Admissions

The Master of Professional Studies in Geospatial Information Sciences Program is no longer offered. Please see the Master of Science in Geospatial Information Sciences (https://academiccatalog.umd.edu/graduate/programs/geospatial-information-sciences-geis/) program page.

Requirements

• Geospatial Information Sciences, Master of Professional Studies (M.P.S.) (https://academiccatalog.umd.edu/graduate/programs/geospatial-information-sciences-mpgs/geospatial-information-sciences-mps/)

Facilities and Special Resources

All registered students have full access to the facilities and resources (e.g. libraries, gym, computer labs) on campus just like any other traditional student. Students also have full access to the resources (e.g. computer labs, software applications, seminars, etc) in the Geographical Sciences Department as regular graduate students. The program has a dedicated lab for its students as well where they can study or take lectures in a real environment if they want to.
