- Accounting (BMAC)MasterThe Robert H. Smith School of BusinessProfessional
- Additive Manufacturing (PMAM)MasterA. James Clark School of EngineeringProfessional
- Additive Manufacturing (Z115)Certificate (non-degree)A. James Clark School of Engineering
- Administration, Supervision & Curriculum (Z900)Certificate (non-degree)College of Education
- Aerospace Engineering (ENAE)DoctoralMasterA. James Clark School of EngineeringResearch
- Aerospace Engineering (PMAE)MasterA. James Clark School of EngineeringProfessional
- Aerospace Engineering (Z053)Certificate (non-degree)A. James Clark School of Engineering
- African American Studies (Z096)College of Arts and HumanitiesCertificate (non-degree)
- Agricultural and Resource Economics (AREC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Air Quality Science and Technology (Z047)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- American Studies (AMST)DoctoralMasterCollege of Arts and HumanitiesResearch
- Animal Sciences (ANSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Anthropology (ANTH)DoctoralMasterCollege of Behavioral and Social SciencesResearch
- Applied Anthropology and Historic Preservation (AAHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationCollege of Behavioral and Social SciencesProfessional
- Applied Counseling and Human Services (Z069)Certificate (non-degree)College of Education
- Applied Economics (off-campus) (MPEC)MasterCollege of Behavioral and Social SciencesOff-siteProfessional
- Applied Economics (on-campus) (MPEM)MasterCollege of Behavioral and Social SciencesProfessional
- Applied Entomology (MPAE)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Applied Mathematics & Statistics, and Scientific Computation (AMSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Architecture (ARCH)MasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Community Planning (ARCP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Historic Preservation (ARHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Real Estate Development (ARDV)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Art History and Archaeology (ARTH)DoctoralMasterCollege of Arts and HumanitiesResearch
- Art Studio (ARTT)MasterCollege of Arts and HumanitiesResearch
- Astronomy (ASTR)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Atmospheric & Oceanic Science (Z046)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- Atmospheric and Oceanic Science (AOSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Atmospheric and Oceanic Science Technology (MPAO)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Beekeeping (Z088)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- Behavioral and Community Health (BCHL)DoctoralSchool of Public HealthResearch
- Behavioral and Community Health (MBCH)MasterSchool of Public HealthProfessional
- Biochemistry (BCHM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Bioengineering (BIOE)DoctoralMasterA. James Clark School of EngineeringResearch
- Bioengineering (online) (MEBI)MasterA. James Clark School of EngineeringProfessionalFully online
- Bioengineering (online) (Z083)Certificate (non-degree)A. James Clark School of EngineeringFully online
- Bioengineering (PMBI)MasterA. James Clark School of EngineeringProfessional
- Bioengineering (Z054)Certificate (non-degree)A. James Clark School of Engineering
- Biological Resources Engineering (ENBE)DoctoralMasterA. James Clark School of EngineeringResearch
- Biological Sciences (BISI)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Biophysics (BIPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Biostatistics (BIOS)MasterSchool of Public HealthProfessional
• Business Administration (BBA) MasterThe Robert H. Smith School of BusinessProfessional
• Business Administration (Executive) (EMBA) Master The Robert H. Smith School of BusinessProfessional
• Business Administration (online) (OMBA) Master The Robert H. Smith School of BusinessProfessional Fully online
• Business Administration and Accounting (BAAC) Dual Degree Master The Robert H. Smith School of BusinessProfessional
• Business Administration and Finance (BAFN) Dual Degree Master The Robert H. Smith School of BusinessProfessional
• Business Administration and Information Systems (BAIS) Dual Degree Master The Robert H. Smith School of BusinessProfessional
• Business Administration and Marketing Analytics (BAMA) Dual Degree Master The Robert H. Smith School of BusinessProfessional
• Business Administration and Nursing (BNRS) Dual Degree The Robert H. Smith School of Business Off-site Research Professional
• Business Administration and Pharmacy (BPHR) Doctoral Dual Degree Master The Robert H. Smith School of Business Off-site Professional
• Business Administration and Public Policy (BMPO) Dual Degree Master The Robert H. Smith School of Business School of Public Policy Professional
• Business Administration and Real Estate Development (MBRE) Dual Degree Master School of Architecture, Planning and Preservation The Robert H. Smith School of Business Professional
• Business Administration and Social Work (BMSW) Dual Degree Master The Robert H. Smith School of Business Off-site Professional
• Business Administration and Supply Chain Management (BASC) Dual Degree Master The Robert H. Smith School of Business Professional
• Business Analytics (BMAN) Master The Robert H. Smith School of Business Professional
• Business and Management (BMSB) Master The Robert H. Smith School of Business Professional
• Business and Management (BPHD) Doctoral The Robert H. Smith School of Business Research
• Business Management and Law (LMBA) Dual Degree Master The Robert H. Smith School of Business Off-site Professional
• Chemical Engineering (ENCH) Doctoral Master A. James Clark School of Engineering Research
• Chemical Physics (CHPH) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
• Chemistry (CHEM) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
• Civil and Environmental Engineering (ENCE) Doctoral Master A. James Clark School of Engineering Research
• Civil and Environmental Engineering (PMCE) Master A. James Clark School of Engineering Professional
• Civil and Environmental Engineering (Z056) Certificate (non-degree) A. James Clark School of Engineering
• Classics (CLAS) Master College of Arts and Humanities Research
• Clinical Audiology (CAUD) Doctoral Dual Degree College of Behavioral and Social Sciences Research Professional
• Clinical Psychological Science (MPPS) Master College of Behavioral and Social Sciences Professional
• Communication (COMM) Doctoral Master College of Arts and Humanities Research
• Communication Management (Z045) College of Arts and Humanities Certificate (non-degree)
• Community Counseling (COCM) Doctoral Master College of Education Research
• Community Planning (CMPL) Master School of Architecture, Planning and Preservation Professional
• Community Planning and Historic Preservation (CPHP) Dual Degree Master School of Architecture, Planning and Preservation Professional
• Community Planning and Law (LCPL) Dual Degree Master School of Architecture, Planning and Preservation Off-site Professional
• Community Planning and Real Estate Development (CPDV) Dual Degree Master School of Architecture, Planning and Preservation Professional
• Comparative Literature (CMLT) Doctoral College of Arts and Humanities Research
• Computational Harmonic Analysis (Z023) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
• Computational Methods in Atmospheric & Oceanic Science (Z048) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
• Computer Networking (Z117) Certificate (non-degree) A. James Clark School of Engineering
• Computer Science (CMSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Consecutive Interpreting (Z080)College of Arts and HumanitiesCertificate (non-degree)
• Corporate Innovation (MPCI)MasterA. James Clark School of EngineeringProfessional
• Counseling & Personnel Services (Z901)Certificate (non-degree)College of Education
• Counseling Psychology (COCP)DoctoralMasterCollege of EducationResearch
• Couple and Family Therapy (FCFT)MasterSchool of Public HealthResearch
• Creative Writing (CRWR)MasterCollege of Arts and HumanitiesResearch
• Criminology and Criminal Justice (CJCH)MasterCollege of Behavioral and Social SciencesProfessional
• Criminology and Criminal Justice (CRIM)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Critical Theory (Z017)College of Arts and HumanitiesCertificate (non-degree)
• Cultural and Heritage Resource Management (MPCH)MasterCollege of Behavioral and Social SciencesProfessional
• Cultural and Heritage Resource Management (Z121)Certificate (non-degree)College of Behavioral and Social Sciences
• Curation and Management of Digital Assets (online) (Z093)Certificate (non-degree)College of Information Studies, Maryland's iSchool
• Curriculum and Instruction (EDCI)MasterCollege of EducationResearchProfessional
• Curriculum and Instruction (Z902)Certificate (non-degree)College of Education
• Cybersecurity (online) (MECY)MasterA. James Clark School of EngineeringProfessionalFully online
• Cybersecurity Engineering (online) (Z092)MasterA. James Clark School of EngineeringFully online
• Cybersecurity Engineering (PMCY)MasterA. James Clark School of EngineeringProfessional
• Cybersecurity Engineering (Z073)Certificate (non-degree)A. James Clark School of Engineering
• Cybersecurity Leadership (Z077)Certificate (non-degree)The Robert H. Smith School of Business
• Dance (DANC)MasterCollege of Arts and HumanitiesResearch
• Data Science (Z104)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Digital Studies (Z110)College of Arts and HumanitiesCertificate (non-degree)
• Ecological Economics (Z009)Certificate (non-degree)College of Behavioral and Social Sciences
• Economic Analysis (off-campus) (Z074)Certificate (non-degree)College of Behavioral and Social SciencesOff-site
• Economic Analysis (on-campus) (Z098)Certificate (non-degree)College of Behavioral and Social Sciences
• Economics (ECON)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Ecosystems Restoration (Z041)Certificate (non-degree)College of Agriculture and Natural Resources
• Electrical and Computer Engineering (ENEE)DoctoralMasterA. James Clark School of EngineeringResearch
• Electrical and Computer Engineering (PMEE)MasterA. James Clark School of EngineeringProfessional
• Electrical and Computer Engineering (Z057)Certificate (non-degree)A. James Clark School of Engineering
• Electronic Packaging (online) (Z111)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Electronic Packaging (Z112)Certificate (non-degree)A. James Clark School of Engineering
• Electronic Packaging, Post-Baccalaureate Certificate (P.B.C.)
• Elementary & Middle School Science Education (Z051)Certificate (non-degree)College of Education
• Energetic Concepts Engineering (online) (MEEC)MasterA. James Clark School of EngineeringProfessionalFully online
• Energetic Concepts Engineering (online) (Z072)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Energy Systems Engineering (online) (MEEE)MasterA. James Clark School of EngineeringProfessionalFully online
• Energy Systems Engineering (online) (Z082)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Energy Systems Engineering (PMSU)MasterA. James Clark School of EngineeringProfessional
• Energy Systems Engineering (Z066)Certificate (non-degree)A. James Clark School of Engineering
• Energy Systems Engineering, Post-Baccalaureate Certificate (P.B.C.)
• Energy Systems Engineering, Post-Baccalaureate Certificate (P.B.C.)
• Energy Systems Management and Policy (Z107)Certificate (non-degree)A. James Clark School of Engineering
• Engineering and Public Policy (MEPP)MasterA. James Clark School of EngineeringSchool of Public PolicyProfessional
• English Language and Literature (ENGL)DoctoralMasterCollege of Arts and HumanitiesResearch
Graduate Programs

- Entomology (ENTM) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Environmental Engineering (PMEN) Master A. James Clark School of Engineering Professional
- Environmental Engineering (Z058) Certificate (non-degree) A. James Clark School of Engineering
- Environmental Health Sciences (ENVH) Doctoral Master School of Public Health Research
- Environmental Health Sciences (MIEH) Master School of Public Health Professional
- Environmental Health Sciences, Doctor of Philosophy (Ph.D.)
- Environmental Health Sciences, Master of Science (M.S.)
- Environmental Policy (EPOL) Certificate (non-degree) School of Public Policy
- Environmental Policy (Z008) Certificate (non-degree) School of Public Policy
- Environmental Science and Technology (ENST) Doctoral Master College of Agriculture and Natural Resources Research
- Epidemiology (EPDM) Master School of Public Health Professional
- Epidemiology (EPID) Doctoral School of Public Health Research
- Ethnomusicology (MUET) Doctoral Master College of Arts and Humanities Research
- Executive Public Policy (EXPM) Master School of Public Policy Professional
- Family Science (FMSC) Doctoral Master School of Public Health Research
- Finance (BMFN) Master The Robert H. Smith School of Business Professional
- Financial Risk Management, Post-Baccalaureate Certificate (P.B.C.)
- Fire Protection Engineering (ENFP) Master A. James Clark School of Engineering Research
- Fire Protection Engineering (online) (ENGF) Master A. James Clark School of Engineering Fully online
- Fire Protection Engineering (online) (Z049) Certificate (non-degree) A. James Clark School of Engineering Fully online
- Fire Protection Engineering (PMFP) Master A. James Clark School of Engineering Professional
- Fire Protection Engineering (Z059) Certificate (non-degree) A. James Clark School of Engineering
- Food Safety Risk Assessment (Z027) Certificate (non-degree) College of Agriculture and Natural Resources
- French Studies (FRIT) Doctoral Master College of Arts and Humanities Research
- Geographical Sciences (GEOG) Doctoral Master College of Behavioral and Social Sciences Research
- Geology (GEOL) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Geospatial Information Science (MPGI) Master College of Behavioral and Social Sciences Professional
- Geospatial Information Sciences (MPGS) Master College of Behavioral and Social Sciences Professional
- Geospatial Intelligence (Z109) Certificate (non-degree) College of Behavioral and Social Sciences
- Global Health (Z070) Certificate (non-degree) School of Public Health
- Gerontology (doctoral level) (Z101) Certificate (non-degree) School of Public Health
- Gerontology (master's level) (Z100) Certificate (non-degree) School of Public Health
- Government & The Private Economy (Z002) Certificate (non-degree) School of Public Policy
- Government and Politics (GVPT) Doctoral Master College of Behavioral and Social Sciences Research
- Health Administration (HLSA) Master School of Public Health Professional
- Health Equity (HLEQ) Master School of Public Health Professional
- Health Policy Analysis and Evaluation (HPAE) Master School of Public Health Professional
- Health Services (PHHS) Doctoral School of Public Health Research
- Hearing and Speech Sciences (HESP) Doctoral Master College of Behavioral and Social Sciences Research Professional
- Higher Education (HIED) Doctoral Master College of Education Research
- Historic Preservation (HISP) Master School of Architecture, Planning and Preservation Professional
- Historic Preservation (Z005) School of Architecture, Planning and Preservation Certificate (non-degree)
- Historic Preservation and Real Estate Development (HPDV) Dual Degree School of Architecture, Planning and Preservation Professional
- History (HIST) Doctoral Master College of Arts and Humanities Research
• History and Library & Information Science (HILS) Dual Degree College of Arts and Humanities College of Information Studies, Maryland’s iSchool Research Professional

• Housing, Finance & Development (Z007) Certificate (non-degree) School of Public Policy

• Human Development (EDHD) Doctoral Master College of Education Research

• Human Development Education (Z093) Certificate (non-degree) College of Education

• Human-Computer Interaction (HCIM) Master College of Information Studies, Maryland’s iSchool Research

• Industrial/Organizational Psychology (MPIO) Master College of Behavioral and Social Sciences Professional

• Information Assurance Management (Z026) Certificate (non-degree) School of Public Policy

• Information Management (INFM) Master College of Information Studies, Maryland’s iSchool Professional

• Information Management (online) (MIMO) Master College of Information Studies, Maryland’s iSchool Professional Fully online

• Information Studies (INFS) Doctoral Master College of Information Studies, Maryland’s iSchool Research

• Information Systems (BMIS) Master The Robert H. Smith School of Business Professional

• Integrated Pest Management (Z089) Certificate (non-degree) College of Agriculture and Natural Resources College of Computer, Mathematical, and Natural Sciences

• Intelligence Analysis (Z021) Certificate (non-degree) School of Public Policy

• Intermediate Survey Methodology (Z011) Certificate (non-degree) College of Behavioral and Social Sciences

• International Education Policy (HIEP) Doctoral Master College of Education Research

• Interpreting (MPIN) Master College of Arts and Humanities Professional

• Jewish Studies (JWST) Master College of Arts and Humanities Research

• Jewish Studies (Z018) College of Arts and Humanities Certificate (non-degree)

• Journalism (JOMJ) Master The Philip Merrill College of Journalism Professional

• Journalism (JOST) Doctoral Research

• Journalism (JOUR) Master The Philip Merrill College of Journalism Research

• Justice Leadership (MPJL) Master College of Behavioral and Social Sciences Professional

• Kinesiology (KNES) Doctoral Master School of Public Health Research

• Landscape Architecture (LARC) Master College of Agriculture and Natural Resources Professional

• Landscape Architecture and Community Planning (LACP) Dual Degree Master School of Architecture, Planning and Preservation College of Agriculture and Natural Resources Professional

• Leadership Education & Development (MPLD) Master College of Education Professional

• Leading and Managing Healthcare Transformation (Z124) Certificate (non-degree) The Robert H. Smith School of Business

• Leading and Managing Healthcare Transformation, Post-Baccalaureate Certificate (P.B.C.)

• Library and Information Science (LBSC) Master College of Information Studies, Maryland’s iSchool Professional

• Library and Information Science (online) (LBSO) Master College of Information Studies, Maryland’s iSchool Professional Fully online

• Linguistics (LING) Doctoral Master College of Arts and Humanities Research

• Literacy Coaching (Z038) College of Arts and Humanities Certificate (non-degree)

• Marine, Estuarine, and Environmental Sciences (MEES) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research

• Marketing Analytics (BMMA) Master The Robert H. Smith School of Business Professional

• Materials Science and Engineering (ENMA) Doctoral A. James Clark School of Engineering Research

• Materials Science and Engineering (PMMS) Master A. James Clark School of Engineering Professional

• Materials Science and Engineering (Z060) Certificate (non-degree) A. James Clark School of Engineering

• Maternal and Child Health (MCHS) Doctoral School of Public Health Research

• Mathematical Statistics (STAT) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research

• Mathematics (MATH) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research

• Mathematics of Advanced Industrial Technology (MAIT) Master College of Computer, Mathematical, and Natural Sciences Professional

• Mathematics of Advanced Industrial Technology (Z022) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences

• Measurement, Statistics & Evaluation (Z019) Certificate (non-degree) College of Education
- Measurement, Statistics and Evaluation (EDMS)DoctoralMasterCollege of EducationResearch
- Mechanical Engineering (ENME)DoctoralMasterA. James Clark School of EngineeringResearch
- Mechanical Engineering (PMME)MasterA. James Clark School of EngineeringResearch
- Mechanical Engineering (Z061)Certificate (non-degree)A. James Clark School of Engineering
- Methods of Public Analysis (Z001)Certificate (non-degree)School of Public Policy
- Modern French Studies (FRMS)DoctoralCollege of Arts and HumanitiesResearch
- MSDE Administrator I Certification (Z052)Certificate (non-degree)College of Education
- Multimedia Journalism (Z071)Certificate (non-degree)The Philip Merrill College of Journalism
- Museum Scholarship & Material Culture (Z016)Certificate (non-degree)
- Music (MUSA)DoctoralMasterCollege of Arts and HumanitiesResearch
