

# JOURNALISM STUDIES (JOST)

Graduate Degree Program  
College: Journalism

## abstract

Maryland's elite Ph.D. in Journalism Studies (<http://merrill.umd.edu/academics/phd-program/>) prepares scholars for next-generation research in the key issues confronting journalism in the 21st century.

- The program features small classes and a high level of collaboration with professors (<http://merrill.umd.edu/academics/phd-program/ph-d-faculty/>). Work focuses on the analysis of journalism practice and ethics, media history, gender and media, international media, as well as in emerging technology and the audience.
- With an emphasis on helping journalists translate career experience into research expertise, the program is highly successful (<http://merrill.umd.edu/academics/phd-program/ph-d-positions/>) at placing its doctoral graduates into teaching and research posts in higher education.

If you are seeking a master's degree to provide you with the fundamentals of journalism for a professional career, please see the Journalism (JOMJ) (<https://academiccatalog.umd.edu/graduate/programs/journalism-jomj/>) degree. If you are an experienced journalist looking for a research-focused master's degree, go to Journalism (JOUR) (<https://academiccatalog.umd.edu/graduate/programs/journalism-jour/>); If you're seeking a graduate journalism multimedia certificate, go to Multimedia Journalism (Z071) (<https://academiccatalog.umd.edu/graduate/programs/multimedia-journalism-z071/>).
