

# BUSINESS ADMINISTRATION AND PHARMACY, MASTER OF BUSINESS ADMINISTRATION AND DOCTOR OF PHARMACY (DUAL DEGREE) (M.B.A. AND PHARM.D.)

---

The dual degree requires **42 credits** of Business courses. The remaining coursework is completed at the University of Maryland, Baltimore. The total combined credits will be **176 credits**, 42 from the Smith School of Business and 134 from the School of Pharmacy.

The combined program takes advantage of the Smith School of Business core courses while adding the School of Pharmacy PharmD degree requirements as an area of specialization. In this program the students would have the opportunity to take Smith School of Business or the School of Pharmacy electives at standard costs, specific to each college, to further establish an area of specialization and to satisfy the credit requirements for both the MBA and PharmD program degrees.

Part-time MBA students complete the **BUSI** designated courses. Full-time MBA students complete the **BUSM** designated courses.
