BUSINESS AND MANAGEMENT (BMSB)

Maryland Smith’s Master of Science in Business and Management program gives you a competitive edge in the workplace through a management education. Our program provides you with foundational knowledge and a range of skills to get you started in the business world.

- Gain exposure to tools and concepts with a more concentrated focus in management than you’d get from a business minor or non-business undergraduate degree.
- Learn from top-ranked faculty and gain valuable leadership and business skills, better preparing you to step into a leadership role.
- Acquire skills in various business topics, such as accounting, finance, management and marketing.

Facilities and Special Resources
The Office of Career Services (OCS) provides dedicated, professional support to help students launch their careers. The center links students directly to recruiters through a variety of services, including on- and off-campus recruitment and the online resume database. The OCS also participates in regional and national career forums and job fairs.

The Smith School is located in the Baltimore/Washington, D.C./Northern Virginia corridor. This region offers one of the highest concentrations of culture, diversity, and career opportunities in the country.
