BUSINESS ANALYTICS (BMAN)

Graduate Degree Program
R.H. Smith School of Business

ABSTRACT
Discover the best ways to analyze big data in today's fast-changing, data-driven world. The Master of Science in Business Analytics program gives you a deep understanding of how to analyze large amounts of data and provide innovative solutions to modern business challenges.

- Acquire a wide set of valuable skills employers are looking for when recruiting new talent to help you stand out among the competition.
- Participate in projects and experiences that mirror the type of work you'll do in the real-world.
- Take courses that will position you for a fascinating career in data analysis.
