BUSINESS ANALYTICS (ONLINE) (OMAN)

Overview
Graduate Degree Program
R.H. Smith School of Business

ABSTRACT
The Maryland Smith Online Business Analytics program introduces you to the tools and techniques you’ll need to leverage big data for forecasting, prediction and managerial decision making. You’ll learn how to develop robust models, create data-backed business strategies and effectively communicate them with visualization tools. Smith is committed to “democratizing analytics” – making these skills accessible and attainable for students from any academic background.

FINANCIAL ASSISTANCE
Financial aid is available to qualified students in the form of fellowships, graduate assistantships, and scholarships.
