- Accounting (BMAC)MasterThe Robert H. Smith School of BusinessProfessional
- Accounting (online) (OMAC)MasterThe Robert H. Smith School of BusinessFully online
- Administration, Supervision & Curriculum (Z900)Certificate (non-degree)College of Education
- Aerospace Engineering (ENAE)DoctoralMasterA. James Clark School of EngineeringResearch
- Aerospace Engineering (online) (MEAE)MasterA. James Clark School of EngineeringProfessionalFully online
- Aerospace Engineering (online) (Z179)Certificate (non-degree)A. James Clark School of EngineeringProfessionalFully online
- Aerospace Engineering (PMAE)MasterA. James Clark School of EngineeringProfessional
- Aerospace Engineering (Z053)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- African American Studies (Z096)Certificate (non-degree)College of Behavioral and Social Sciences
- Agricultural and Resource Economics (AREC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Air Quality Science and Technology (Z047)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- American Studies (AMST)DoctoralMasterCollege of Arts and HumanitiesResearch
- Animal Sciences (ANSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch
- Anthropology (ANTH)DoctoralMasterCollege of Behavioral and Social SciencesResearchInternship or Clinical Experience
- Applied Anthropology and Historic Preservation (AAHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationCollege of Behavioral and Social SciencesProfessionalInternship or Clinical Experience
- Applied Counseling and Human Services (Z069)Certificate (non-degree)College of Education
- Applied Economics (off-campus) (ECAO)MasterCollege of Behavioral and Social SciencesOff-site12-Week-Term
- Applied Economics (off-campus) (MPEC)MasterCollege of Behavioral and Social SciencesOff-siteProfessional
- Applied Economics (on-campus) (ECAM)MasterCollege of Behavioral and Social SciencesProfessional
- Applied Economics (on-campus) (MPEM)MasterCollege of Behavioral and Social SciencesProfessional
- Applied Economics (online) (ECAE)MasterCollege of Behavioral and Social SciencesProfessionalFully online
- Applied Entomology (MPAE)MasterCollege of Computer, Mathematical, and Natural SciencesProfessionalFully online12-Week-Term
- Applied Epidemiology (online) (Z152)Certificate (non-degree)School of Public HealthFully online
- Applied Machine Learning (online) (SAMO)MasterCollege of Computer, Mathematical, and Natural SciencesResearchFully online
- Applied Machine Learning (SAML)MasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Applied Mathematics & Statistics, and Scientific Computation (AMSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Applied Political Analytics (APAN)MasterCollege of Behavioral and Social SciencesProfessional
- Architecture (ARCH)MasterSchool of Architecture, Planning and PreservationResearchProfessional
- Architecture and Community Planning (ARCP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessionalInternship or Clinical Experience
- Architecture and Historic Preservation (ARHP)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Architecture and Real Estate Development (ARDV)Dual DegreeMasterSchool of Architecture, Planning and PreservationProfessional
- Art History and Archaeology (ARTH)DoctoralMasterCollege of Arts and HumanitiesResearch
- Art Studio (ARTT)MasterCollege of Arts and HumanitiesResearch
- Artificial Intelligence (MSAI)MasterCollege of Computer, Mathematical, and Natural SciencesResearchSemester
- Artificial Intelligence (online) (MSAO)MasterCollege of Computer, Mathematical, and Natural SciencesResearchFully onlineSemester
- Arts Entrepreneurship (Z166)College of Arts and HumanitiesCertificate (non-degree)
- Astronomy (ASTR)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Atmospheric & Oceanic Science (Z046)Certificate (non-degree)College of Computer, Mathematical, and Natural Sciences
- Atmospheric and Oceanic Science (AOSC)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Atmospheric and Oceanic Science Technology (MPAO)MasterCollege of Computer, Mathematical, and Natural SciencesProfessional
- Behavioral and Community Health (BCHL)DoctoralSchool of Public HealthResearch

- Behavioral and Community Health (MBCH) Master School of Public Health Professional Master of Public Health
- Behavioral and Community Health (online) (MBCO) Master School of Public Health Fully online Master of Public Health
- Bilingual Speech-Language Pathology (Z125) Certificate (non-degree) College of Behavioral and Social Sciences
- Bilingual Speech-Language Pathology for Practitioners (online) (Z147) Certificate (non-degree) College of Behavioral and Social Sciences
- Bilingual Speech-Language Pathology for Practitioners (Z141) Certificate (non-degree) College of Behavioral and Social Sciences
- Biochemistry (BCHM) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Bioengineering (BIOE) Doctoral Master A. James Clark School of Engineering Research
- Bioengineering (online) (MEBI) Master A. James Clark School of Engineering Professional Fully online
- Bioengineering (online) (Z083) Certificate (non-degree) A. James Clark School of Engineering Professional Fully online
- Bioengineering (PMBI) Master A. James Clark School of Engineering Professional
- Bioengineering (Z054) Certificate (non-degree) A. James Clark School of Engineering Professional
- Bioinformatics and Computational Biology (MPBC) Master College of Computer, Mathematical, and Natural Sciences Professional
- Bioinformatics and Computational Biology (online) (SABO) Master College of Computer, Mathematical, and Natural Sciences Research Fully online
- Bioinformatics and Computational Biology (SABI) Master College of Computer, Mathematical, and Natural Sciences Research
- Biological Resources Engineering (ENBE) Doctoral Master A. James Clark School of Engineering Research
- Biological Sciences (BISI) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Biophysics (BIPH) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Biostatistics (BIOS) Master School of Public Health Professional Master of Public Health
- Biostatistics (BSMS) Master School of Public Health Research Semester
- Biostatistics (BSPH) Doctoral School of Public Health Research Semester
- Business Administration (BDBA) Doctoral The Robert H. Smith School of Business Professional
- Business Administration (BMBA) Master The Robert H. Smith School of Business Professional
- Business Administration (online) (OMBA) Master The Robert H. Smith School of Business Professional Fully online
- Business Administration and Accounting (BAAC) Dual Degree Master The Robert H. Smith School of Business Professional
- Business Administration and Business Analytics (BABA) Master The Robert H. Smith School of Business Professional
- Business Administration and Finance (BAFN) Dual Degree Master The Robert H. Smith School of Business Professional
- Business Administration and Information Systems (BAIS) Dual Degree Master The Robert H. Smith School of Business Professional
- Business Administration and Marketing Analytics (BAMA) Dual Degree Master The Robert H. Smith School of Business Professional
- Business Administration and Medicine (BMED) Doctoral Dual Degree Master The Robert H. Smith School of Business
- Business Administration and Nursing (BNRS) Dual Degree The Robert H. Smith School of Business Off-site Research Professional
- Business Administration and Pharmacy (BPHR) Doctoral Dual Degree Master The Robert H. Smith School of Business Off-site
- Business Administration and Public Policy (BMPO) Dual Degree Master The Robert H. Smith School of Business School of Public Policy Professional
- Business Administration and Real Estate Development (MBRE) Dual Degree Master School of Architecture, Planning and Preservation The Robert H. Smith School of Business Professional
- Business Administration and Social Work (BMSW) Dual Degree Master The Robert H. Smith School of Business Off-site Professional
- Business Administration and Supply Chain Management (BASC) Dual Degree Master The Robert H. Smith School of Business Professional
- Business Administration, Executive (CMBA) Master The Robert H. Smith School of Business Professional
- Business Administration, Executive (EMBA) Master The Robert H. Smith School of Business Professional
- Business Analytics (BMAN) Master The Robert H. Smith School of Business Professional
- Business Analytics (online) (OMAN) Master The Robert H. Smith School of Business Professional Fully online
- Business and Management (BPHD) Doctoral The Robert H. Smith School of Business Research
- Business Management and Law (LMBA) Dual Degree Master The Robert H. Smith School of Business Off-site Professional
- Chemical and Biomolecular Engineering (PMCH) Master A. James Clark School of Engineering Professional

- Chemical and Biomolecular Engineering (Z055)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- Chemical and Life Sciences (CLFS)MasterCollege of Computer, Mathematical, and Natural SciencesProfessionalFully online12-Week-Term
- Chemical Engineering (ENCH)DoctoralMasterA. James Clark School of EngineeringResearch
- Chemical Physics (CHPH)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Chemistry (CHEM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Civil and Environmental Engineering (ENCE)DoctoralMasterA. James Clark School of EngineeringResearch
- Civil and Environmental Engineering (PMCE)MasterA. James Clark School of EngineeringProfessional
- Civil and Environmental Engineering (Z056)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- Classics (CLAS)MasterCollege of Arts and HumanitiesResearch
- Climate Finance and Risk Management (MSCF)MasterThe Robert H. Smith School of BusinessResearch
- Climate Policy and Action (online) (Z164)Certificate (non-degree)School of Public PolicyFully online
- Climate Policy and Action (Z163)Certificate (non-degree)School of Public Policy
- Clinical Audiology (CAUD)DoctoralDual DegreeCollege of Behavioral and Social SciencesResearchProfessionalInternship or Clinical Experience
- Clinical Psychological Science (MPPS)MasterCollege of Behavioral and Social SciencesProfessional12-Week-Term
- Cloud Engineering (online) (MECL)MasterA. James Clark School of EngineeringProfessionalFully online
- Cloud Engineering (online) (Z169)Certificate (non-degree)A. James Clark School of EngineeringProfessionalFully online
- Cloud Engineering (PMCL)MasterA. James Clark School of EngineeringProfessional
- Cloud Engineering (Z168)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- Communication (COMM)DoctoralMasterCollege of Arts and HumanitiesResearch
- Communication Management (Z045)College of Arts and HumanitiesCertificate (non-degree)
- Community Counseling (COCM)DoctoralMasterCollege of EducationResearch
- Community Planning (CMPL)MasterSchool of Architecture, Planning and PreservationProfessionalInternship or Clinical Experience
- Community Planning and Behavioral/Community Health (CPMB)Dual DegreeMasterSchool of Architecture, Planning and PreservationSchool of Public HealthProfessionalInternship or Clinical ExperienceMaster of Public Health
- Community Planning and Biostatistics (CPBI)Dual DegreeMasterSchool of Architecture, Planning and PreservationSchool of Public HealthProfessionalInternship or Clinical ExperienceMaster of Public Health
- Community Planning and Environmental Health Sciences (CPMI)Dual DegreeMasterSchool of Architecture, Planning and PreservationSchool of Public HealthProfessionalInternship or Clinical ExperienceMaster of Public Health
- Community Planning and Epidemiology (CPEP)Dual DegreeMasterSchool of Architecture, Planning and PreservationSchool of Public HealthProfessionalInternship or Clinical ExperienceMaster of Public Health

- Community Planning and Real Estate Development (CPDV)Dual DegreeMasterSchool of Architecture, Planning and PreservationInternship or Clinical Experience
- Comparative Biomedical Sciences (VMSC)DoctoralMasterCollege of Agriculture and Natural ResourcesResearch

- Comparative Literature (CMLT) Doctoral College of Arts and Humanities Research
- Computation and Mathematics for Biological Networks (Z132) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Computational Harmonic Analysis (Z023) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Computational Methods in Atmospheric & Oceanic Science (Z048) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Computer Networking (Z117) Certificate (non-degree) A. James Clark School of Engineering
- Computer Science (CMSC) Doctoral Master College of Computer, Mathematical, and Natural Sciences Research
- Computer Science (CSMS) Master College of Computer, Mathematical, and Natural Sciences Research Semester
- Computing Systems (Z118) Certificate (non-degree) A. James Clark School of Engineering
- Consecutive Interpreting (Z080) College of Arts and Humanities Certificate (non-degree)
- Counseling & Personnel Services (Z901) Certificate (non-degree) College of Education
- Counseling Psychology (COCP) Doctoral Master College of Education Research Internship or Clinical Experience
- Couple and Family Therapy (FCFT) Master School of Public Health Research Internship or Clinical Experience
- Creative Writing (CRWR) Master College of Arts and Humanities Research
- Criminal Justice Administration (online) (Z130) Certificate (non-degree) College of Behavioral and Social Sciences Fully online
- Criminology and Criminal Justice (CRIM) Doctoral Master College of Behavioral and Social Sciences Research
- Critical Theory (Z017) College of Arts and Humanities Certificate (non-degree)
- Cultural and Heritage Resource Management (online) (MPCH) Master College of Behavioral and Social Sciences Professional Fully online 12-Week-Term
- Cultural and Heritage Resource Management (Z121) Certificate (non-degree) College of Behavioral and Social Sciences Fully online
- Curation and Management of Digital Assets (online) (Z093) Certificate (non-degree) College of Information, INFO College
- Curriculum and Instruction (EDCI) Master College of Education Research Professional
- Cybersecurity Engineering (online) (MECY) Master A. James Clark School of Engineering Professional Fully online
- Cybersecurity Engineering (online) (Z092) Certificate (non-degree) A. James Clark School of Engineering Professional Fully online
- Cybersecurity Engineering (PMCY) Master A. James Clark School of Engineering Professional
- Cybersecurity Engineering (Z073) Certificate (non-degree) A. James Clark School of Engineering Professional
- Cybersecurity Leadership (Z077) Certificate (non-degree) The Robert H. Smith School of Business
- Dance (DANC) Master College of Arts and Humanities Research
- Data Journalism (online) (MPDJ) Master The Philip Merrill College of Journalism Professional Fully online
- Data Science (online) (SADO) Master College of Computer, Mathematical, and Natural Sciences Research Fully online
- Data Science (online) (Z136) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences Fully online
- Data Science (SADS) Master College of Computer, Mathematical, and Natural Sciences Research
- Data Science (Z104) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Data Science and Analytics (MPDA) Master College of Computer, Mathematical, and Natural Sciences Professional
- Data Science and Analytics (online) (MPDO) Master College of Computer, Mathematical, and Natural Sciences Fully online
- Digital Studies (Z110) College of Arts and Humanities Certificate (non-degree)
- Dual Language Education (online, Z150) Certificate (non-degree) College of Education Fully online
- Dual Language Education (Z149) Certificate (non-degree) College of Education
- Ecological Economics (Z009) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Economic Analysis (off-campus) (Z074) Certificate (non-degree) College of Behavioral and Social Sciences Off-site
- Economic Analysis (on-campus) (Z098) Certificate (non-degree) College of Behavioral and Social Sciences
- Economic Analysis (online) (Z174) Certificate (non-degree) College of Behavioral and Social Sciences Professional Fully online
- Economics (ECON) Doctoral Master College of Behavioral and Social Sciences Research
- Ecosystems Restoration (Z041) Certificate (non-degree) College of Computer, Mathematical, and Natural Sciences
- Electrical and Computer Engineering (ENEE) Doctoral Master A. James Clark School of Engineering Research
- Electrical and Computer Engineering (PMEE) Master A. James Clark School of Engineering Professional

- Electrical and Computer Engineering (Z057)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- Elementary & Middle School Science Education (Z051)Certificate (non-degree)College of Education
- Embedded Systems (online) (MEEM)MasterA. James Clark School of EngineeringProfessionalFully online
- Embedded Systems (online) (Z162)Certificate (non-degree)A. James Clark School of EngineeringProfessionalFully online
- Embedded Systems (PMEM)MasterA. James Clark School of EngineeringProfessional
- Embedded Systems (Z161)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- Energy Systems Engineering (online) (MEEE)MasterA. James Clark School of EngineeringProfessionalFully online
- Energy Systems Engineering (online) (Z082)Certificate (non-degree)A. James Clark School of EngineeringProfessionalFully online
- Energy Systems Engineering (PMSU)MasterA. James Clark School of EngineeringProfessional
- Energy Systems Engineering (Z066)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- Engineering and Public Policy (MEPP)MasterA. James Clark School of EngineeringSchool of Public PolicyProfessional
- Engineering Artificial Intelligence (online)(MEAI)MasterA. James Clark School of EngineeringProfessionalFully online
- Engineering Artificial Intelligence (online)(Z176)Certificate (non-degree)A. James Clark School of EngineeringProfessionalFully online
- Engineering Artificial Intelligence (PMAI)MasterA. James Clark School of EngineeringProfessional
- Engineering Artificial Intelligence (Z175)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- English Language and Literature (ENGL)DoctoralMasterCollege of Arts and HumanitiesResearch
- Entomology (ENTM)DoctoralMasterCollege of Computer, Mathematical, and Natural SciencesResearch
- Environmental Engineering (PMEN)MasterA. James Clark School of EngineeringProfessional
- Environmental Engineering (Z058)Certificate (non-degree)A. James Clark School of EngineeringProfessional
- Environmental Health Sciences (ENVH)DoctoralMasterSchool of Public HealthResearch
- Environmental Health Sciences (MIEH)MasterSchool of Public HealthProfessionalMaster of Public Health
- Environmental Policy (EPOL)Certificate (non-degree)School of Public Policy
- Environmental Policy (Z008)Certificate (non-degree)School of Public Policy
