INTEGRATED PEST MANAGEMENT (Z089)

Graduate Certificate Program
College: Computer, Mathematical, and Natural Sciences

ABSTRACT
The Graduate Certificate in Integrated Pest Management (GC-IPM) is a 12-credit graduate program that can be completed in twelve months of continuous study. The GC-IPM focuses on the techniques of integrated pest management for proper pest control management. The program is an effective and environmentally conscientious approach to pest management. Students learn about the life cycles of insects and their interaction with the environment to determine the most effective pest control methods while taking in consideration the effects of treatments to local ecosystems.
