

# QUANTITATIVE FINANCE (BMQF)

## ABSTRACT

Maryland Smith's Master of Quantitative Finance program allows you to put your quantitative, technology and problem solving skills to full use as you guide companies toward making strategic financial decisions.

Gain access to cutting-edge analytics resources to refine your programming, data management and global investment skills. Advance your skills under the guidance of expert faculty and with a community of talented peers from diverse academic backgrounds. Solve complex finance challenges for real companies, participate in case competitions and network with major employers who hire our students.
