

FUNDAMENTALS OF SURVEY STATISTICS (ONLINE) (Z133)

Graduate Certificate Program
College: Behavioral and Social Sciences

ABSTRACT

The Post Baccalaureate (Graduate) Certificate in Survey Statistics offers training in sampling design and estimation for individuals who have graduate-level coursework in statistics but desire specific knowledge and training in survey statistics. Both domestic U.S. and international students are welcome to apply. The program is taught at the graduate level but covers fewer topic areas than the onsite M.S. program in survey methodology offered by JPSM.
