Dining Services at the University of Maryland is one of the largest independent, self-supported university dining programs in the country. In addition to three resident dining halls we operate twenty cafes, six brand-name quick-service locations, a restaurant, and five convenience shops on the College Park campus. Our operations include athletic concessions, meeting deliveries, and full-service catering.

- Two dining halls, The Diner and South Campus Dining Hall, open at 7:00 am Monday to Friday, 10:00 am Saturday and Sunday. These dining halls serve dinner until midnight Sunday to Thursday, and until 10:00 pm on Friday and Saturday. A third dining hall, 251 North, is open Sunday to Friday 11:00 am to 8:30 pm.
- Popular franchises clustered in food courts and cafes tucked in academic buildings offer fresh carryout for times when you can’t, or would rather not, return to the dining hall for lunch.
- Convenience shops in resident communities (the 24 Shop, in the Denton Community, is open around the clock!) offer room snacks, fresh carryout, school supplies and toiletries. 
- Mulligan’s Grill and Pub on the University Golf Course offers upscale clubhouse cuisine, gracious hospitality, and sweeping views of the fairways at lunch and dinner, and for catered events.
- Every permanent Dining Services location accepts Dining Dollars, Terrapin Express, cash, and credit cards.

Resident Anytime Dining Plans
All University of Maryland Resident Dining Plans offer unlimited seven-day dining hall access. Plan members can come in to any dining hall any time we’re open and choose anything we’re serving. You can return any number of times, any day of the week, all semester long. Plan members enter using touchless biometrics; guests enter using a dining plan guest pass, Dining Dollars, Terrapin Express, cash, or credit.

The three dining halls feature over 42 culinary stations serving hearty breakfasts, classic lunch and dinner entrées with fresh sides, self-serve and composed salads, build-your-own pasta, stuffed-to-order burritos, hot and cold wraps and sandwiches, and rotisserie meats with fresh vegetables. Students will find international food, smoothies, dedicated vegan stations, Mongolian grills, fresh-baked desserts and soft serve. Come to a dining hall for meals, come back between meals for snacks, stop by late at night for a bedtime treat, meet up with friends to study or socialize – we are your campus kitchen; come in, sit down, and make yourself at home.

Students who live in traditional, on-campus resident halls select one of four Seven-Day Resident Dining Plans:

- **Base** – Anytime Dining, two Guest Passes
- **Base Plus Dollars** – Anytime Dining, four Guest Passes + 200 Dining Dollars
- **Preferred** – Anytime Dining, six Guest Passes + 300 Dining Dollars

Dining Dollars on your UMD ID card make it super easy to stop in at a variety of campus locations. While you have unlimited access to dine in three great dining halls, you may find that you’re not near a dining hall or you might be off campus at meal time - and there will be times when you want snacks for your room. Use Dining Dollars for fresh carryout, room snacks and supplies.

Bring Dining Dollars to campus convenience shops to get snacks, school supplies and toiletries. Swing by any of the cafes on campus for a fresh grab-n-go sandwich, salad, sushi, or Starbucks! Check out the six brand-name franchises in the Stamp Student Union and Martin Engineering that accept Dining Dollars. Every permanent Dining Services location accepts Dining Dollars. Look for the logo near the register.

Dining Dollars save you money. While Dining Dollars spend just like cash, you get a significant discount when you buy them as part of your Seven-Day Anytime Dining Plan and there’s no tax on the sale when you use them. We recommend the **Preferred Plan** – 300 Dining Dollars to use around campus all semester. That’s about 15 to 20 Dining Dollars a week!

**Guest Passes** can be used to bring guests into the dining halls. Resident students can buy additional discounted guest passes from our office in the South Campus Dining Hall. Alternately, guests are always welcome at the door using Dining Dollars, Terrapin Express, cash, or credit.

Optional Dining Plans
We are pleased to welcome students, faculty, staff and guests to every dining hall, restaurant, shop and café on campus! Members of the campus community can become members of the dining plan program in several ways:

- **Connector Dining Plans**! Purchase blocks of 50 to 150 dining hall experiences at a significant discount - that’s three to nine nutritious meals a week! Ensure that you have some great on-campus meals and enjoy easy access to fresh, well-cooked food.
- **Five-Day and Seven-Day Anytime Dining Plans**. The Five-Day Plan provides unlimited access to dining halls Monday mornings through Friday evenings. The **Seven-Day Plan** provides unlimited access from move-in until the last day of finals.
- **Blocks of Dining Dollars** - accepted at all permanent Dining Services locations. When you purchase Dining Dollars, you get a discount! They spend like cash and there is no tax on the sale when you use Dining Dollars.
- And remember, we accept cash, credit and Terrapin Express at all locations.
