Coordinator for Veteran Student Life: Will Jones

Veteran Student Life (VSL) serves to build and maintain a community of veteran and military-connected students, staff, faculty, and alumni at the University of Maryland that collectively supports the transition from military life to civilian college. Together, the community provides opportunities for development along the 8 Dimensions of Wellness throughout the UMD experience empowering students to develop a renewed sense of purpose and significance during and after their time at the University of Maryland.

Veteran Center

In addition to support and programming, Veteran Student Life offers a Veterans Center, which is available exclusively for UMD veterans and military-connected students located in Room 1103 in the Cole Activities Building, thanks to a generous donation from Board of Trustee member and former Secretary of the Navy Gordon England.

This center includes:

- Computers
- Free Printing
- Free Coffee
- Study Lounge
- Conference Room
- Video Conferencing

If you are a current student veteran or military-connected student that does yet have access to the Vet Center, please go to http://stamp.umd.edu/vetcenter/.
