

# BUSINESS ANALYTICS (ONLINE) (OMAN)

---

## Overview

You seek the expertise to pursue data management roles and advance your skills in the field. We can help. Our **online Master of Science in Business Analytics** can develop your competencies in Python, R and SQL with coursework in quantitative modeling, infrastructure management, data mining and more.

Our graduates can emerge with the confidence to communicate data-driven business strategy, as well as the skill set to drive smarter business decisions.

Program information is available online at <https://onlinebusiness.umd.edu/msba/>
