MARKETING ANALYTICS (BMMA)

Graduate Degree Program
College: Business

Abstract
The Robert H. Smith School of Business offers graduate programs leading to the degrees of Master of Business Administration (MBA), Master of Finance, Master of Science in Accounting (MS), Master of Science in Information Systems (MS), Master of Science in Marketing Analytics (MS), Master of Science in Supply Chain Management (MS), Executive MBA (EMBA), Online MBA, and Doctor of Philosophy (PhD).

The school's MBA program is accredited nationally by the Association to Advance Collegiate Schools of Business (AACSB International). Only about 60 of 70 programs in the world are accredited by the AACSB, a reflection of the quality of the faculty, students, curriculum, and career management.

The Smith School of Business faculty has been recruited from the graduate programs of leading universities nationwide. They are dedicated scholars, teachers, and researchers with a strong commitment to academic excellence and the education of the professional manager and researcher. The Smith School of Business is dedicated to preparing graduates to lead organizations in an economy driven by technology, globalization, and rapid change. The Smith School curriculum integrates an in-depth education in core business functions -- accounting, entrepreneurship, finance, information technology, logistics, management, and marketing -- with cross-functional e-business areas -- electronic commerce, financial engineering, services marketing, and supply chain management.

Financial Assistance
Financial aid is available to qualified full-time and Executive MBA students in the form of fellowships, graduate assistantships, and scholarships.
