

WOMEN'S STUDIES, MASTER OF ARTS (M.A.)

Thesis option: 31 credits

Non-thesis option: 31 credits

Women's Studies does not have a stand-alone M.A. program. However, on the way to a Ph.D., students who have completed the appropriate coursework may request conferral of a master's degree. Students will begin the graduate program with a sequence of courses that include the required core interdisciplinary courses for a total of 31 credits and finish with either the completion of a thesis or the 'general' examination. This portion of the program stresses interdisciplinary Master's courses offered in the Department of Women's Studies.

Course	Title	Credits
Required courses:		
WMST601	Approaches to Women's Studies I	3
