

CLIMATE POLICY AND ACTION (ONLINE) (Z164)

Graduate Certificate Program
College: Public Policy

ABSTRACT

The online Certificate in Climate Policy and Action is a four-course (twelve credit) graduate certificate program that is designed to create professionals able to assess, design and implement effective strategies and actions to address climate change and lead towards a low-carbon, climate-resilient future. Concepts and skills relevant for mitigating climate change and building resilience to its impacts will be covered - based on foundational values of equity and justice. The certificate will address policy approaches and actions at all governance levels and by all actors - public and private..

FINANCIAL ASSISTANCE

The School has financial aid available in the form of fellowships, graduate assistantships, and employment. All qualified applicants meeting appropriate deadlines are considered.
