EXTENSION EDUCATION
(AEED)

Graduate Degree Program
College: Agriculture and Natural Resources

ABSTRACT
The Master of Extension Education features a multi-disciplinary program with core courses focused on principles of Extension in needs assessment, program development, evaluation, and social science research methodology as well as a suite of supportive elective courses in a variety of Extension specialty areas. Graduates with Extension education experiences are prepared for dynamic careers in secondary and post-secondary education, non-profits, government, and leadership roles in enterprise.
