The Office of Multi-ethnic Student Education provides programs and resources to support the academic, personal, and professional excellence of students. The mission of the Office of Multi-ethnic Student Education is directly linked to the elimination of the achievement gap at the University of Maryland. With that goal in mind, OMSE provides programs such as a walk-in tutorial program, study lab, a computer lab with disability services software, affinity groups, drop in OMSE Check Ups, the OMSE Academic Excellence Society, College Success Scholars, and a myriad of services and annual events that recognize the multiple identities of students. The OMSE team is dedicated to our motto of high expectations, high standards and excellence.
