (non-degree)A. James Clark School of Engineering
• School Counseling (COSC)MasterCollege of EducationProfessional
• School Librarianship (Z114)Certificate (non-degree)College of Information Studies, Maryland’s iSchool
• School Psychology (COSP)DoctoralMasterCollege of EducationResearch
• School System Leadership (EDUC)DoctoralCollege of EducationProfessional
• Scientific Computation (Z014)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Second Language Acquisition (SLMA)MasterCollege of Arts and HumanitiesResearch
• Second Language Acquisition (SLPH)DoctoralCollege of Arts and HumanitiesResearch
• Second Language Acquisition (Z081)College of Arts and HumanitiesCertificate (non-degree)
• Sociology (SOCY)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Software Engineering (PMES)MasterA. James Clark School of EngineeringProfessional
• Software Engineering (Z065)Certificate (non-degree)A. James Clark School of Engineering
• Spanish Language and Literature (SPAP)DoctoralMasterCollege of Arts and HumanitiesResearch
• Special Education (EDSP)DoctoralMasterCollege of EducationResearchProfessional
• Special Education (Z095)Certificate (non-degree)College of Education
• Special Education for General Education Teachers in Inclusive Classrooms (Z123)Certificate (non-degree)College of EducationFully online
• Speech Language Pathology (SPLA)MasterCollege of Behavioral and Social SciencesResearch
• Student Affairs (HISA)DoctoralMasterCollege of EducationResearch
• Supply Chain Management (BMSC)MasterThe Robert H. Smith School of BusinessProfessional
• Survey and Data Science (online) (MPDS)College of Behavioral and Social SciencesProfessionalFully online
• Survey Methodology (SURV)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Survey Statistics (Z010)Certificate (non-degree)College of Behavioral and Social Sciences
• Sustainable Development and Conservation Biology (CONS)MasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Systems Engineering (ENSE)MasterA. James Clark School of EngineeringResearch
• Systems Engineering (PMSE)MasterA. James Clark School of EngineeringProfessional
• Systems Engineering (Z067)Certificate (non-degree)A. James Clark School of Engineering
• Teaching and Learning, Policy and Leadership (EDPS)MasterCollege of EducationResearch
• Teaching and Learning, Policy and Leadership (TLPL)DoctoralCollege of EducationResearch
• Teaching and Learning, Policy and Leadership (Z099)Certificate (non-degree)College of Education
• Technology Entrepreneurship (MPTE)MasterA. James Clark School of EngineeringProfessional
• Technology Ventures and Innovation (Z068)Certificate (non-degree)A. James Clark School of Engineering
• Telecommunications (ENTS)MasterA. James Clark School of EngineeringResearch
• Terrorism Analysis (Z039)Certificate (non-degree)College of Behavioral and Social Sciences
• Theatre and Performance Studies (THPF)DoctoralMasterCollege of Arts and HumanitiesResearch
• Theatre Design (MFAT)MasterCollege of Arts and HumanitiesResearch
• Toxicology (TOXI)DoctoralMasterSchool of Public HealthResearch
• Translation (MPTR)MasterCollege of Arts and HumanitiesProfessional
• Translation (2079)College of Arts and HumanitiesCertificate (non-degree)
• Transportation Policy and Planning (Z030)School of Architecture, Planning and PreservationCertificate (non-degree)
• Transportation Systems (online) (METS)MasterA. James Clark School of EngineeringProfessionalFully online
• Transportation Systems (online) (Z102)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Urban Agriculture (Z091)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Urban and Regional Planning and Design (URPD)DoctoralSchool of Architecture, Planning and PreservationResearch
• Urban Design (Z012)School of Architecture, Planning and PreservationCertificate (non-degree)
• Veterinary Medical Sciences (VMSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
• Veterinary Medicine (VMED)DoctoralCollege of Agriculture and Natural ResourcesProfessional
• Wireless Communications (Z120)Certificate (non-degree)A. James Clark School of Engineering
• Women's Studies (WMST)DoctoralMasterCollege of Arts and HumanitiesResearch
• Women's Studies (Z006)College of Arts and HumanitiesCertificate (non-degree)
• World Languages Education (Z095)Certificate (non-degree)College of Education
• Youth Experience (Z113)Certificate (non-degree)College of Information Studies, Maryland's iSchool
