1. Student-athletes are allowed 4 seasons of competition within 5 calendar years from the time they first enroll full-time in a collegiate institution. Some exceptions may apply.

2. Student-athletes must be enrolled full-time to be eligible to practice or compete with their team. If a student-athlete drops below full-time, he/she will immediately be ineligible to practice or compete, and his/her athletics grant-in-aid will be revoked unless otherwise approved by the Department of Athletics. Graduating student-athletes who need less than full-time hours to complete degree requirements may receive an exception to enroll in less than full-time credit hours by completing a prescribed form available in the Gossett Student-Athlete Center (GSAC) and approved by the college and certification officer.

3. Student-athletes are required to meet multiple sets of academic standards in order to maintain eligibility for athletic competition. These standards are dictated by the NCAA, Big Ten Conference, and the University of Maryland Athletics Council. In addition, student-athletes may be required to maintain standards dictated by the college of their major for either admission into a degree program, or maintaining enrollment.

4. Transfer student-athletes must meet all NCAA, Big Ten and UMD requirements in order to be immediately eligible. Please note that in
certain cases NCAA and BIG Ten eligibility requirements are more stringent than UMD admissions requirements.

5. Ineligible student-athletes are not permitted to compete or travel.

6. Dismissed and later reinstated student-athletes are ineligible for competition until they meet designated grade point averages.

The Department of Intercollegiate Athletics (ICA) also sponsors a number of awards for achievement in athletics and/or scholarship. For further information, contact GSAC at 301-314-7043.
