BSGC998 BSGC Experiential Learning in Global Communities: Global Service (3 Credits)

Experiential learning is an integral element of the Global Communities program. Students will gain an understanding of social issues in marginalized communities, engage in service-learning, and develop an action plan for civic engagement in a diverse global society.

Restriction: Must be in Global Communities Living-Learning program. By permission only (BPO).

Repeatable to: 6 credits if content differs.

Additional Information: Open to students enrolled in the Global Communities Living-Learning Program.
