MARKETING ANALYTICS (BMMA)

ABSTRACT
Maryland Smith’s Master of Science in Marketing Analytics program teaches you how to collect, analyze and interpret massive amounts of consumer data to help businesses engage with the right audiences and launch cost-effective campaigns that work.

- Use cutting-edge tools and programming languages to analyze big data and solve marketing challenges for real businesses.
- Connect with other talented students from diverse academic backgrounds and boost your skills under the guidance of expert faculty.
- Participate in data competitions and network with top employers who hire our students.

Financial Assistance
Financial aid is available to qualified students in the form of fellowships, graduate assistantships, and scholarships.
