

# TECHNOLOGY MANAGEMENT (Z145)

Graduate Certificate Program  
R.H. Smith School of Business

## ABSTRACT

The Post-Baccalaureate Certificate in Technology Management prepares public or private sector managers of technology-dependent enterprises to effectively identify, transition, and leverage emergent technology across their organizations or markets. Courses are delivered in partnership with the A. James Clark School Engineering to facilitate cross-disciplinary instruction on research and development strategy, science and technology project valuation, technology entrepreneurship and commercialization, technical systems design, marketing emergent technology, and planning for technology resilience
