**GERONTOLOGY (MASTER'S LEVEL) (Z100)**

Graduate Certificate Program  
College: Public Health

**abstract**

Students gain the knowledge and skills needed to effectively promote the health and well-being of the growing population of baby boomers and older persons. Designed for students pursuing a master's program in the University System of Maryland or those who have previously earned a graduate degree from an accredited institution, the Graduate Certificate in Gerontology can be valuable complement to many degree programs. The GGCP offers students an individually tailored curriculum of course work, supervised internships and research.
