BUSINESS ADMINISTRATION AND SOCIAL WORK (BMSW)

In social service agencies, financial and business expertise combined with social work practice, knowledge, and experience is invaluable. The MBA and MSW degrees complement each other and provide graduates with a combination of knowledge, experience, and values necessary in business and the human services system.

Candidates must apply for admission to the School of Social Work and also to the MBA program at College Park and must be admitted to both programs. Information about the MSW program can be found at https://www.ssw.umaryland.edu/
