Director of Dining Services: Colleen Wright-Riva

The Department of Dining Services is proud to have achieved national recognition for nutritional programming and sustainability impacts. We are a self-operated and self-supported campus dining program, active participants in the University of Maryland community, supporters of campus academic endeavors and providers of delicious, popular and nutritious food in welcoming settings every day. Dining plans give resident students convenience, flexibility and value, and unlimited access to tasty, healthy food.

While our three dining halls serve as gathering places for our community, we also offer additional dining options across campus, close to academic buildings and residence halls.

• At South Campus and Yahatemitsi Dining Halls breakfast starts at 7:00 am Monday to Friday, 10:00 am weekends. 251 North serves breakfast at 8:00 am every day. All three dining halls offer continuous service the end of the dinner meal (9:00 pm at South and Yahatemitsi, and 8:00 pm at 251) every evening.

• The dining halls feature over 38 culinary stations serving hearty breakfasts, classic lunch and dinner entrées with fresh sides, crisp leafy salads, ancient grains, custom-built pasta dishes, stuffed-to-order quesadillas, hot and cold wraps and sandwiches, breakfast all day and rotisserie meats with fresh vegetables.

• New state of the art equipment provides greater flexibility and allows our culinary team to experiment with new cooking techniques and try new recipes and flavors. Our menus include customized made-to-order foods cooked in display kitchens featuring counter seating, booths and outdoor dining!

• You will find international food, smoothies, dedicated vegan stations, a Mongolian grill, fresh-baked desserts, soft serve ice cream and much more. We are your campus kitchen - come on in, say hello, get to know us and make yourself at home.

• Popular franchises clustered in The Stamp and Kirwan food courts and in cafés tucked in academic buildings provide additional options for when you would rather grab a quick bite close to class or when you just want a favorite from a brand name quick service spot.

• Markets in resident communities offer room snacks, fresh carryout, school supplies and toiletries. They have grills that serve student late night favorites until after midnight every night. South Market serves Starbucks coffee and espresso beverages. The market shops carry a surprisingly wide range of useful and interesting things to make your room a better place to be.

• Mulligan’s Grill and Pub on the University Golf Course offers clubhouse cuisine, a relaxing atmosphere, gracious hospitality, and sweeping views of the fairways at lunch and for catered events.

Resident Dining Plans

Our primary responsibility to the campus is to serve delicious, safe, healthy and popular food to resident students. We serve resident students using the “Anytime Dining” style of service. The Anytime Dining program gives resident students unlimited access to the dining halls from morning through evening, seven days a week. Participants come to any dining hall any time we’re open and choose anything we’re serving. Resident students return any number of times, any day of the week, all semester long. Our goal is to feed you, and feed you well.

Students who live in traditional, on-campus residence halls select one of four Seven-Day Resident Dining Plans:

• Base – 7-Day Dining from move-in to the last day of finals
• Base Plus – 7-Day Dining from move-in to the last day of finals + 200 Dining Dollars
• Preferred – 7-Day Dining from move-in to the last day of finals + 300 Dining Dollars
• Premium – 7-Day Dining from move-in to the last day of finals + 400 Dining Dollars

Each plan also includes complimentary Guest Passes - Base Plan, two per semester, Base Plus, four; Preferred six; Premium eight. Each guest pass is an opportunity to bring someone to a dining hall for an all-you-care-to-eat meal and share a great Maryland Dining experience.

Dining Dollars on your UMD ID card make it super easy to stop in at a variety of campus locations. While you have unlimited access to dine in three great dining halls, you may find that you’re not near a dining hall or you might be off campus at meal time - and there will be times when you want to eat on the go. Use Dining Dollars for fresh carryout, room snacks and supplies.

Use Dining Dollars in campus convenience shops to get things for your room like school supplies, toiletries and late night snacks. Swing by any of the cafés on campus for a fresh grab-n-go sandwich, salad, sushi, or a Starbucks! Check out the brand-name franchises in the Stamp Student Union and Kirwan Food Court that accept Dining Dollars. Every permanent Dining Services location accepts Dining Dollars. Look for the logo near the register.

Dining Dollars save you money - while Dining Dollars spend just like cash, you get a significant discount when you buy them as part of your 7-Day Dining Plan and there’s no tax on the sale when you use them.

We recommend the Preferred Plan – it includes 300 Dining Dollars to use around campus all semester. That’s about 15 to 20 Dining Dollars a week!

Optional Dining Plans

We are pleased to welcome all students, faculty, staff and guests to every dining hall, restaurant, shop and café on campus! Members of the campus community can become members of the dining plan program in several ways:

• Connector Dining Plans - Running a kitchen is hard work. You can purchase a block of 25, 50, 100 or 150 Maryland Dining experiences at a significant discount - that works out to between one-and-a-half
and nine delicious and nutritious all-you-care-to-eat meals a week for under $10 each! Ensure that you have some great meals on-campus; enjoy easy access to fresh, well-cooked food.

- **5-Day and 7-Day Dining Plans** - The 5-Day Plan provides unlimited access to dining halls Monday through Friday. 7-Day Plans extend that access to include weekends. We’ve got you covered!

- **Blocks of Dining Dollars** - accepted at all permanent Dining Services locations. When you purchase Dining Dollars, you get a discount! They spend like cash and there is no tax on the sale when you use Dining Dollars.

- And remember, we accept credit, debit and Terrapin Express at all locations.
