---

## **LASX301 Human Rights and Cultural Representations (3 Credits)**

The cultural and human responses to the violence of genocide politics in the Holocaust will serve as an excellent start point to analyze political repression in Latin America (focus on Guatemala, Uruguay, Argentina and Chile). This course discusses not only the impact of trauma, the legacy of memory and the role of the national states during dictatorships in these countries, but also how to make these experiences productive to reconstruct selves and societies.
