CIVIL AND ENVIRONMENTAL ENGINEERING (Z056)

Graduate Certificate Program
College: Engineering

Abstract
Our graduate degree programs in civil and environmental engineering provide advanced knowledge and expertise in the areas of structures, geotechnical and pavements, transportation, and environmental engineering and water resources.

Financial Assistance
Students in this program pay a special tuition rate, which does not differ between residents and non-residents of Maryland. This rate is not fully covered by graduate assistantships, fellowships or the tuition remission. Additional graduate student fees are charged. **Tuition and fees are subject to change.**

This program does not provide departmental assistantships or fellowships. Loans, work-study and need-based grants for citizens and permanent residents with demonstrated financial need may submit a Free Application for Federal Student Aid (FAFSA) by appropriate FAFSA deadlines.
