**TECHNOLOGY MANAGEMENT (Z145)**

Graduate Certificate Program  
R.H. Smith School of Business

**ABSTRACT**

The Post-Baccalaureate Certificate in Technology Management prepares public or private sector managers of technology-dependent enterprises to effectively identify, transition, and leverage emergent technology across their organizations or markets. Courses are delivered in partnership with the A. James Clark School of Engineering to facilitate cross-disciplinary instruction on research and development strategy, science and technology project valuation, technology entrepreneurship and commercialization, technical systems design, marketing emergent technology, and planning for technology resilience.
