

INTERNATIONAL BUSINESS MAJOR

Associate Dean: Joseph Bailey, Ph.D.

Assistant Dean: Brian Horick

International Business responds to the global interest in international economic systems and their multicultural characteristics. This degree combines the college-required courses with International Business courses and provides students the opportunity to apply a specified upper level foreign language course toward this specialization's requirements. It is strongly recommended that this program be declared in combination with another major in or outside of business in order to assure that graduates will have specialized career focus.

Admission to the Major
