Mandatory Fees

Student Fees Summary
The mandatory fee assessment for undergraduate students is based on number of credit hours as follows:

- Students registered for 9 or more credits: $861.00 per semester;
- Students registered for 8 or fewer credits: $397.00 per semester.

For more information, see http://Billpay.umd.edu/costs/. An explanation of each fee type is available below.

Athletics Fee
A healthy and sustainable Department of Intercollegiate Athletics (ICA) is an essential part of the university community. Athletics elevates the university’s profile, adds to the value of degrees, provides engagement with our 388,000 alumni worldwide, and helps attract a quality, diverse pool of prospective students. Athletics also generates funding for all students via robust fundraising opportunities with donors and corporate partners, and provides academic and research opportunities for students through the Big Ten Academic Alliance. Athletics also provides direct scholarship support, job opportunities and internships for hundreds of student athletes. The athletic fee is an integral revenue source for ICA to continue to provide these and other benefits to the university community.

Shuttle Bus Fee
The Transportation Services (DOTS) fee supports Shuttle-UM, an essential mobility option for students that also facilitates campus sustainability priorities. Shuttle-UM is a 24/7 operation that provides transit service on and around campus to more than 2.6 million riders a year. In addition to 22 fixed bus routes, Shuttle-UM offers interstate bus service for students during university breaks, paratransit services for individuals with temporary or permanent disabilities, and the overnight, safety-focused “NITE Ride” service. It is a critical transportation solution for students without vehicles. Shuttle-UM routes also reduce the number of automobiles on campus, minimizing vehicular congestion and furthering the University’s Climate Action Plan. The mandatory fee also supports Shuttle-UM vehicle and transportation facilities maintenance.

Student Union Fee
This fee supports the operation of the STAMP as the campus community center. Funds are used to provide physical spaces that support basic services including food/retail/lounges and resource rooms, student engagement, programs, and student group meetings. The STAMP staff serve as mentors and guides to students and groups of students. Staff working with students provide programs, community service options, identity and culturally based communities, arts and recreational programs, spiritual and interfaith offerings, co-curricular programs, student employment and internships, access to enlivening programs and services, and a rich information hub for students as well as faculty, staff, alumni and visitors.

Student Counseling Center Fee
This fee supports the Counseling Center operations to support the significant increase in demand for student mental health services. Funding from this fee will assist in the development of a treatment team that focuses on the delivery of rapid access, such as triage and referral, single session therapy, crisis intervention, and drop in consultation. The development of a care management team assisting students going to and returning from higher levels of care such as hospitalization, and intensive outpatient programs. The development of embedded modalities, such as “Let’s Talk”, that help minimize barriers to care for minority students. The Counseling Center’s goal is to be able to operate in a manner that allows minimizing wait times to routine therapy while maintaining session limit flexibility, and the capacity to create a unified clinical system that spans the continuum of care with a common landing page and central triage system.

Cancellation and Refund of Tuition and Fees

Students who register and later decide not to attend the university must submit a Cancellation of Registration Form (http://registrar.umd.edu/registration/separating-university(cancel-registration/) to the Office of the University Registrar before the First Day of Classes. Failure to cancel registration will result in a financial obligation to the University of Maryland even if a student does not attend class.

Withdrawal and Refund of Tuition and Fees

Students may request a withdrawal from all classes at any time between the First Day of Classes and Last Day of Classes. Students should contact the Office of the University Registrar to understand the implications of this action and to submit a signed request to withdraw from the university. Note: First-semester freshmen who receive Title IV aid and who withdraw will receive an adjustment to any disbursed aid in accordance with federal regulations.

No part of the charges for room and board is refundable except when students officially withdraw from the university or when they are given permission by the appropriate officials of the university to move from the residence halls and/or to discontinue dining hall privileges. In these cases, the room refund will be computed by multiplying the number of periods remaining by the pro rata weekly rate after adjusting for a service charge. Refunds to students having full board contracts will be calculated in a similar manner. No room and/or board refunds will be made after the 14th week of the semester. Students are reminded that reservations for room and board must be canceled by the date published in the residence hall and dining services agreement(s).

In computing refunds to students who have received the benefit of scholarships and loans from university funds, the computation will be made to return the maximum amount to the scholarship and loan accounts without loss to the university.
