SCHOOL COUNSELING, MASTER OF EDUCATION (M.ED.)

Non-thesis only: 60 credits required

Professional entry-level program is offered: a Master of Education (M.Ed.) without thesis in School Counseling. Coursework includes one 100-hour practicum and two 300-hour internships in schools in Prince George's County, District of Columbia, Baltimore City, and other urban public school systems. Students also take courses in counseling, school counseling, research methods, and special education. Students are typically full-time and complete the program in two years.

For more information, please contact Shannon Martin (shmartin@umd.edu), Graduate Assistant, School Counseling.
