

TRANSLATION, MASTER OF PROFESSIONAL STUDIES (M.P.S.)

41 credits required

Students select either the Translation track or the Translation and Localization Project Management track. In either track, students can focus on two languages or three.

Regardless of track or number of languages, all MPTR students must complete the following courses:

Course	Title	Credits
Core Requirements		
COMM610	Introduction to Translation and Interpreting Studies	3
COMM683	Intercultural Communication Theory	3
COMM789	Seminar: Special Topics in Intercultural Communication	3
COMM669	Professional Practice Forum in Translation: Practicum	1
COMM730 or COMM762	Seminar in Health Communication The Rhetoric of Political Institutions	3
Additional course requirements ¹		28
Total Credits		41

¹ Students should check the department website for the remainder of their course requirements. The remainder of the course requirements vary based on the student's track and number of languages.
