- Accounting (BMAC)MasterThe Robert H. Smith School of BusinessProfessional
- Additive Manufacturing (PMAM)MasterA. James Clark School of EngineeringProfessional
- Additive Manufacturing (Z115)Certificate (non-degree)A. James Clark School of Engineering
- Administration, Supervision & Curriculum (Z900)Certificate (non-degree)College of Education
- Aerospace Engineering (ENAE)DoctoralMasterA. James Clark School of EngineeringResearch
- Aerospace Engineering (PMAE)MasterA. James Clark School of EngineeringProfessional
- Aerospace Engineering (Z053)Certificate (non-degree)A. James Clark School of Engineering
- African American Studies (Z096)College of Arts and HumanitiesCertificate (non-degree)
- Agricultural and Resource Economics (AREC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Air Quality Science and Technology (Z047)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- American Studies (AMST)DoctoralMasterCollege of Arts and HumanitiesResearch
- Animal Sciences (ANSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Anthropology (ANTH)DoctoralMasterCollege of Behavioral and Social SciencesResearch
- Applied Anthropology and Historic Preservation (AAHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Applied Counseling and Human Services (Z069)Certificate (non-degree)College of Education
- Applied Economics (off-campus) (MPEC)MasterCollege of Behavioral and Social SciencesProfessional
- Applied Economics (on-campus) (MPEM)MasterCollege of Behavioral and Social SciencesProfessional
- Applied Entomology (MPAE)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Applied Mathematics & Statistics, and Scientific Computation (AMSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Architecture (ARCH)MasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Community Planning (ARCP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Historic Preservation (ARHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Real Estate Development (ARDV)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Art History and Archaeology (ARTH)DoctoralMasterCollege of Arts and HumanitiesResearch
- Art Studio (ARTT)MasterCollege of Arts and HumanitiesResearch
- Astronomy (ASTR)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Atmospheric & Oceanic Science (Z046)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- Atmospheric and Oceanic Science (AOSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Atmospheric and Oceanic Science Technology (MPAO)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Beekeeping (Z088)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- Behavioral and Community Health (BCHL)DoctoralSchool of Public HealthResearch
- Behavioral and Community Health (MBCH)MasterSchool of Public HealthProfessional
- Bilingual Speech-Language Pathology (Z125)Certificate (non-degree)College of Behavioral and Social Sciences
- Biochemistry (BCHM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Bioengineering (BIOE)DoctoralMasterA. James Clark School of EngineeringResearch
- Bioengineering (online) (MEBI)MasterA. James Clark School of EngineeringProfessionalFully online
- Bioengineering (online) (Z083)Certificate (non-degree)A. James Clark School of EngineeringFully online
- Bioengineering (PMBI)MasterA. James Clark School of EngineeringProfessional
- Bioengineering (Z054)Certificate (non-degree)A. James Clark School of Engineering
- Biological Resources Engineering (ENBE)DoctoralMasterA. James Clark School of EngineeringResearch
- Biological Sciences (BISI)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Biophysics (BIPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
Graduate Programs

- Biostatistics (BIOS) Master School of Public Health Professional
- Business Administration (BMBA) Master The Robert H. Smith School of Business Professional
- Business Administration (Executive) (CMBA) Master The Robert H. Smith School of Business Professional
- Business Administration (Executive) (EMBA) Master The Robert H. Smith School of Business Professional
- Business Administration (online) (OMBA) Master The Robert H. Smith School of Business Professional Fully online
- Business Administration and Accounting (BAAC) Dual Degree Master The Robert H. Smith School of Business Professional
- Business Administration and Finance (BAFN) Dual Degree Master The Robert H. Smith School of Business Professional
- Business Administration and Information Systems (BAIS) Dual Degree Master The Robert H. Smith School of Business Professional
- Business Administration and Marketing Analytics (BAMA) Dual Degree Master The Robert H. Smith School of Business Professional
- Business Administration and Nursing (BNRS) Dual Degree Master The Robert H. Smith School of Business Professional Off-site Research Professional
- Business Administration and Pharmacy (BPHR) Doctoral Dual Degree Master The Robert H. Smith School of Business Professional Off-site Research Professional
- Business Administration and Public Policy (BMPO) Dual Degree Master The Robert H. Smith School of Business Professional
- Business Administration and Real Estate Development (MBRE) Dual Degree Master School of Architecture, Planning and Preservation The Robert H. Smith School of Business Professional
- Business Administration and Social Work (BMSW) Dual Degree Master The Robert H. Smith School of Business Professional Off-site Professional
- Business Administration and Supply Chain Management (BASC) Dual Degree Master The Robert H. Smith School of Business Professional
- Business Analytics (BMAN) Master The Robert H. Smith School of Business Professional
- Business Analytics (OMAN) Master The Robert H. Smith School of Business Professional Fully online
- Business and Management (BMSB) Master The Robert H. Smith School of Business Professional
- Business and Management (BPHD) Doctoral The Robert H. Smith School of Business Research
- Business Management and Law (LMBA) Dual Degree Master The Robert H. Smith School of Business Professional
- Chemical and Biomolecular Engineering (PMCH) Master A. James Clark School of Engineering Professional
- Chemical and Biomolecular Engineering (Z055) Certificate (non-degree) A. James Clark School of Engineering
- Chemical and Life Sciences (CLFS) Master College of Computer, Mathematical, and Natural Sciences Professional
- Chemical Engineering (ENCH) Doctoral Master A. James Clark School of Engineering Research
- Chemical Physics (CHPH) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Chemistry (CHEM) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Civil and Environmental Engineering (ENCE) Doctoral Master A. James Clark School of Engineering Research
- Civil and Environmental Engineering (PMCE) Master A. James Clark School of Engineering Professional
- Civil and Environmental Engineering (Z056) Certificate (non-degree) A. James Clark School of Engineering
- Classics (CLAS) Master College of Arts and Humanities Research
- Clinical Audiology (CAUD) Doctoral Dual Degree College of Behavioral and Social Sciences Research Professional
- Clinical Psychological Science (MPPS) Master College of Behavioral and Social Sciences Professional
- Communication (COMM) Doctoral Master College of Arts and Humanities Research
- Communication Management (Z045) College of Arts and Humanities Certificate (non-degree)
- Community Counseling (CCOM) Doctoral Master College of Education Research
- Community Planning (CMPL) Master School of Architecture, Planning and Preservation Professional
- Community Planning and Historic Preservation (CPHP) Dual Degree Master School of Architecture, Planning and Preservation Professional
- Community Planning and Law (LCPL) Dual Degree Master School of Architecture, Planning and Preservation Off-site Professional
- Community Planning and Real Estate Development (CPDV)
- Comparative Literature (CMLT) Doctoral College of Arts and Humanities Research
- Computational Harmonic Analysis (Z023) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Computational Methods in Atmospheric & Oceanic Science (Z048) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Computer Networking (Z117) Certificate (non-degree) A. James Clark School of Engineering
• Computer Science (CMSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Consecutive Interpreting (Z080)College of Arts and HumanitiesCertificate (non-degree)
• Corporate Innovation (MPCI)MasterA. James Clark School of EngineeringProfessional
• Counseling & Personnel Services (Z901)Certificate (non-degree)College of Education
• Counseling Psychology (COCP)DoctoralMasterCollege of EducationResearch
• Couple and Family Therapy (FCFT)MasterSchool of Public HealthResearch
• Creative Writing (CRWR)MasterCollege of Arts and HumanitiesResearch
• Criminology and Criminal Justice (CJCH)MasterCollege of Behavioral and Social SciencesProfessional
• Criminology and Criminal Justice (CRIM)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Critical Theory (Z017)College of Arts and HumanitiesCertificate (non-degree)
• Cultural and Heritage Resource Management (MPCH)MasterCollege of Behavioral and Social SciencesProfessional
• Cultural and Heritage Resource Management (Z121)Certificate (non-degree)College of Behavioral and Social Sciences
• Curation and Management of Digital Assets (online) (Z093)Certificate (non-degree)College of Information Studies, Maryland's iSchool
• Curriculum and Instruction (EDCI)MasterCollege of EducationResearchProfessional
• Curriculum and Instruction (Z902)Certificate (non-degree)College of Education
• Cybersecurity (online) (MECY)MasterA. James Clark School of EngineeringProfessionalFully online
• Cybersecurity Engineering (online) (Z092)MasterA. James Clark School of EngineeringFully online
• Cybersecurity Engineering (PMCY)MasterA. James Clark School of EngineeringProfessional
• Cybersecurity Engineering (Z073)Certificate (non-degree)A. James Clark School of Engineering
• Cybersecurity Leadership (Z077)Certificate (non-degree)The Robert H. Smith School of Business
• Dance (DANC)MasterCollege of Arts and HumanitiesResearch
• Data Science (Z104)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Digital Studies (Z110)College of Arts and HumanitiesCertificate (non-degree)
• Ecological Economics (Z009)Certificate (non-degree)College of Behavioral and Social Sciences
• Economic Analysis (off-campus) (Z074)Certificate (non-degree)College of Behavioral and Social SciencesOff-site
• Economic Analysis (on-campus) (Z098)Certificate (non-degree)College of Behavioral and Social Sciences
• Economics (ECON)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Ecosystems Restoration (Z041)Certificate (non-degree)College of Agriculture and Natural Resources
• Electrical and Computer Engineering (ENEE)DoctoralMasterA. James Clark School of EngineeringResearch
• Electrical and Computer Engineering (PMEE)MasterA. James Clark School of EngineeringProfessional
• Electrical and Computer Engineering (Z057)Certificate (non-degree)A. James Clark School of Engineering
• Electronic Packaging (online) (Z111)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Electronic Packaging (Z112)Certificate (non-degree)A. James Clark School of Engineering
• Elementary & Middle School Science Education (Z051)Certificate (non-degree)College of Education
• Energetic Concepts Engineering (online) (MEEC)MasterA. James Clark School of EngineeringProfessionalFully online
• Energetic Concepts Engineering (online) (Z072)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Energy Systems Engineering (online) (MEEE)MasterA. James Clark School of EngineeringProfessionalFully online
• Energy Systems Engineering (online) (Z082)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Energy Systems Engineering (PMSU)MasterA. James Clark School of EngineeringProfessional
• Energy Systems Engineering (Z066)Certificate (non-degree)A. James Clark School of Engineering
• Energy Systems Management and Policy (Z107)Certificate (non-degree)A. James Clark School of Engineering
• Engineering and Public Policy (MEPP)MasterA. James Clark School of EngineeringSchool of Public PolicyProfessional
• English Language and Literature (ENGL)DoctoralMasterCollege of Arts and HumanitiesResearch
• Entomology (ENTM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Environmental Engineering (PMEN)MasterA. James Clark School of EngineeringProfessional
• Environmental Engineering (Z058)Certificate (non-degree)A. James Clark School of Engineering
• Environmental Health Sciences (ENVH)DoctoralMasterSchool of Public HealthResearch
• Environmental Health Sciences (MIEH)MasterSchool of Public HealthProfessional
• Environmental Policy (EPOL)Certificate (non-degree)School of Public Policy
• Environmental Policy (Z008)Certificate (non-degree)School of Public Policy
• Environmental Science and Technology (ENST)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
• Epidemiology (EPDM)MasterSchool of Public HealthProfessional
• Epidemiology (EPID)DoctoralSchool of Public HealthResearch
• Ethnomusicology (MUET)DoctoralMasterCollege of Arts and HumanitiesResearch
• Executive Public Policy (EXPM)MasterSchool of Public PolicyProfessional
• Family Science (FMSC)DoctoralMasterSchool of Public HealthResearch
• Finance (BMFN)MasterThe Robert H. Smith School of BusinessProfessional
• Financial Risk Management (Z122)Certificate (non-degree)The Robert H. Smith School of Business
• Fire Protection Engineering (ENFP)MasterA. James Clark School of EngineeringResearch
• Fire Protection Engineering (online) (ENGF)MasterA. James Clark School of EngineeringFully online
• Fire Protection Engineering (online) (Z049)Certificate (non-degree)A. James Clark School of EngineeringFully online
• Fire Protection Engineering (PMFP)MasterA. James Clark School of EngineeringProfessional
• Fire Protection Engineering (Z059)Certificate (non-degree)A. James Clark School of Engineering
• Food Safety Risk Assessment (Z027)Certificate (non-degree)College of Agriculture and Natural Resources
• French Studies (FRIT)MasterCollege of Arts and HumanitiesResearch
• Geographical Sciences (GEOG)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Geology (GEOL)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Geospatial Information Science (MPGS)MasterCollege of Behavioral and Social SciencesProfessional
• Geospatial Information Sciences (Z035)Certificate (non-degree)College of Behavioral and Social Sciences
• Geospatial Intelligence (MPGI)MasterCollege of Behavioral and Social SciencesProfessional
• Geospatial Intelligence (Z109)Certificate (non-degree)College of Behavioral and Social Sciences
• German Literature and Language (GERS)DoctoralMasterCollege of Arts and HumanitiesResearch
• Gerontology (doctoral level) (Z101)Certificate (non-degree)School of Public Health
• Gerontology (master’s level) (Z100)Certificate (non-degree)School of Public Health
• Global Health (Z070)Certificate (non-degree)School of Public Health
• Government & The Private Economy (Z002)Certificate (non-degree)School of Public Policy
• Government and Politics (GVPT)DoctoralMasterCollege of Behavioral and Social SciencesResearch
• Health Administration (HLSA)MasterSchool of Public HealthProfessional
• Health Equity (HLEQ)MasterSchool of Public HealthProfessional
• Health Policy Analysis and Evaluation (HPAE)MasterSchool of Public HealthProfessional
• Health Services (PHHS)DoctoralSchool of Public HealthResearch
• Hearing and Speech Sciences (HESP)DoctoralMasterCollege of Behavioral and Social SciencesResearchProfessional
• Higher Education (HIED)DoctoralMasterCollege of EducationResearch
• Historic Preservation (HISP)MasterSchool of Architecture, Planning and PreservationProfessional
• Historic Preservation (Z005)School of Architecture, Planning and PreservationCertificate (non-degree)
• Historic Preservation and Real Estate Development (HPDV)Dual DegreeSchool of Architecture, Planning and PreservationProfessional
• History (HIST)DoctoralMasterCollege of Arts and HumanitiesResearch
• History and Library & Information Science (HILS)Dual DegreeCollege of Arts and HumanitiesCollege of Information Studies, Maryland's iSchoolResearchProfessional
• Housing, Finance & Development (Z007)Certificate (non-degree)School of Public Policy
• Human Development (EDHD)DoctoralMasterCollege of EducationResearch
• Human Development Education (Z903)Certificate (non-degree)College of Education
• Human-Computer Interaction (HCIM)MasterCollege of Information Studies, Maryland’s iSchoolResearch
• Industrial/Organizational Psychology (MPIO)MasterCollege of Behavioral and Social SciencesProfessional
• Information Assurance Management (Z026)Certificate (non-degree)School of Public Policy
• Information Management (INFM)MasterCollege of Information Studies, Maryland’s iSchoolProfessional
• Information Management (online) (MIMO)MasterCollege of Information Studies, Maryland’s iSchoolProfessional
• Information Studies (INFS)DoctoralCollege of Information Studies, Maryland’s iSchoolResearch
• Information Systems (BMIS)MasterThe Robert H. Smith School of BusinessProfessional
• Integrated Pest Management (Z089)Certificate (non-degree)College of Agriculture and Natural ResourcesCollege of Computer, Mathematical, and Natural Sciences
• Intelligence Analysis (Z201)Certificate (non-degree)School of Public Policy
• Intermediate Survey Methodology (Z011)Certificate (non-degree)College of Behavioral and Social Sciences
• International Education Policy (HIEP)DoctoralMasterCollege of EducationResearch
• Interpreting (MPIN)MasterCollege of Arts and HumanitiesProfessional
• Jewish Studies (JWST)MasterCollege of Arts and HumanitiesResearch

• Journalism (JOMJ)MasterThe Philip Merrill College of JournalismProfessional
• Journalism (JOST)DoctoralResearch
• Journalism (JOUR)MasterThe Philip Merrill College of JournalismResearch
• Justice Leadership (MPJL)MasterCollege of Behavioral and Social SciencesProfessional
• Kinesiology (KNES)DoctoralMasterSchool of Public HealthResearch
• Landscape Architecture (LARC)MasterCollege of Agriculture and Natural ResourcesProfessional
• Landscape Architecture and Community Planning (LACP)Dual DegreeMasterSchool of Architecture, Planning and PreservationCollege of Agriculture and Natural ResourcesProfessional
• Leadership Education & Development (MPLD)MasterCollege of EducationProfessional
• Leading and Managing Healthcare Transformation (Z124)Certificate (non-degree)The Robert H. Smith School of Business
• Library and Information Science (LBSC)MasterCollege of Information Studies, Maryland’s iSchoolProfessional
• Library and Information Science (online) (LBSO)MasterCollege of Information Studies, Maryland’s iSchoolProfessionalFully online
• Linguistics (LING)DoctoralMasterCollege of Arts and HumanitiesResearch
• Literacy Coaching (Z038)Certificate (non-degree)College of Arts and Humanities
• Marine, Estuarine, and Environmental Sciences (non-degree)Certificate College of Computer, Mathematical, and Natural Sciences
• Marketing Analytics (BMMA)MasterThe Robert H. Smith School of BusinessProfessional
• Materials Science and Engineering (ENMA)DoctoralMasterA. James Clark School of EngineeringResearch
• Materials Science and Engineering (PMMS)MasterA. James Clark School of EngineeringProfessional
• Materials Science and Engineering (Z060)Certificate (non-degree)A. James Clark School of Engineering
• Maternal and Child Health (MCHS)DoctoralSchool of Public HealthResearch
• Mathematical Statistics (STAT)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Mathematics (MATH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
• Mathematics of Advanced Industrial Technology (MAIT)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
• Mathematics of Advanced Industrial Technology (Z022)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
• Measurement, Statistics & Evaluation (Z201)Certificate (non-degree)College of Education
• Measurement, Statistics and Evaluation (EDMS)DoctoralMasterCollege of EducationResearch
• Mechanical Engineering (ENME)DoctoralMasterA. James Clark School of EngineeringResearch
• Mechanical Engineering (PMME)MasterA. James Clark School of EngineeringResearch
• Mechanical Engineering (Z061)Certificate (non-degree)A. James Clark School of Engineering
Graduate Programs

- Methods of Public Analysis (Z001) Certificate (non-degree) School of Public Policy
- Modern French Studies (FRMS) Doctoral College of Arts and Humanities Research
- MSDE Administrator I Certification (Z052) Certificate (non-degree) College of Education
- Multimedia Journalism (Z071) Certificate (non-degree) The Philip Merrill College of Journalism
- Museum Scholarship & Material Culture (Z016) College of Arts and Humanities Certificate (non-degree)
- Music (MUSA) Doctoral Master College of Arts and Humanities Research
- Music (MUSC) Doctoral Master College of Arts and Humanities Research
- Music Education (MUED) Master College of Arts and Humanities Research
- National Security Studies (Z003) Certificate (non-degree) School of Public Policy
- Neuroscience and Cognitive Sciences (Z037) Certificate (non-degree) College of Behavioral and Social Sciences
- Neurosciences and Cognitive Science (NACS) Doctoral Master College of Behavioral and Social Sciences
- Nonprofit Management and Leadership (Z116) Certificate (non-degree) School of Public Policy
- Nuclear Engineering (ENNU) Doctoral Master A. James Clark School of Engineering
- Nuclear Engineering (online) (MENU) Master A. James Clark School of Engineering Professional Fully online
- Nuclear Engineering (online) (Z050) Certificate (non-degree) A. James Clark School of Engineering Fully online
- Nuclear Engineering (PMNU) Master A. James Clark School of Engineering Professional
- Nuclear Engineering (Z062) Certificate (non-degree) A. James Clark School of Engineering
- Nutrition and Food Science (NFSC) Doctoral Master College of Agriculture and Natural Resources Research
- Organic and Sustainable Agriculture (Z090) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Performance (MFAP) Master College of Arts and Humanities Research
- Philosophy (PHIL) Doctoral Master College of Arts and Humanities Research
- Physical Activity (PHAC) Master School of Public Health Professional
- Physics (PHYS) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Plant Science (PLSC) Doctoral Master College of Agriculture and Natural Resources Research
- Policy Studies (EDPS) Master College of Education Research
- Policy Studies (POSI) Doctoral School of Public Policy Research
- Population Studies (Z036) Certificate (non-degree) College of Behavioral and Social Sciences
- Principles of Public Health (Z076) Certificate (non-degree) School of Public Health
- Professional Communication for Enhanced English Fluency (online) (Z106) College of Arts and Humanities Certificate (non-degree) Fully online
- Professional Communication for Enhanced English Fluency (Z105) College of Arts and Humanities Certificate (non-degree)
- Project Management (online) (MEPM) Master A. James Clark School of Engineering Professional Fully online
- Project Management (online) (Z040) Certificate (non-degree) A. James Clark School of Engineering Fully online
- Project Management (PMPM) Master A. James Clark School of Engineering Professional
- Project Management (Z063) Certificate (non-degree) A. James Clark School of Engineering
- Psychology (PSYC) Doctoral Master College of Behavioral and Social Sciences Research
- Public Administration (MPPA) Master School of Public Policy Professional
- Public Financial Management (Z094) Certificate (non-degree) School of Public Policy
- Public Health Informatics (Z028) Certificate (non-degree) School of Public Health
- Public Health Practice and Policy (PHPP) Master School of Public Health Professional
- Public Management (MAMG) Master School of Public Policy Professional
- Public Management (2004) Certificate (non-degree) School of Public Policy
- Public Policy (MAPO) Master School of Public Policy Professional
- Public Policy and Law (LMPO) Master School of Public Policy Offsite Professional
- Public Policy and Sustainable Development & Conservation Biology (PPCN) Dual Degree Master College of Computer, Mathematical, and Natural Sciences School of Public Policy Research Professional
- Public Sector Finance & Acquisition (Z033) Certificate (non-degree) School of Public Policy
- Quantitative Finance (BMQF) Master The Robert H. Smith School of Business Professional
• Radar Signal Processing (Z031)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences

• Real Estate Development (MPRE)MasterSchool of Architecture, Planning and PreservationProfessional

• Real Estate Development (RDEV)MasterSchool of Architecture, Planning and PreservationProfessional

• Real Estate Development (Z029)School of Architecture, Planning and PreservationCertificate (non-degree)

• Regulatory Science and Engineering (Z087)Certificate (non-degree)A. James Clark School of Engineering

• Reliability Engineering (ENRE)DoctoralMasterA. James Clark School of EngineeringResearch

• Reliability Engineering (online) (MERE)MasterA. James Clark School of EngineeringProfessionalFully online

• Reliability Engineering (online) (Z042)Certificate (non-degree)A. James Clark School of EngineeringFully online

• Reliability Engineering (PMRE)MasterA. James Clark School of EngineeringProfessional

• Reliability Engineering (Z064)Certificate (non-degree)A. James Clark School of Engineering

• Risk, Compliance, and the Law (Z108)Certificate (non-degree)College of Behavioral and Social Sciences

• Robotics (PMRO)MasterA. James Clark School of EngineeringProfessional

• Robotics Engineering (Z084)Certificate (non-degree)A. James Clark School of Engineering

• School Counseling (COSC)MasterCollege of EducationProfessional

• School Librarianship (Z114)Certificate (non-degree)College of Information Studies, Maryland’s iSchool

• School Psychology (COSP)DoctoralMasterCollege of EducationResearch

• School System Leadership (EDUC)DoctoralCollege of EducationProfessional

• Scientific Computation (Z014)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences

• Second Language Acquisition (SLMA)MasterCollege of Arts and HumanitiesResearch

• Second Language Acquisition (SLPH)DoctoralCollege of Arts and HumanitiesResearch

• Second Language Acquisition (Z081)College of Arts and HumanitiesCertificate (non-degree)

• Sociology (SOCY)DoctoralMasterCollege of Behavioral and Social SciencesResearch

• Software Engineering (PMES)MasterA. James Clark School of EngineeringProfessional

• Software Engineering (Z065)Certificate (non-degree)A. James Clark School of Engineering

• Spanish Language and Literature (SPAP)DoctoralMasterCollege of Arts and HumanitiesResearch

• Special Education (EDSP)DoctoralMasterCollege of EducationResearchProfessional

• Special Education (Z095)Certificate (non-degree)College of Education

• Special Education for General Education Teachers in Inclusive Classrooms (Z123)Certificate (non-degree)College of EducationFully online

• Speech Language Pathology (SPLA)MasterCollege of Behavioral and Social SciencesResearch

• Student Affairs (HISA)DoctoralMasterCollege of EducationResearch

• Supply Chain Management (BMSC)MasterThe Robert H. Smith School of BusinessProfessional
