IDEA - ACADEMY FOR INNOVATION & ENTREPRENEURSHIP

IDEA101 The Carillon Studio: Creative Problem Solving and Designing Your Maryland Experience (1 Credit)
Students learn creative problem solving and collaborative strategies that will drive academic success and empower students to tackle big questions.
Restriction: Must be in the Carillon Communities Program.

IDEA201 Innovation Tools & Mindsets (1 Credit)
Challenges assumptions around what is needed to innovate and who innovators are. Through hands-on activities and reflection, you’ll be invited to step out of your comfort zone, think and work in new ways, and gain confidence in your creative abilities.
Credit Only Granted for: IDEA201 or IDEA258A.
Formerly: IDEA258A.

IDEA210 Innovation + Sustainability: Designing your own Sustainable Future (3 Credits)
This hands-on, project-based course tackles the intersection of environment, creativity, and business to develop sustainable solutions to pressing environmental problems. Students work in teams and use design thinking and other human-centered methods to address real-world design challenges. Students will integrate entrepreneurial methods to shape their college and career journey towards a more sustainable future and learn how to motivate and empower others to adopt more sustainable behaviors.
Credit Only Granted for: CPSP249E or IDEA210.

IDEA258 Special Topics in Innovation (1-3 Credits)
Special topics in innovation
Repeatable to: 6 credits if content differs.

IDEA311 Design Your Purpose (1 Credit)
What do you want to do once you graduate? What about with your life? These are the big questions we begin to tackle in this course. Use design methods and mindsets to explore your personal and professional development goals and explore potential career paths. Using empathy, brainstorming, and prototyping techniques, you’ll imagine potential futures for yourself and test them to see if they are a good fit for you.
Credit Only Granted for: IDEA311 or IDEA379A.
Formerly: IDEA379A.

IDEA345 Becoming a Design Thinker (1 Credit)
Learn design thinking tools and mindsets to create change in meaningful ways and cultivate your curiosity in this dynamic, hands-on course. Encounter new approaches to learning from others, synthesizing qualitative data, visualizing your ideas, and navigating ambiguity (among others!) while applying the tools and techniques to real-world applications. No prior experience or knowledge of design thinking is needed.
Credit Only Granted for: IDEA247 or IDEA345.
Formerly: IDEA247.

IDEA358 Special Topics in Innovation and Entrepreneurship (1-3 Credits)
Special topics in innovation and entrepreneurship applying concepts in real-world applications
Repeatable to: 4 credits if content differs.
IDEA358A.

IDEA359 The Innovation Studio (3 Credits)
In this class, we’ll use human-centered design practices to develop performance-based and curricular experiments for future implementation at the National Orchestral Institute + Festival (NOI+F) at UMD. Students will have the opportunity to connect the work we do in class to their own interests related to the visual and performing arts. Experience with classical music performance and/or human-centered design practices is optional. The class is highly experiential, collaborative, and reflective. This work is done through a partnership between NOI+F and the Academy for Innovation and Entrepreneurship to create innovation-related experiences at the festival every year.
Restriction: Permission from the Academy for Innovation & Entrepreneurship required.
Repeatable to: 6 credits. Jointly offered with: IDEA659.
IDEA498 Independent Study: Experiments in Innovation (1-3 Credits)
Apply design thinking and/or lean startup concepts to your own real-world project, which may involve a partner organization. This course requires a high degree of self-direction in all aspects of the project including defining specific milestones and deliverables. There will be regular coaching from an Academy for Innovation and Entrepreneurship team member.

Prerequisite: Permission from the Academy for Innovation and Entrepreneurship.

Repeatable to: 6 credits.
