Graduate Degree Program
R.H. Smith School of Business / Maryland School of Medicine

ABSTRACT

The Robert H. Smith School of Business and the University of Maryland School of Medicine (<https://www.medschool.umaryland.edu/admissions/>) offer a dual program of studies leading to MBA and MD degrees. Under the terms of the dual program, a student may earn both degrees in five academic years. The accelerated program is possible because some courses can be credited toward both degrees. Candidates must apply for admission to the School of Medicine as well as to the MBA program at College Park and must be admitted to both programs.
