The Department of East Asian Languages and Cultures (EALC) promotes a broad knowledge of and deep engagement with the languages, literatures, and cultures of China, Japan, and Korea. We emphasize the common inheritance and enduring legacies of these countries, as well as the varied experiences of diverse groups within their ever-changing societies and communities. EALC offers BA programs in Chinese and Japanese, and minors in Chinese, Japanese, and Korean. The Center for East Asian Studies (CEAS) also offers a 24-credit undergraduate certificate program.
